VOLUME 29

TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, SEPTEMBER 2nd, 1921.

NUMBER 28

SILETZ

Siletz seems to be the Mecca for the people who come to Newport, Oregon's best and most popular resort. Tuesday some twenty-five people came up from Newport, among them were Mr. and Mrs. Freeland of Newport, Mr. and Mrs. Weller, Mr. and Mrs. Dellard, Miss Gillett, Mrs. Smith and Miss Smith—all from Salem, friends of Mr. and Mrs. Chalcraft. Mr. and Mrs. Schumaker, Mrs. J. C. Fullhart and Mrs. Alice Fredrickson of Newport with Mr. J. H. H. Anderson as chauffeur, Will Graham and Mike Mackey with a party of fishermen came to Siletz from Toledo. Mr. and Mrs. Royal R. Pickering of Seattle, while on their wedding tour to California stopped over a day or two at Siletz guests of Mr. and Mrs. Chalcraft. Mr. Pickering is a cousin of Mrs. Chalcraft. Mr. Chalcraft took the newly married couple to Newport where they spent a few hours enjoying the beauty and grandeur of Oregon's most famous resort. Newport is gradually coming to the front as one of the greatest seaside resorts on the Pacific coast. Newport has all the other resorts beaten for beauty and natural attractions. Other places have more improvements that cost millions of dollars but Newport without this great outlay excels them all for the picturesqueness of her scenery, the cleanliness of her beaches, the glory of her green forest and the grandeur of the great waves that roll in from the ocean and beat upon its rock bound shore. Here you get the pure ozone that fills your lungs and the rich nerve building sea-food that makes you feel like a new being. Here in the sweet soft sounds of the Pacific you can sleep like the just sleep.

Bert Robertson is on a visit to his old home at Siletz. He used to be the good looking accomodating clerk in the Hall Brothers' Store. He now lives at Tillamook City. In speaking of Tillamook and Lincoln counties, he says twenty years ago Tillamook was about as Lincoln county is now, but the push and energy of the Tillamook people have put their county where it is now—one of the most progressive counties in the state. Lincoln county can do as well or even better if her people will try. Mr. Robertson says Newport is much the better resort city. He says nature has made Newport the most beautiful seaside resort on the Oregon coast and if half the money that was spent in making Newport what it ought to be there would be no comparison between these two resort cities. Mr. Robertson will be here about a week before returning home at Tillamook.

Maurice Andersen has bought two fine lots facing on Egbert Street and is now engaged in putting up a nice four room bungalow. John Thompson of Toledo has the contract to build the house assisted by Niels Andersen. This will be a nice home where everything will be modern and new.

The evergreen black berry is just getting ripe. It is a heavy crop this year and the women and children have a picnic gathering this lucious fruit. The Cannery at Toledo is paying four cents per pound for berries and pickers can make \$3.00 and \$4.00 per day at this price. The new owner of the cannery is installing new machinery and everything will be up to date except the building and that is to be built new by another year. This is an important industry and should be supported by everyone in the community. Siletz is a great berry country and there is no reason why a big payroll

should not be established in this berry business. It makes a nice thing for the women and children to make some money and at the same time have an outing that will add much to their health and happiness.

SOUTH BEACH

Mr. and Mrs. W. R. Lynn of Portland are visiting with their father and mother, Mr. and Mrs. E. R. Lynn. Mr. and Mrs. Lee Shetler and children and Mr. Shetler's father of Portland drove through to South Beach for a few days visit at the beach.

FRUIT VALE

Mrs. Warnock and children of Portland are visiting relatives in Lincoln County for a short time before the schools commence, spending a few days with Mrs. Andrew Nye, Mrs. Warnock's sister, and then going on to Depot and Toledo.

Miss Era York enjoyed a trip to Portland for a few days returning the first of the week.

Chet Paulson was out to Corvallis for several days having some dental work done.

Grover Voigt and family are preparing to move to the Valley on account of their little girl, Gertrude's health. We are all sorry to see them leave, but hope the change will benefit their child.

Nearly everyone around here has a log pile burning—Well this country can stand lots of such.

NASHVILLE

Mr. and Mrs. Webb of Falls City and their daughter, Mrs. Anderson of Independence were in for a few days visit with their daughter and sister, Mrs. Charley Hinshaw. They returned to their home Monday.

Miss Mary Davis of Portland is at the home of her parents here for a short vacation.

Miss Louise Chessman of Portland is visiting at the home of her Uncle Ben Hogvohl.

Mrs. R. N. Nash and Mrs. D. F. Lister were out from the ranch Sunday visiting at the home of Mrs. Nash's sister, Mrs. June Edwards.

