VOLUME 29

TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, SEPTEMBER 9th, 1921.

NUMBER 29

## SILETZ

Mr. and Mrs. Fred W. Freeman left for their home in Tacoma, Washington, Saturday. They had been visiting with Mr. Freeman's mother, Mrs. Baldwin Fairchild. Freddie Freeman was born on Siletz and attended the Government school at the Agency and from here he entered the school at Chemawa graduating from that school in 1907. While at School he learned the tailors trade and follows that business to the present time. From Chemawa he went to the Cushman school at Tacoma, Washington, as an employee and remained in the service for 25 years. Here he met and married his wife. She was a teacher in the school and a stenographer. He was in the school so long he became a part of it and was noted for his industry and attention to business. He was also a good musician and was vice-president of the Musical Union at Tacoma, where he now lives. He owns a forty acre farm near the city. This farm is set to berries, mostly strawberries and raspberries. He keeps the farm rented and lives in the city where he can follow his trade and send his children to school. They have two children, a girl and a boy aged 19 and 14 years respectively. The boy is only 14 but he enters high school this fall. The girl whose name is Prudence, is learning the tailors trade from her father. Freddie Freeman, as he is known here by the home people, has made good. He and his wife stand high in the estimation of his friends and neighbors and the business world. He is a member of the Improved Redmen's Lodge and has passed through all the chairs. After leaving Siletz he was thrown on his own resources and never came back to live here. By honesty, industry and perseverance, he has made his way and has attained the high position he now occupies by his own efforts. His mother is an Indian woman and his father a white man but Freddie Freeman is not ashamed of his Indian blood. What he has accomplished can be done by others if they only try. Mr. and Mrs. Freeman and their two children came to Siletz in their own car—a Reo—costing \$2160 and it is paid for. The success of Freddie Freeman ought to be an inspiration to others who wish to excel in life's battles.

Jess Daniels started out Friday with the big truck loaded with 25 hop pickers and their baggage. The roads were a bit slippery as it had rained some during the day. The pickers were going to the hop fields near Independence. On leaving Corvallis Jess had a blowout. This delayed him and added something to the bill of expense. But it was soon fixed and he went on his way. When a political meeting blows out it don't amount to much but when an auto tire blowout it amounts to a good deal and always delays.

Mr. and Mrs. R. E. Chandler have gone to McMinnville to spend a few days and to have their baby examined by a specialist. He went out with his father and mother who had been here on a visit.

A good many autos and folks are coming to fish after the rain. The fishing will be good.

Notwithstanding a good many of our people have gone to the hop fields

Siletz will be well represented at the County Fair, September 8th, 9th, 10th.

## FRUIT VALE

Mrs. Bradbury and Miss Nellie Bradbury have been quite ill but are better again.

Ezra McCloughry of Philomath drove down the middle of the week to take his sister, Mrs. Voigt and children out but found them all so poorly they thought it best to postpone the trip, but expect to leave on the train some time this week.

Did you see the brand new Ford? Its a dandy, and if you didn't know who the owner was we will tell you—Andrew Nye.

School commences here next Monday morning, with Miss Verne Ross of Toledo at the helm.

Chet Paulson expects to leave some time this week for Corvallis to make arrangements for his entrance at the O. A. C. which commences September 19th.

Mrs. Isaac Hendrickson received a telegram telling of the death of her daughter-in-law, in an automobile accident. Mrs. Hendrickson will leave for Michigan immediately to be with her son in his bereavement.

## SOUTH BEACH

Mrs. Wilson and little daughter, Dorene and Fred Dozier, who have been visiting with J. W. Dozier, have returned to their home in Portland, leaving Thursday noon.

Mr. and Mrs. W. R. Lynn left South Beach Wednesday for Roseburg for a few days then will return to Portland. Mrs. E. R. Lynn went with them for a short outing.

