

You'll enjoy the sport of rolling 'em with P. A.!

FIRST thing you do next - go get some makin's papers and some Prince Albert tobacco and puff away on a home made cigarette that will hit on all your smoke cylinders!

No use sitting-by and saying maybe you'll cash this hunch tomorrow. Do it while the going's good, for man-o-man, you can't figure out what you're passing by! Such flavor, such coolness, such more-ish-ness - well, the only way to get the words emphatic enough is to go to it and know yourself!

And, besides Prince Albert's delightful flavor, there's its freedom from bite and parch which is cut out by our exclusive patented process! Certainly - you smoke P. A. from sun up till you slip between the sheets without a comeback.

Prince Albert is the tobacco that revolutionized pipe smoking. If you never could smoke a pipe - forget it! You can - AND YOU WILL - if you use Prince Albert for packing! It's a smoke revelation in a jimmy pipe or a cigaret!

Prince Albert is sold in tippy red bags, tidy red tins, handsome pound and half-pound tin humiders and in the pound crystal glass humider with sponge maulster top.

A PAID CHECK IS THE BEST RECEIPT You often pay bills to parties whose integrity you would not question by asking for a receipt. If through unintentional error, you should not be given proper credit for money paid and should be presented for the same bill the second time, you would not have any proof of having paid unless you had received a regular receipt. But if you had paid with a check you would have received a receipt without asking for it, embarrassing no one. This is only one of the conveniences of keeping your money on deposit, and paying it out by check. Our facilities for handling these accounts are the best and they are at your disposal.
