

Buy a pipe—
and some P.A.

Get the joy that's due you!

We print it right here that if you don't know the "feel" and the friendship of a joy'us jimmy pipe—GO GET ONE! And—get some Prince Albert and bang a howdy-do on the big smoke-gong!

For, Prince Albert's quality—flavor—coolness—fragrance—is in a class of its own! You never tasted such tobacco! Why—figure out what it alone means to your tongue and temper when we tell you that Prince Albert can't bite, can't parch! Our exclusive patented process fixes that!

Prince Albert is a revelation in a makin's cigarette! My, but how that delightful flavor makes a dent! And, how it does answer that hankering! Prince Albert rolls easy and stays put because it is crimped cut. And, say—oh, go on and get the papers or a pipe! Do it right now!

Prince Albert is sold in tippy red bags, tidy red tins, handsome pound and half pound tin humidors and in the pound crystal glass humidors with sponge moistener top.

LET US BE YOUR BOOKKEEPER

A checking account can be made a very convenient system of bookkeeping, commending itself especially to those people who feel that they do not have enough business to justify the keeping of an elaborate set of books.
Your deposits can be made to represent your receipts, and your checks your expenditures. The stubs of your check book will be your record, which will require very little time to keep up to date.
We would be glad to have you call and let us explain more fully the advantages of a checking account. We can refer you to people who have done a checking business with banks for years, and who recommend it very highly.
If you once get the checking habit, you will not want to break it, but will be glad that you started it.