## ONA

The entertainment and dance given last Saturday evening by Lincoln Grange was a decided success. The program consisted of the following numbers, all well rendered: Instrumental music, Miss Ellen Hassman; playette, "Hiring a Servant," Misses Ellen, Jennie and Freda Hassman, P. P. A large crowd was present and all expressed themselves as having had a delightful time. The receipts came to \$50.

Lincoln Grange held their regular meeting Sunday with a good attendance in spite of the fact that most of the members had been at the dance the previous night.

Mrs. Mamie Wolkan entertained a number of ladies Tuesday afternoon, those present were, Mrs. E. L. Wilson, Mrs. D. C. Gray, Mrs. H. H. Cook, Mrs. J. S. Ohmart, Mrs. Hattie Hill, Mrs. C. R. Covert, Mrs. Hattie Edwards, Misses Neta and Helen Phelps Evelyn and Vera Payne, Orpha Myers and Hope Wolkan.

**CUMMINGS-NEWTON**

Miss Dorothy Newton, daughter of Mrs. H. A. Newton, was married yesterday morning to Merle H. Cummings of Albany, the wedding taking place at the Congressional parsonage on College Hill. The immediate families were present to witness the ceremony performed by Rev. J. P. Clyde. Mr. and Mrs. Cummings left immediately on their wedding trip and are soon to be at home to their friends in Albany.—Corvallis Gazette-Times.

Miss Newton formerly lived here at Toledo, and is a niece of Mr. and Mrs. Jos. Swearingen.

## TOLEDO SCHOOLS OPEN MONDAY, SEPTEMBER 19

To the boy or girl looking for a high school education the Toledo High School offers exceptional advantages for the coming school year. Tuition is free to all living within the county, the corps of instructors is especially strong and the board will assist any boy or girl in finding a place to stay, should they desire to attend school and work for their board.

The school will be headed this year by Prof. S. B. Robertson, of Dawes, Iowa. Mr. Robertson, who is but 30 years of age, has been principal of the Dawes schools the past seven years. The Dawes schools employ 18 teachers. He will be assisted by Miss Mary Harrison, who has taught here the past two or three years and needs no introduction, she being an exceptionally fine teacher. Mrs. Louise Shaw, a graduate of Whitman College, with several years teaching experience in Eastern Oregon and Idaho, will also teach in the Toledo High School.

Prof. Victor Shaw, former school supervisor of the territory comprised by Jefferson, Deschutes and Crook counties, will be in charge of the grammar schools. Miss Ardelle Clark who taught here last year will have the fifth and sixth grades. Miss Clark has been attending Summer Normal at Logan, New Mexico, to better fit herself for her duties. Miss Eva Saunders, of Seattle, will have the third and fourth grades. Miss Saunders is a graduate of the Bellingham Normal Schools and has had several years teaching experience, coming here highly recommended. Mrs. Olga Bateman will have the first and second grades again this year. Mrs. Bateman's ability as a teacher is too well known to need enlarging upon, and we cannot but feel that we are indeed fortunate to be able to retain her services.

**C. B. McCLUSKEY RECEIVES APPOINTMENT**

G. B. McCluskey received notice the first of the week that he had been appointed bonus attorney for Lincoln county, by the World War Veterans' State Aid Commission. Mr. McCluskey is a veteran of the late war, having been stationed at Camp Pike, Arkansas, at the time the armistice was signed, where he was attending officers training school, and it is especially fitting that he should be honored by the foregoing appointment.

**700 STRONG TO SING**

Sunday afternoon, October 2nd, the Whitney Boys Chorus will give a big concert in the State Fair Grounds at Salem. The grandstand will be used for the Auditorium. In front of the grandstand will be erected a mammoth raised platform capable of holding the entire Chorus.

Last June 700 members of this Chorus gave a concert in the Portland Municipal Auditorium to a packed house. The Oregonian said it was one of "the most remarkable and thrilling concerts ever given in Portland."

