THE UNIVERSAL CAR

THE FORD SEDAN

An all-weather car—this pretty thoroughly describes the Ford Sedan.

In rain or cold weather it is a cozy comfortable, enclosed car; in warm weather, an ideal touring car. The plate glass windows are raised or lowered in a minute's time. The Ford Sedan is always in accord with your wishes. Finely upholstered; equipped with electric starting and lighting system; demountable rims and tire carrier in rear; instrument board on dash; the Sedan is a car of convenience and class, and has proven a favorite family car. Yet, the reliable Ford chassis and motor are a part of the Ford Sedan and that means low upkeep cost, ease of operation, and durability. The Ford Sedan is just as popular on the farm as in the city. It fits family needs everywhere.

Come in and see the Ford Sedan. If you want one, place your order now. Orders are filled in the same sequence they are received. Make us your Ford headquarters, as we are experts with the famous "Ford After-Service."

MODERN CRANKCASE CLEANING SERVICE

Calol Flushing Oil
ZEROLENE

"for clean oil
in a clean engine"

See what we found in your crankcase oil

THIS lens shows some of the dirt that can be found in any crankcase after a few weeks of driving—road dust, carbon and fine particles of metal. Such dirt circulates with the lubricating oil through the engine, together with gasoline that escapes past the pistons and dilutes the oil.

Have the dirty, diluted oil in your crankcase drained out—now—before unnecessary wear begins. We can do that best for you with Modern

Crankcase Cleaning Service—convenient, quick, economical. We use Calol Flushing Oil, the scientific, thorough flushing agent which does not contaminate the fresh oil. We assure proper lubrication for your engine by refilling the cleaned crankcase with Zerolene of the correct grade.

Make a regular habit of Modern Crankcase Cleaning Service. It gives better engine performance and longer life to your car.

For Your Wife

There was a time when the average farm woman's world was bounded on the one side by the chicken yard and on the other by a stack of dirty dishes. But that time has passed; says

The COUNTRY GENTLEMAN

Farmers are beginning to realize that an electric plant that runs sewing machines, sweepers and churns, or a running water system, or a good furnace is a profitable investment. It brings direct return in greater comfort, greater happiness, greater efficiency.

The farmer's home is more than just a place to eat and sleep; it is the vital center of his farm business. That is why THE COUNTRY GENTLEMAN devotes so much attention to all the problems of home management. In addition to regular departments of practical helps with cooking, canning and sewing and such pages of inspiration as *Brighten the Corner*, it prints feature articles that help the farm woman to live a richer life. For its usefulness to her alone it is worth more than the single dollar which buys a whole year's subscription—52 big issues. And that is just one phase of its comprehensive service, covering every farm interest. Start the New Year right. Send me your dollar today. Your first copy will be that for January 1, 1921.
