

I've tried them all but give me a Camel

I'm through experimenting. No more switching. No more trying this and that. It's Camels for me every time.

They're so refreshing! So smooth! So mellow mild! Why? The answer is Camels exclusive expert blend of choice Turkish and Domestic tobaccos. There's nothing like it.

No other cigarette you can buy gives you the real sure-enough, all-day satisfaction that comes from the Camel blend. Camel is the quality cigarette.

Give Camels a tryout. Buy a pack today. Get your information first hand. You'll tie to Camels, too.

"NOW-A-DAYS"

says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles!

Big splendid steamers, American owned and operated, carrying passengers and goods, are crowding their way into all foreign harbors with the Stars and Stripes proudly fluttering from their masts.
