SILETZ

The County Court has ordered the plank road leading from Siletz to the Lower Farm repaired. Jack Winkler with a cerw of men is doing the work. It is hard to get through with the mail. This is a mud road and in some places the mud is axel deep. This road is being put in better condition also. Commissioner Dunn was over Saturday looking after the road work. Sam Kimmel says that Jack Winkler is not only a good road superintendent but only a good road superintendent but by working out the weather conditions Mariin finish legging so that he can tell when it is going to Smith Allison is acting as head snow, rain or how many days the sun nurse for his brother Frank who is so that he can tell when it is going to snow, rain or how many days it will shine and how many days it will ill. be cloudy. In behalf of the American Legion we wish to thank those three persons who were present at the Callco Dance last Saturday evening and who donated the sum of \$6 to the Post. It makes the Legion feel that its efforts are meeting with favor with the dancing
