The community Club met in the High School room of the public school days, in our neighborhood. building Saturday evening, Charles Larsen president of the Club being absent the vice preseident W. S. Hall presided and called the meeting to order. The first thing on the program was the election of officers for the ensueing year. Rev. C. W. Pogue was chosen vice president; Linda Kimble was chosen secretary; Helen Ojala was chosen treasurer, and E. E. Colvin receiving a majority of the votes was elected seargent at arms. The executive committee will be appointed later by the president. After the election the following program was rendered:

Song-By the School; Reading-Of Treat; The new presiden' was called on, and made a short address; Vocal Solo-Otto Tangerman; Recitation-Miss Vivian Larsen; The Highland Fling-Miss Grotchen, Huey and Miss Irene Neimi. This dance is very difficult to preform but I must say these girls danced it to prefection and did themselves honor and received a rousing applouse from the house. Making the most of your Opportunites-Elwood Towner: Interestin Remarks-Prof. Deeg. Reading-The Club. "Rapps"-Miss Margaret Miller; Address-Rev. C. E. Pogue; Song-The School.

A live community club is a great education. It helps the school as well as the community.

Major Shepard and his stenographer Miss Workman have just returned from the Warm Spring Agency where they have been at work on the heirship and inheritance of the Indians of that Agency. They both complained very much of the horrible condition of the roads getting into the Warm Spring Agency. The road was something like the road between Siletz and Toledo before it was rocked.

The cold spell of weather continues and it is hard on the grass and stock. The people that have plenty of feed for their stock and plenty of grub in their larder for themselves have but little sickness.

Portland is not faring so well. She has 5,000 or 6,000 idle men to take care of and many of them are on the charity of the city.

The revival meetings are still going on and much good is being accomplished among the young folks. Mr. Pogue is a good preacher and well liked.
