PROPOSITION SUBMITTED TO HIGHWAY COMMISSION

April 5, 1921.

State Highway Commission,
Portland, Oregon.

Gentlemen:
The undersigned, members of the
County Court of Lincoln County, Ore-
gon, beg to submit for your considera-
tion the following proposal:

Subject to the approval of the voters
of Lincoln County at the election in
June next, Lincoln County will pay
forty per cent of the total cost of
grading and macadamizing the Corvallis-
Newport highway from Newport to the
Benton County line, as located and
surveyed by the State Highway Com-
mission.

This proposal is based upon the fol-
lowing estimate of the cost of such
work:

Grading	
5.5 miles between Newport and Toledo;	
4.3 miles west of Benton County line;	
3 miles west of Benton County line;	
now partly completed.	
2.7 miles between Eddyville and Thornton;	
12.8 miles now completed at a cost of	\$140,000
23.3 miles remaining to be graded; estimated cost	309,900
Macadamizing	
36.1 miles from Newport to Benton County line, es- timated cost	433,200
	\$883,100

40% of \$883,100..... 353,240

which Lincoln County
proposes to pay, subject
of course to the credit of 140,000
which Lincoln County
has already paid for
above 12.8 miles already
graded;

Leaving a balance to be
paid by Lincoln Co.....\$213,240

Owing to the fact that it will be
necessary to designate a definite
amount on the ballot of the election,
the above amount of \$213,240 must
be regarded as the maximum amount
which Lincoln County would obligate
itself to pay under this proposal.

In addition to the above Lincoln
County proposes likewise subject to a
favorable vote of the people, to pay
\$120,000 on the condition that the
State will match it with an equal
amount for a road from the Tillamook
County line to a point on Siletz Bay on
any route that may be selected by your
Commission, with this provision, how-
ever, that \$19,000 of this amount must
be used to satisfy the obligation which
Lincoln County has already under-
taken in conjunction with the Forestry
Department of the United States, on
the road from the Tillamook County
line to a point 1.7 miles south.

It is the purpose of Lincoln County
to turn over to your Commission all of
the above funds to be used by your
Commission in the construction of both
of said roads.

Owing to the fact that the time is
growing very short for taking the re-
quired legal steps, for placing the
proposed bond issue on the ballot of
the June election, we beg to request
your early answer.

Respectfully submitted,

John Fogarty,
County Judge of Lincoln Co.

The undersigned members of com-
mittees appointed respectively by the
Newport Community Club and the To-
ledo Chamber of Commerce, heartily
endorse and approve the above pro-
posal made by the County Court of Lin-
coln County, and pledge their respec-
tive civic bodies and themselves to do
everything in their power to secure
the passage of a bond issue by the
voters of Lincoln County in support of
the above proposals.

Committee of the Newport Commu-
nity Club:

Fred Dawson,
President of Club.

Geo. R. Dickinson,
Secretary of Club.

W. M. Berry,
Lester Martin.

Committee of the Toledo Chamber
of Commerce:

W. K. Patterson,
President of Chamber.

Peter Frederick,
Secretary of Chamber.

G. B. McCluskey,
Carl Gildersleeve, Clerk.

ENDORSED: "Filed April 11, 1921,
Carl Gildersleeve, Clerk."

To the Voters of Lincoln County:

April 13, 1921.

The above proposal to the Highway
Commission by your County Court, en-
dorsed and approved by representa-
tives from the Newport Community
Club and the Chamber of Commerce
of Toledo and vicinity was made as
stated in the 2nd paragraph "SUB-
JECT TO THE APPROVAL OF THE
VOTERS OF LINCOLN COUNTY" It
was the very best effort of those present
upon any basis acceptable to the
Commission who, let us say right here
are friendly to Lincoln County and
would stretch any point in our favor
were it possible to do so. This pro-
posal was accepted by the Commission
by motion unanimously passed as the
basis upon which they would complete
the Corvallis Newport Highway with-
out further expense to Lincoln County
and take over the MAINTENANCE

ANCE FOR ALL TIME.

