LINCOLN COUNTY LEADER OFFICIAL COUNTY PAPER F. N. HAYDEN, Publisher

W. H. Lawson and Mr. Williams came over from Portland Monday evening, returning to the city Tuesday. It will be remembered that Mr. Fifty-nine tickets were sold at the local depot Wednesday to persons going to Elk City to attend the funeral of the late Sheriff Simpson.

The \$125.00 Pathe Phonographs have been reduced to \$100.00; this offer still includes the \$25.00 worth of free records. Bateman & Bateman, This gives you a \$125 machine for \$75.

Dan Hurley of Portland was down from Portland the first of the week visiting with his mother, and with his sister, Mrs. Fred Hornung. He returned to Portland Tuesday.

The Blue Bird Club of the M. E. Sunday School will hold a Christmas sale at the Schenck building Saturday, Dec. 18. Pie and coffee will be served. Proceeds to be used for the Armenian relief-work.

Mrs. L. C. Smith and Mrs. C. E. Freeland of Newport were Toledo visitors Saturday. Mrs. Smith sang a couple of solos at the barbecue, and Mrs. Freeland accompanied her on the piano.

Mr. and Mrs. R. A. Arnold, Mr. and Mrs. R. H. Howell, L. J. Brown and G. F. Cruson went to Eddyville Tuesday to meet Mrs. Simpson, who was returning from Albany, with the remains of her husband.

F. N. Austin came down from Portland Friday evening. Mr. Austin will be connected with the First National Bank of Toledo when it opens for business. It is thought the bank will be ready for business about the first of the year.

SILETZ SCHOOLS

The Community Club meeting held in the 7th-8th grade room on Friday, December 3rd, was well attended despite the rainy evening, there being the larger part of 100 persons present. The meeting was called to order by Pres. Ross sharply at eight o'clock, and the first hour was taken up by the completion of the organization, which included the adoption of the final draft of the constitution, worked out largely by the committee with C. E. Larson as chairman, the final signing of the document by the members, and payment of dues. This was followed by a program of an hour in length, including reports on school topics, as the tracing of the schools at Siletz from 1800 to 1920, by W. S. Hall, the discussion of school grounds by Salmu Niemi, the needs and possibilities of establishing of Warm Lunch in the Siletz school, by Miss Harriett Southwell, and the report of having sent for traveling library, by Mr. Eagy. On the program a solo was furnished by Miss Isabel Larsen, and a thirty-minute playlet by the title "That Blessed Baby" given by Misses Mary Henry and Alma O'Jala. After the program the members of the high school served to those present, a supper of cake, sandwiches and cocoa. It is certain that the High School students had reason to be congratulated on the saving of these "cents." The finest of spirit was evidenced on the part of every one thru the entire evening. The attendance of the school has been temporarily lowered owing to illness, but is again on the increase. The last report month, just closed shows the attendance record above 90%, however. Mrs. Colvin's primary room still holds the highest percentage by a margin.

“for clean oil in a clean engine”
Inside facts on a dirty job!

YOUR ENGINE requires an internal bath frequently. Road dust, carbon from the combustion chamber, and fine particles of metal worn from the bearing surfaces get into the lubricating oil in the crankcase. All this dirt circulates with the oil through the engine. If it isn't drained out regularly there's bound to be excessive wear and tear.
Gasoline also escapes past the pistons and dilutes the oil.
Modern Crankcase Cleaning Service gets rid of the dirty, diluted oil,

flushes the crankcase thoroughly and refills with clean, fresh oil.
The garages listed below are now equipped to perform this needed service quickly and for a nominal charge. We use Calol Flushing Oil, which cleanses thoroughly without danger of contaminating the fresh Zerolene refilled into the cleaned crankcase.
TODAY: Bring in your car for Modern Crankcase Cleaning Service. It will result in better engine performance and longer life for your car.
