**DO YOU KNOW** that indigestion can be cured, permanently cured, so that you can eat any kind of food that you crave? It has been done not only once, but in almost every case when Chamberlain's Tablets are used. An instance: Mr. J. Pomerville, Stillwater, Minn., who had spent over \$2,000.00 for medicine and treatment was permanently cured by these tablets.

THE UNIVERSAL CAR

### THAT UNIVERSAL FORD AFTER-SERVICE

The most reliable after-service which is ever behind Ford cars, trucks and Fordson tractors is positive assurance to the owners of Ford cars of the constant use and service of their cars.

Our skilled Ford mechanics know how to adjust or repair Ford products so that they will serve to the maximum of their efficiency. They understand the Ford mechanism thoroughly, and can make adjustments or replacements quicker than other repairmen who lack Ford training. There is a standardized way for making every repair and adjustment on a Ford car. It is the quickest, surest way; and in all their work our mechanics follow the methods recommended by the Ford Service School at the Ford factory. The standardized repair jobs are covered by reasonable Ford charges. Thus you are assured of having your work done properly, promptly and at a reasonable price. Genuine Ford parts, Ford mechanics, Ford special tools and machinery and Ford charges are an unbeatable combination.

### THREE NEW WESTERN STATES (Col. E. Hofer in the Manufacturer.)

Within a decade three new states  
will be carved out of the immense do-  
main still known as the west.

Two-thirds of the area, four-fifths of  
the mineral wealth, three-fourths of  
the water powers, and nine-tenths of  
the timber are in this vast area.

This great two-thirds area which  
grows the surplus grain and sugar and  
wool and live stock that feeds and  
clothes the nation, has only about one-  
fourth the representation in Congress.  
The three new states will be formed  
from the western slope of Colorado,  
from Northern Idaho and tributary  
territory from Washington and Mont-  
ana, and another from Northern Cali-  
fornia and Southern Oregon.

These states will be called Lincoln,  
Columbus and Jefferson, to preserve  
the great national traditions surround-  
ing these American political heroes,  
who discovered and founded free  
America.

### INDUSTRY SPEEDING UP

Increased industrial activity is evi-  
dent in Oregon at the present time  
with many concerns renewing produc-  
tion after a period of idleness and  
others speeding up their efforts. The  
Beaver Portland Cement Company at  
Gold Hill resumed operations at Cor-  
vallis April 1 and The Corvallis Lum-  
ber Company has also resumed opera-  
tions at Corvallis and Wawson. The  
The Falls City Lumber Company has  
resumed work at Falls City and the  
Eagle Lumber Co. at Westminister on  
the Tillamook branch, with logging  
trains again operating. The Wheeler  
estate has opened up its logging op-  
erations at Cochrane on the Tillamook  
branch and are handling approximately  
30 cars a day to Menadee.

### ARGUMENT IN FAVOR OF FAVOR BONDS

The most important issue before the  
people of Lincoln County at this time,  
is the issue of bonds for the comple-  
tion of the Corvallis-Newport High-  
way, that for the Coast Road from the  
Tillamook line to Siletz River and the  
completion of the Alsea Road, dis-  
tributed as follows:

Corvallis-Newport Highway \$173,240.  
Coast Road 120,000.  
Alsea Road 50,000.

**TOTAL \$343,240.**  
The issue of \$173,240. for the Cor-  
vallis-Newport Highway will com-  
pletely finish this project, this means  
that the State will then take over the  
entire maintenance and will save to  
the County considerable expense  
every year in dragging and smoothing  
this road. It is estimated that it costs  
about \$200. every time this road is  
dragged and as this operation is per-  
formed several times each year, the  
taking over of the maintenance by the  
State will save considerable of our  
Road Fund, which can be applied in  
dragging and caring for our farm roads  
throughout the County.

The issue of \$120,000. for a Coast  
Road will mean the beginning of a  
project which was placed before the  
people two years ago and successfully  
carried under the name of the Roose-  
velt Military Highway, it is our opin-  
ion the powers that be in road mat-  
ters, realize that, our Government is  
not interested in a Military Highway  
located in an exposed position, such  
as is demanded by the Coast Counties  
in attracting tourist trade or to be of  
any use to the Coast Communities.  
This accounts for the demand of the  
State Highway Commission that, Lin-  
coln as well as other Coast Counties  
provide funds to be matched by them  
on a 50-50 basis for this project, which  
is of vital importance to the State of  
Oregon as a whole.

