**WHEN** you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

It is the quickest, surest way; and in all their work our mechanics follow the methods recommended by the Ford Service School at the Ford factory. The standardized repair jobs are covered by reasonable Ford charges. Thus you are assured of having your work done properly, promptly and at a reasonable price. ### DIFFERENCE OF OPINION

Popular impression derived from old geographies and books on travel was that Japanese houses were made of paper. The twelve-million loss in the Tokio fire Sunday rather contradicts the idea.—Tuesday's Oregonian.

The price paper has been selling at the past two years it would seem to us that the cost of the Tokio fire but confirmed our earlier impressions.

### ROCKY BAR

The Port of Toledo Commissioners have an opportunity to show themselves good sportsmen. The residents in the vicinity of Elk City were refused a road down the river, which would have been opening the front gate for them. Their present mode of egress to the county seat and Newport is by water. This is their back gate. Although used for years, the channel to Elk City, which voted itself into Toledo Port, has been neglected; no barges or ships of any size can reach Elk City, and at low tide only small boats can cross Rocky Bar. Suppose the Port of Toledo blow the one obstruction out of existence; a community with its gates kept closed against its will cannot expand very rapidly.—Yaquina Bay News.

This sounds fine coming from the News and we take it as an honest effort to stir up a little strife and disunion between Toledo and Elk City. But before we go any farther we would like to inquire who it was that voted refusing the Elk City people their road down the river—was it Toledo or Newport—will the News please publish the vote on this measure as polled in the Toledo and in the Newport precincts. Then again, to refer back to ancient history, say along about 1910, when citizens of Toledo and Elk City were trying to form a Port of Yaquina, did not Newport jump in and form the Port of Newport so they would not have to help pay for the improving of the upper harbor.

Rocky bar may need improving, as to that we cannot say, but we do know that the request for the removal of same would sound better coming from the people of Elk City than from the Yaquina Bay News.

### SHOPPING MANIA

In a busy department store, a lady asked the clerk to show her some blankets. After the clerk had emptied the shelves and piled the counters with blankets of every description and color, the lady thanked him and said: "I was just looking for a friend."

"Well, madam," said the obliging clerk, "if you think your friend is among these blankets, I'll look again."

## Sale of Indian Lands

The following list of Indian lands located on the Siletz Indian Reservation and in Southern Oregon are offered for sale under existing laws. SEALED BIDS for the same will be received until 2 o'clock P. M. on May 3, 1921, when the bids will be opened for consideration. All bids shall be FOR INDIAN LANDS. The DATE of the proposed sale must also be placed thereon, but nothing else. No bidder will be permitted to include more than one allotment in any one bid. Should a prospective purchaser desire to purchase more than one allotment he should submit a separate bid for each, and if he desires to purchase less than an entire allotment, he may submit a bid for one or more legal subdivisions thereof and such bid will be considered in connection with the appraised value of each legal subdivision. No bid for less than the appraised value will be considered. The right to reject any or all bids is reserved by the Commissioner of Indian Affairs.

Each bid must be accompanied by a duly certified check, certificate of deposit or cashier's check on some solvent bank, payable to the order of Edwin L. Chalcraft, Superintendent, for ten per cent (10%) of each bid, as a guarantee for the faithful performance by the bidder of his proposals. Cash in lieu of check will not be accepted and will cause bid to be rejected. If the bid shall be accepted, and the bidder shall within thirty days after due notice of the acceptance of his bid fail to comply with the terms of his bid by making final payment, the money represented by such check shall be forfeited to the use of the owner of the land. The checks of all unsuccessful bidders will be returned to them within ten days after the opening of bids.

The successful bidder when his bid is accepted, will be called upon to pay the sum of \$20, in addition to his bid for the land; and also his portion of the expense for advertising the land. The receipt of a bid will be considered evidence that the bidder accepts this requirement. The cost for advertising will be kept to the minimum.

The patent issued to purchasers will contain a provision to the effect that there is reserved from the lands granted a right of way for ditches and canals constructed under authority of the United States.

Deferred payments at six per cent interest, on sales exceeding \$1000, can generally be arranged, provided a payment of not less than twenty-five per cent of the purchase price is made when the bid is accepted. The bidder should mention the allotment number, name of allottee, give the description of the land covered by his bid, and the character of payments intended. For further information apply to the undersigned.

Address all bids to "Edwin L. Chalcraft, Superintendent, Siletz, Oregon," in time to reach his office by 2 o'clock P. M. on the date specified above. All interested parties are invited to be present at the opening of the bids.

EDWIN L. CHALCRAFT, Superintendent.