Mrs. Hunter, whose home is near Milwaukie, is visiting her brother, Mr. Mitem.

Miss Beth Rall has returned from a visit with relatives at the beach.

Mrs. Olaf Spilde and children have returned from a visit with relatives at Silverton and Albany.

E. S. Lister was a Sunday visitor at the Nash ranch.

Mr. Curtis, the S. P. agent, who has been here a month, will leave Saturday for Coquille. The Curtis family has been very popular here and will be greatly missed.

Mrs. Jas. Hiland returned Sunday from Seattle.

Mrs. Cochell and children of Portland came in Thursday for a visit with Mr. and Mrs. Billy Cochell.

Mrs. W. H. Martin entertained twenty Nashville matrons Wednesday afternoon, honoring Mrs. A. F. Englin nee Lucile Martin.

GREASED PIG FOR BOYS

A greased porker, all slick, shaved and covered with the slickest grease you ever saw, is to be the prize for the boy who can catch him at the Lincoln County Fair. We guarantee this one of the most startling, spectacular and amusing events of the season. If you do not believe it is some job to catch him, enter.

A CHANCE FOR THE HEAVY WEIGHTS

That heavy weight people need lots of good bread for maintenance is the idea of R. S. Van Cleve, merchant, who offers a special prize of twelve loaves of bread, to be awarded to the man and wife who jointly tip the scales the farthest. The bread is to be given away at six o'clock September 8th. Entries in person to be made to the superintendent of the pavilion at any time during the day of the eighth.

ROAD ROCKING BEING RUSHED

The rocking of the Toledo-Newport section of the highway was commenced the first of the week and the work is being rushed as fast as possible, the contractor working two shifts. This work should have been started two months ago, but one delay after another has occurred. Now that actual work has commenced the contractor is making a good showing.

WRESTLING MATCHES SCHEDULED FOR FAIR

Lovers of the grappling game will find real amusement at the county fair this year. The best of it all is that the matches arranged will not be the ordinary fake matches usually put on in connection with carnival companies in that most the participants are local men and are not the type that would permit themselves to be thrown for fun.

The headliner is Miller versus Amort. Paul Amort, of Portland, the northwest champion of 145, was thrown by Charles Miller at Newport on July 4th in an unofficial match. A return match has been arranged, and the fair board expects to make it an official one, such that if Amort is again thrown by Miller, Miller can officially be proclaimed northwest champion. Amort writes as follows:

"Regarding the arrangements of the wrestling bout between Mr. Miller and myself, your plan suits me perfectly. I will be there with bells on, and will be able to make Miller hurry to keep up. Will see you Saturday, September 10th, and until then, talk it up, and I will guarantee you a real match."

Those who saw the match at Newport know what is up, as Amort came down before expecting to match an ordinary farmer who thought he could wrestle, but found something different in Miller. If we can guess right, Amort has been doing some training since that time and will be here with the jazz. In the Newport match, Amort threw Miller first, in 13 minutes—Miller then took 14 to throw Amort and threw him again in 10 minutes. Who will win the coming match, is the thing on which one man's guess is as good as another's.

The second match arranged will be a bulky one, the participants being heavyweights. Lawrence McBride, of Eddyville, farmer, an O. A. C. conference wrestler, will meet Blacksmith Graves, of Elk City, and when they hit the floor, we guarantee a miniature earth quake. Graves is reported to have thrown Harry Cole, heavyweight conference champion at O. A. C. several years ago and reported, according to strength tests, to be the second strongest college man in America.

It is expected that by fair time a lightweight match will be arranged.

POMONA DATE CHANGED TO SEPTEMBER 14th

The meeting of the Pomona Grange formerly set to meet September 7th has been changed to September 14th. This change was made in that the former date, September 7th, came too closely to the county fair dates, which are September 8th, 9th, and 10th. Pomona Grange is to meet with the Five Rivers Grange in the south end of the county.
S. T. Loudon, Master.

FREE FERRY TO FAIR FOR SOUTH END PEOPLE

In order to assist the people from the south of the Yaquina river to attend the Fair, the Fair Board has arranged for a free ferry for people and exhibits during the Fair, September 8th, 9th, and 10th. Arrangements have also been made to have a special boat and ferry available for ferrying vehicles on these days.

Are you going to win those \$17.00 "Bergmann" loggers given as a prize at the Fair. The Bootery.
Mrs. Bert Geer and daughter, Miss Mary, arrived home last evening from a visit at Pendleton.
Mr. and Mrs. P. Frederick went down to the Yachats last evening.