The issue of \$50,000. which will com-  
plete the Alsea Road, is placed upon  
the ballot with the provision by the  
County Court and the people of the  
Alsea District, that this sum be  
matched by either the State Highway  
Commission, or the Forestry Depart-  
ment or jointly. Mr. Hurt, Mr. Mor-  
ris and Commissioner Dunn, were as-  
sured by the Forestry Department that  
they are very favorable to this pro-  
ject. Any balance of this issue re-  
maining after this Alsea Road is com-  
pleted, is to be used in grading and  
rocking the Coast Road where it inter-  
sects the Alsea Road as located by  
the Highway Commission.

In closing this statement, let us em-  
phasize this point: When these roads  
or any part is completed, THE STATE  
WILL TAKE OVER AND MAINTAIN  
THEM.

"LIFT LINCOLN COUNTY OUT OF  
THE MUD."

Your Committee.

### TO THE VOTERS OF LINCOLN COUNTY

I have lived in Lincoln County eight  
years and have actively supported  
each bonding proposition that has been  
brought before the people. But the  
bonding scheme as outlined by the

present County Court and Committee  
is too raw, even for me.

As far as I am able to find out the  
State Highway Commission has not  
consented to either of the proposi-  
tions, except in a vague way.

Two years ago we voted \$180,000 to  
do our share on a road from Newport  
to the Benton County line, \$140,000  
has been spent and we are told we  
have the enormous sum of 12 miles  
of road graded. Now we are told if  
we will bond for some \$200,000 more  
we will be sure to get a road this  
time.

Now wouldn't it be better to wait  
until we have some kind of a guar-  
antee that we will get a road before  
we bond further. Also isn't it rather  
foolish to use the entire bonding re-  
source of the County on one road  
east and west, with no thought of a  
north and south road laterals.

The following list of Indian lands located on the Siletz Indian  
Reservation and in Southern Oregon are offered for sale under existing  
laws. SEALED BIDS for the same will be received until 2 o'clock P. M. on  
May 3, 1921, when the bids will be opened for consideration. All bids shall be  
enclosed in a sealed envelope, which must be conspicuously marked "BID  
FOR INDIAN LANDS." The DATE of the proposed sale must also be  
placed thereon, but nothing else. No bidder will be permitted to include  
more than one allotment in any one bid. Should a prospective purchaser  
desire to purchase more than one allotment he should submit a separate  
bid for each, and if he desires to purchase less than an entire allotment,  
he may submit a bid for one or more legal sub-divisions thereof and such  
bid will be considered in connection with the appraised value of each such  
legal subdivision. No bid for less than the appraised value will be consid-  
ered. The right to reject any or all bids is reserved by the Commissioner  
of Indian Affairs.

Each bid must be accompanied by a duly certified check, certificate of  
deposit or cashier's check on some solvent bank, payable to the order of  
Edwin L. Chalcraft, Superintendent, for ten per cent (10%) of each bid,  
as a guarantee for the faithful performance by the bidder of his proposals.  
Cash in lieu of check will not be accepted and will cause bid to be rejected.  
If the bid shall be accepted, and the bidder shall within thirty days after  
due notice of the acceptance of his bid fail to comply with the terms of  
his bid by making final payment, the money represented by such check  
shall be forfeited to the use of the owner of the land. The checks of all  
unsuccessful bidders will be returned to them within ten days after the  
opening of bids.

The successful bidder when his bid is accepted, will be called upon to  
pay the sum of \$20, in addition to his bid for the land; and also his portion of  
the expense for advertising the land. The receipt of a bid will be considered  
evidence that the bidder accepts this requirement. The cost for advertising  
will be kept to the minimum.

The patent issued to purchasers will contain a provision to the effect  
that there is reserved from the lands granted a right of way for ditches  
and canals constructed under authority of the United States.

Deferred payments at six per cent interest, on  
sales exceeding \$1000, can generally be arranged,
