

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

POETS' CORNER

Dear Folks: I'm writing you this letter To let you know I'm feeling better. Some joy-killers said I'd starve before Spring.

But believe me folks, it's no such thing. I've gate-leg tables, chairs, a bed, Book cases, reading tables, booked ahead.

And it's all because my prices are right;

I tell you folks, the world looks bright. Well, as I've lots of work to do, I'll close now, hoping to hear from you. I'm in the shop from eight to five. Drop in any time, I'm still alive.