SLUICING DIRT DOWN

Contractor Conrad Christiansen has installed a centrifugal pump, driven by a large gas engine, on the water front where he is building the Port Docks, and is using it to cut down the high embankment. The water is pumped from the bay and forced thru a regulation size fire hose, with a nozzle, the water rapidly eating away the embankment, the dirt settling behind the bulkhead. Mr. Christiansen figures that this is the most economical method of moving this dirt.

FORESTRY PATROL PLANES COMING

Word was just received today that the Forestry Patrol planes will again visit the County Fair on September 8th, 9th, and 10th. These planes are of the big DeHavillan type and will make an interesting contrast to the passenger carrying plane that will be in operation in Toledo during the Fair.

ADDITIONAL PREMIUMS IN SPECIAL PRIZE LIST

In addition to the special prizes announced in the premium list there is also offered:
By W. C. Burcroff Mercantile Co.; For 2nd prize Best Loaf Bread Baked from Fisher's Blend Flour—50 pounds Sugar.

FREE TICKETS TO LIVESTOCK EXHIBITORS

A free pass will be given by the Fair to the exhibitor or caretaker of all livestock exhibits at the Fair.

FAIR BOARD PAYS FREIGHT

In order to induce meritorious exhibits of livestock and other displays the Fair Board will pay the freight on all railway shipments. A special car attached to the Wednesday's west-bound freight will pick up exhibits at all stations in Lincoln County east of Toledo.
Exhibitors from other sections of the county than along the railway should confer with the Board relative to other means of transportation.

CHAMPIONSHIP FORD RACE AT LINCOLN COUNTY FAIR

You might think we could not have an automobile race at the Lincoln County Fair, but we have one planned and guarantee your money back if you do not enjoy it more than any automobile race you ever saw. We can guarantee your money back because it is a free attraction in the first place, and secondly, we know you will be satisfied. Here are the conditions:

The Fords are all lined up at one end of the field; the driver takes the key out of his car and hands it to a man at the opposite end of the field; then taking his station by the side of his car; at the given signal, races across the field, gets the key, returns to his car, cranks it, gets in, and runs his car to the finish line. The length of the race will probably be 150 feet, but it is fast and furious and full of thrills. We will first run the race forward and then a reverse race. Certain penalties are provided: If a man gets outside his lane, he is penalized. Any entrant who fails to get on the way by the time the others are finished is also penalized.

Here is your chance to get into an automobile race with your old tin Lizzie. Races will be run daily, with the winners competing in the finals on Saturday. A \$2.50 prize is awarded to the winner each day, and the last day winner gets \$5.00. File your entry with G. W. Ford, chairman of the Sports Committee.

SOLDIER BONUS BLANKS BEING SENT OUT

Salem, Oregon, Sept. 1.—(Special)—Fifty thousand application blanks for making application for the Oregon State Loan and Bonus which was voted to Oregon's ex-service men by the people last June, are now being distributed to every part of the State. These blank forms, upon which the applicants must establish their eligibility for the bonus, are being sent to American Legion Posts of which there are 104 in the State with the request that the posts give them to all eligible ex-service men.

This action was taken by the State Bonus Commission in order to save considerable time in getting the bonus and loan into the hands of the ex-service men. The initial bond issue of \$5,000,000.00 already is being floated—bids are to be opened October 10th and the Commission expects to have money ready by November 1st. By having the applications come in early the Commission hopes to have a large number of checks ready for distribution from the sale of bonds. Steps have been taken by the Commission to interest the bond buying market of the entire United States. The bonds are to be sold at par or above and not to exceed six per cent interest and the Commission expects to sell at an interest rate of about five and one-half per cent.

The administrative force to handle this big task of passing upon applications has already been created in the U. S. National Bank Building at Salem, headed by Harry C. Brumbaugh an overseas veteran. The necessary funds for an energetic administration of the law have also been provided. Commissioners say that the loan feature, which appeals to a majority of the ex-service men, necessarily will be a slower process but that the Commission will continue to follow its past policy of avoiding any and all avoidable delays.

Only an unexpected suit to test the constitutionality of the law will now prevent payment of several thousand claims in November. Such a suit has not been launched by the Commissioners because of their belief in the constitutionality of the law and failure of the bonds to sell alone might make such a suit necessary.

Aviator McKenzie, who has been at Newport with his plane the past couple of months was in the city yesterday for the purpose of establishing a suitable landing field. He found what he wanted over on the sand by the Government mill.

Mr. McKenzie will do stunt flying here during the fair, and will also carry passengers from Newport here, fare five dollars. It will only take about five minutes to come up from the Resort City.

He will also take up passengers while here.
