The President of the Ford Motor Co. Mr. Edsel B. Ford, says:—

"We are taking advantage of every known economy in the manufacture of our products in order that we may give them to the public at the lowest possible price, and by so doing we feel that we are doing the one big thing which will help this country into more prosperous times. People are interested in prices, and are buying when prices are right."

The enormous demand for Fords proves that Mr. Ford is right.
