BRIEF DIBEST OF MOTOR VEHICLE ACT

Providing for the supervision and regulation of the transportation of persons and property for compensation over any public highway by motor vehicles.

The new automotive legislation is interpreted as affecting all corporations, person or companies owning, controlling, operating or managing any motor vehicle used in the business of transportation of persons or property for compensation over the public highways of the state, exception being made to such vehicles as operate exclusively within the limits of an incorporated city or town.

The Public Service Commission, in its administration of the act, is authorized to supervise and regulate such features as rates, services and facilities from the standpoint of their reasonableness, safety and adequacy and to exercise jurisdiction in such matters affecting the relationship of such companies with the passenger and shipping public.

All companies or individuals subject to the act and engaged in the operation of this class of public transportation must first obtain from the Commission a certificate or permit setting forth the terms and conditions covering such operations, also to file a surety bond or liability insurance and good faith understanding. The maximum license fee is fixed at ten (10) dollars per vehicle.

The necessary application blanks, including a request for pertinent data, accompanied by copies of the law, are furnished by the Public Service Commission promptly upon request. The County Clerks and County Judges of the various counties have been supplied with copies of the new law for the information of the general public. The Commission requests the cooperation of the automotive industry and the general public in the introduction of and compliance with the new law in matter and spirit.

Wilkins of this city, who for a number of years was engaged in similar work in Louisiana and other southern states, has been appointed as Mr. Calkins' successor.—Oregonian.

FORMING COUNCIL HERE

Deputy Dist. Manager H. W. Smith of the Security Benefit Ass'n. is in the City in the interests of his society. He hails here from Newport where he has recently installed a live council of the order.

Mr. Smith sees nothing but the brightest of prospects for Toledo and Lincoln County for the coming year and feels that the large number of families, that will make this their homes, needing the attractive protection offered by his society, Toledo should soon have one of the best Councils in the state.

To this end the Deputy and State manager L. M. Thomas of Portland will devote several weeks to the work of building up a good strong local Council.

The charter will be open for 30 days during which time all initiation fees will be cancelled. As soon as a good class is ready it is planned that one of the crack degree teams of the state will be present to institute the charter and install new officers.

"MY FATHER"

When "Tennessee's Partner," one of the great Bret Harte's most brilliant stories, was filmed in the insane asylum at Ogdensburg, N. Y., a patient shrieked "My Father! My Father!" It was Bret Harte's daughter, Mrs. Jessamy Bret Harte Steele, who disappeared years ago. Friends of the great American author are moving to take care of his daughter, who was sent to the institution from New York, many years ago.