The entire chorus will be present and render the best program this famous chorus has ever produced.

## FAIR IN FULL SWING

The eighth annual Lincoln County Fair started off yesterday under very favorable weather conditions and is now in full swing and everything points to a very successful fair.

The clown was very much in evidence and had a large following of small boys trailing around with him. The ferris wheel, merry-go-round, baby racks, shows, stands, etc, all lend to the carnival spirit that makes the old feel young and the young ones younger. The new dance pavilion has a fine floor and is one of the chief centers of attraction in the evening. The Newport band dispenses music on the grounds and an orchestra plays for the dances.

The exhibits cover a wide scope and are very good, all except the vegetable exhibit which is not nearly up to the usual standard. The showing of livestock is larger than usual, some fine animals being shown, which indicates that Lincoln County is gradually improving its dairy herds.

Today is billed as Newport and Siletz day with the following events on the program:

9 A. M.—Trap shoot.  
10 A. M.—Kids go clown hunting.  
10 A. M.—Judging of livestock begins.

**WOULD HELP SWELL OUR TAX RECEIPTS**

Assessor Ed. Stocker and Prosecuting Attorney G. B. McCluskey motored out to Salem Monday to meet with the members of the State Tax Commission and take up the matter of placing on the tax rolls of the county, the U. S. Spruce Production properties in this county, which have recently been sold under contract. These properties amount to about ten per cent of the assessed valuation of the county, and if they were paying taxes would help swell our tax receipts amazingly.

## ROBERTS BUILDING DOCK

Guy Roberts has a crew of men building a dock at his sawmill in the south part of town. The dock when completed will be 32 by 180 feet in size. It is a very substantial structure, nothing but the best Yellow Fir piling being used, with 12x12 caps, and 3 inch decking.

Mr. Roberts is an ardent believer in water transportation, and says "If the Port of Toledo would buy a lumber schooner and put it on the Toledo-San Francisco run, it would be the making of this place, enabling the mills now on the bay to run full capacity, and causing other mills to locate here."

Mr. Roberts will soon have his dock ready, and hopes to be able to make use of it in the near future.

**WAR FILMS WITNESSED BY LARGE AUDIENCE**

"Flashes of Action" official war films taken by the U. S. Signal Corps during the World War, were shown at the Ross Theatre Wednesday evening to a packed house. Many came from Siletz and other communities nearby to see these pictures as they were to be shown one night only at Toledo. It was through the efforts of the local post of the American Legion that the films were obtained, the Legion trying to awaken the public interest for the growth and encouragement of the organization. Alden Abbey Post has been growing steadily and is doing much for the ex-service men. The post is conducting the work in regard to the bonus and other claims that arise are taken in hand by the Legion. Many things not possible for an individual to do are made possible by a strong organization in which the members work together in the same interest.

The war relics of Frank Wade loaned to the Legion for exhibition in the show window of Arnold's and may be seen there this week while here attending the fair.

"Flashes of Action" were first shown in Waldport, the evening of the 5th and last evening at Newport.

**MARRIAGE IS A SURPRISE**

One of the greatest surprises that has been sprung on an unsuspecting younger set in Corvallis this morning was the news that drifted about this morning when George Spence met his friends on the street with a box of flaura d'Manillo and handed them out with the utmost unconcern and the statement "Boys, I'm a married man and don't want to be tempted."

The bride was Miss Gene Jensen, formerly of Albany but for the past half a year chief potentate at the Lily fountain where she has made a host of friends. The wedding was performed at Toledo, Monday afternoon and for a few days the young couple visited at the home of the groom's sister, Mrs. John Peterson. They arrived home yesterday but George says he'll be dog-goned if he knows for sure where they're going to live.

Mr. Spence is a former employee of the Gem, having been there for more than a year. The many friends of the young couple wish them the best of good fortune for the rest of their lives.—Benton County Courier.
