TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, JUNE 3rd, 1921.

NUMBER 15

SILETZ

Memorial Day was observed Monday and the exercises were held in the M. E. Church at 2 o'clock, p. m. The program was prepared by the teachers of the public school, Prof. Eagy, principal of the public school had charge of the program. A large silk flag was neatly placed on the wall back of the speakers' stand. The house was crowded with the citizens of Siletz, both Indians and Whites, Indians predominating. The school marched from the public school building to the church led by the snare drum played by Master Emerson Collins. At the church was given: song, America, reading, Little Boy and Miss Brown; duet, Mrs. Colvin and Miss Brown; short address by Supt. Edwin L. Chaffcraft; drill by a boy of little girls. This was very pretty and greatly appreciated. Address by Dr. Carter, song, "No Land Like Oregon"; Announcements and remarks by Prof. Eagy; song, "Star Spangled Banner"; reading, "Flag Etiquette"; Miss Treat; At the cemetery where the graves of Andrew Washington, Ralph Spencer and the place where Paul Washington's body is to rest when it gets here—it is now on the way—were decorated with flowers and the "Stars and Stripes." These three boys made the Supreme Sacrifice and gave their lives for their country. "Sleep, Comrades, sleep and rest. On this field of ground arms, where foes no more molest, Nor Sentries' shot alarms. Rest, Comrades, rest and sleep; The thoughts of men should be, As sentinels, to keep, Your rest from danger free." The immortal address of Abraham Lincoln given at Gettysburg was read by Ralph Hamar; recitation, "on the Kappahnock" was given by Prof. Eagy. This is where the Union Army was on one side of the river and the Confederate Army on the other, ready to engage in a great battle, but—while singing a number of songs, among them, "Dixie," some one started up "Home, Sweet Home," this touched the hearts of these heroic men to their inmost souls forgetting they were foes, both armies joined and shouted with one voice that seemed to make the very heavens rejoice. This was the power of music—sweet music. This was beautifully rendered by Mr. Eagy and it made a deep impression on the audience, both old and young. Song, National Anthem. This concluded the Memorial exercises of the day. This, I believe, was the first Memorial service ever held at Siletz. I don't know of any soldiers being buried here till after the World War. Bryon Bryant's grave in Riverside cemetery was also decorated. He was also an ex-soldier. The whole community seemed to partake of the spirit of the day. Everything was quiet and orderly. All minds seemed to be turned on the horrors of war.

The eighth grade commencement exercises were held in the gymnasium, Tuesday evening. There was a class of seven in the eighth grade but only six received diplomas. As their names will be given in the school notes I will not mention them here. W. S. Hall delivered the address to the class and A. C. Crawford, president of the Board of Trustees, presented the diplomas with some very interesting and instructive remarks to the class. Mr. Hall's address also had words of wisdom and inspiration to the young graduates. The Larson Orchestra furnished the music and played some excellent selections during the evening. The year's school work has been very successful and the teachers may be proud of their success. The full corps of teachers for the next year have not been selected yet. The high school will have more pupils next year than this and the public school will have more pupils than ever before. The community is taking great interest in the public schools and it will be placed in a much higher state of efficiency next year.

Mr. and Mrs. W. S. Hall, Mr. and Mrs. Chas. Larsen, Miss Alice Chaffcraft and Mrs. Alma Ross went as delegates to attend the Annual Sunday School Convention held at Waldport, last Saturday and Sunday. The delegates speak of having a most interesting session and a most excellent trip there and back. They speak of the royal treatment they received at the hands of the good people of Waldport. The whole delegation stopped at the Wakefield House kept by Captain Wakefield. They speak of the splendid fare, clean beds and fine treatment they received while there. The next convention will be held at Siletz. Mr. Hall chaperoned the party. They went to Newport in Mr. Hall's car, crossed the bay in a launch and from South Beach they went to Waldport, in a "Goose" truck.

MR. DENNIS INTERESTED IN OUR ROAD SCHEMES

Hon. W. B. Dennis and wife of Carlton, Yamhill County, Oregon, were guests of the Abbey for several days the early part of this week. Mr. Dennis was a member of the lower house of the Legislature during the 1919-1920 sessions, and was Chairman of the Roads and Highways Committee. He was the central figure and is generally credited with having had more influence upon State road legislation during the last three years than any other man in the State. The laws under which the present big road program of the state is being conducted is largely due to his far sighted and constructive statesmanship. His reputation as an expert in road matters is such that during the 1921 session of the legislature, although not a member, he was requested by the joint road committees of the House and Senate to prepare the 1921 law for motor vehicle licenses and truck regulation, and was the author of the new law which went into effect a few days ago.

Mr. Dennis has always been greatly interested in Lincoln County roads, and has been extremely helpful to the local road committees. He believes that Lincoln County has greater potential commercial possibilities than any other County of the State, and that the construction of a proper road system is the touchstone of a commercial and rural development that the most sanguine Lincoln County booster has never dreamed of.

"Permanent roads" and "Connected with the great system of State roads" is Mr. Dennis' hobby. "Don't build make shifts" said Mr. Dennis at the Abbey yesterday. "If you want to do business you must get your store on the main street. You must connect up Lincoln County, North, South, and East with the great road system of the State, or in other words get into the State band wagon. When that is done then turn your whole attention and might to improving the Market roads into every rural valley and district."

"Lincoln County has some wonderful road boosers. I take off my hat to them" said Mr. Dennis, "and I don't understand how they pulled off such a wonderful stunt. Of course you know what the law is" said he. "The law says that the counties must at their own expense prepare the road beds, do all the grading and build the bridges and culverts, and that then the state will rock or hard surface the roads. That's all the state is supposed to do, that is all they have done in my own County of Yamhill, and in every county in the state, with the exception of two or three especially exempted in the law itself, why in Yamhill the county has paid every dollar of the cost of grading, bridges and culverts and some of it was mighty expensive. But it seems that you people here in Lincoln county have succeeded in making a contract with the State Highway Commission, for the State not only to do the rocking but also to pay sixty per cent of the cost of grading of your main highway out to Corvallis, its marvelous; it's surely the golden opportunity that knocks but once. Lincoln County should tumble over itself to grab it. Let me say to you right here" said Mr. Dennis with strong emphasis, "you are the most favored County in the State, and I think I know what I am talking about, and such a chance as that will never come to you again, if by any hook or crook your voters should happen to turn it down, but of course I cannot conceive of such a thing being possible."

"You ought to pass your bond issue with a ninety per cent vote, but you won't do it unless every man and woman voter feels it to be their solemn duty to get out to the poles on Election Day."

"The State Highway Commission has certainly been your friend. Keep them your friends. Work with them and also with your fine County Court, and never against them, it pays, I know from experience. Back them up to the limit. No state in the Union has ever been blessed with a higher grade State Board than the three men who compose our State Highway Commission. You couldn't hire one of them for a salary of \$50,000.00 a year. They are giving their services without a dollar of pay. They are doing the square thing with every part of the State. They have certainly been generous to Lincoln County."