Your attention is invited to the 2nd
paragraph, "Lincoln County will pay
40% of the TOTAL COST, etc."

You will note the entire cost
of this Macadamized Highway
is estimated by competent En-
gineers as

60% of this amount, the
State would have to pay as

40% of this amount, Lincoln
County would have to pay as

Lincoln County has already
issued bonds to the amount of

So that the balance to be is-
sued in bonds to complete Lin-
coln County's share is

Your attention is here invited to the
next paragraph in this ACCEPTED
proposal, you will note the words "the
above amount of \$213,240 must be re-
garded as the MAXIMUM AMOUNT
WHICH LINCOLN COUNTY WOULD
OBLIGATE ITSELF UNDER THIS
PROPOSAL."

Note: \$40,000 of the above \$213,240
is on hand and unexpended from the
original bond issue of \$180,000 leaving
the balance to be issued as stated
above \$173,240.

This should satisfy and set at rest
all arguments and contentions in re-
lation to any future bond issues for
this Highway.

The above estimated cost of \$883,100
was based on the cost of labor and
equipment during 1920, both these
items have been considerably reduced
and it is our opinion that the final cost
will not amount to more than two-
thirds of the above estimate. In fact
bids now being received by the State
Highway Commission for this year,
confirm this opinion.

The Commission has also agreed to
immediately proceed with the Engi-
neering between Toledo and Corvallis
and to advertise for bids on Rocking
on the 22nd of this month, so that
should this bond issue carry, they will
be in a position to rock any and all
roads which we grade.

Before proceeding with the second
part of this proposal, we would like to
present the following facts:

The above bond issue will give us a
macadamized road to Yaquina Bay or
the central part of Lincoln County.

The County Court has entered an
agreement with the State Highway
Commission and the Forestry Depart-
ment whereby, the Court or Lincoln
County spends \$12,000, and each of the
others \$18,000 each year on the Alsea
Road. Benton County has agreed with
the Highway Commission to issue
\$100,000 in bonds to be matched by the
State on a 50-50 basis for the comple-
tion of this road to the Benton County
line. This gives a macadamized road
to Alsea Bay or the southern part of
Lincoln County.

This leaves the Northern part of our
County with no outlet, which we con-
sidered as absolutely unfair, we there-
fore placed before the Highway Com-
mission the second part of this pro-
posal, to issue bonds in the amount of
\$120,000 to be matched by a similar
amount by the State on a 50-50 basis
for the completion of a road from the
Tillamook line to a point on the Siletz
Bay, with the assurance from the
State Highway Commission that they
would extend the road to the Lane
County line as rapidly as conditions
permit, the route to be selected by the
Commission, this is the first and most
important step in the realization of a
Coast Road thru Lincoln County from
the Tillamook to the Lane County line.

This Committee considers that from
a spirit of fair play and the mutual ben-
efit to be derived from the construction
of this Coast Road thru the North Coun-
try, no argument is necessary on the
part of anyone to carry this proposed
bond issue of \$120,000.

Committee.

enclosed in a sealed envelope, which must be conspicuously marked "BID
FOR INDIAN LANDS." The DATE of the proposed sale must also be
placed thereon, but nothing else. No bidder will be permitted to include

of Indian Affairs.

Each bid must be accompanied by a duly certified check, certificate of

Cash in lieu of check will not be accepted and will cause bid to be rejected.
If the bid shall be accepted, and the bidder shall within thirty days after
due notice of the acceptance of his bid fail to comply with the terms of
his bid by making final payment, the money represented by such check
shall be forfeited to the use of the owner of the land. The checks of all
unsuccessful bidders will be returned to them within ten days after the
opening of bids.

The successful bidder when his bid is accepted, will be called upon to
pay the sum of \$20, in addition to his bid for the land; and also his portion of
the expense for advertising the land. The receipt of a bid will be considered
evidence that the bidder accepts this requirement. The cost for advertising
will be kept to the minimum.

The patent issued to purchasers will contain a provision to the effect
that there is reserved from the lands granted a right of way for ditches
and canals constructed under authority of the United States.
