Bergmann Logging Shoes

Have not dropped in wholesale price, but we have dropped our prices on them, as we have done on most of our other Shoes and Gents' Furnishings.

It is almost impossible to get these Bergmann Loggers from the Factory now in less than 3 to 5 weeks.

We will sell the balance of these we have in stock, and will then just have to take orders, which will mean wait of 3 to 5 weeks.

If you are going to need a pair of logging Shoes in the next 3 months, you had better buy now, as I have most all sizes in stock at present.

See our other adv., in this issue.

Ford

THE UNIVERSAL CAR

THE FORD SEDAN

An all-weather car—this pretty thoroughly describes the Ford Sedan.

In rain or cold weather it is a cozy comfortable, enclosed car; in warm weather, an ideal touring car. The plate glass windows are raised or lowered in a minute's time. The Ford Sedan is always in accord with your wishes. Finely upholstered; equipped with electric starting and lighting system; demountable rims and tire carrier in rear; instrument board on dash; the Sedan is a car of convenience and class, and has proven a favorite family car. Yet, the reliable Ford chassis and motor are a part of the Ford Sedan and that means low upkeep cost, ease of operation, and durability. The Ford Sedan is just as popular on the farm as in the city. It fits family needs everywhere.

Come in and see the Ford Sedan. If you want one, place your order now. Orders are filled in the same sequence they are received. Make us your Ford headquarters, as we are experts with the famous "Ford After-Service."
