NUMBER 9

SILETZ

The Easter Sunday services were of unusual interest. The Sunday school attendance was over 100. The audience filled the house to capacity. The 11 o'clock sermon was preached by Rev. C. W. Pogue, pastor, and interpreted in Jargon by John Williams instead of Archie Johnson. Mr. Williams has good use of the Jargon and made it very plain to the old Indian people. He also made it plain that no "moonshine" or wicked person could get to heaven without forgiveness. At noon a splendid basket dinner was served in cafeteria style to everybody. At 2 o'clock p. m. Rev. John Adams explained in Jargon the birth, crucifixion and resurrection of Christ. This was also made very plain to the old people.

A quartette composed of Mr. and Mrs. Charles Larsen, Arthur Benschel, and Jess Daniels. A song in Jargon by Mrs. Mauric Andersen. As this song referred to the future state or existence the Indian people were very quiet and attentive while it was being rendered. Mrs. Andersen knows the Jargon language so well that the expression and sentiment were brought out so fully that it was no wonder the Indians looked sad when they thought of their friends over there beside the beautiful River of Life.

Duet by the Hoffman sisters was rendered in a beautiful manner. These girls have won the hearts of the people of Siletz with their beautiful voices.

Song—by class of young girls. Solo—Vivian Larsen. This concluded the program for the day. A large audience was in attendance.

Saturday evening some twenty or thirty of the friends of Major Shepard met in the Grange hall for the purpose of giving him a farewell party. Mrs. Chas. Larsen acted as mistress of ceremonies. It was a real surprise to the major. He did not know anything of the kind was going on. Games, plays and promenades were indulged in until a late hour. Fruit juice and cake were served. During the past four or five years the major has been in the Indian service adjusting inheritance and heirs' claims. He had visited Siletz several times and became well acquainted with the people. After a short address by Dr. Carter, Major Shepard spoke of the friendship he had formed for the Siletz people, of the kind and courteous treatment he had received while among them, of the vastness and grandeur of the west and of the generous hospitality of its people. Mr. Shepard has been promoted to the trial attorney of the Federal Trade Commission at Washington, D. C. He left Monday morning to assume the duties of his new position, at a much larger salary.

Miss Edith McWorkman, stenographer, goes to Klamath Agency where she has accepted a position. The Community club has secured Prof. J. B. Horner of the O. A. C. to lecture and show his slides on lands where there are no law schools or churches. The entertainment will be in the government school house Friday evening, April 21, commencing at 8 o'clock p. m. All are invited to attend this lecture.

H. N. Camp, traveling auditor U. S. Indian service, was here for two days inspecting the books and affairs of this office and found everything O. K. He also left Monday with Major Shepard on his official tour of inspection.

Considerable athletic equipment has been purchased lately and if the weather ever clears up there will be "some" ball playing. School will be closed three days next week. The teacher has to go to annual institute at Toledo.

MILLPORT

The Highway Commission has seemingly located the end of the Tillamook-Siletz Highway on Elmore's Bluff about one mile west of Millport. We hope this is a bluff as a thorough tourist cannot get to Toledo or Newport unless this road is connected

with the present county road. Mr. Altree is expected down to build the new bridge over Schooner creek.

The usual routine was followed, dinner, program and business meeting.

Too much credit cannot be given Mrs. V. D. Graves for the sumptuous repast which was spread for the satiating of the hungry mouths of those present. Full justice was done to the tempting viands. There is no doubt about that.

The program, too, was very good; songs by the school children; also a trio by Mrs. J. L. Thomas, Mrs. J. W. Rogers and Mrs. A. McFitchie; recitation by Mrs. V. D. Graves; talk by Mrs. F. Rontvedt; violin solo by Mr. S. Rontvedt; and the club was favored by two violin solos by Mrs. Morley.

Business meeting mainly discussed the county fair. It was decided that the Depoe would be well represented in exhibits this fall and a large number of the members were appointed to look after the various exhibits which range from potatoes to curlicues.

STATEMENT BY R. R. GWYNN

Toledo, Oregon.

To the voters of Lincoln county: I have concluded to become a candidate for the office of sheriff at the Primary election on the 19th day of May, 1922. As I will not be able personally to see every one in the short time permitted, I wish to make this public statement relative to my claims for your support.

I believe that from the conditions in this county, as well as elsewhere, the chief issue in the campaign will be law enforcement, especially of the prohibition laws of the state. I believe that my record as a resident of the county, as road supervisor for 3 years, and as a constable for a like period, justifies me in saying that if I am elected the criminal laws will be strictly enforced, and that all power at my command will be used for that purpose, and particularly the liquor laws. I consider that there is no other issue before the people which as deeply concerns the moral welfare of the people.

I have had considerable experience as an officer, and such experiences will be a guarantee that no violator of the law will escape because of my neglect or indifference. I owe no obligation to the liquor interests, or to the secret violators of the liquor laws, and pledge my best efforts during my term of office, if elected, to the people who believe in a good moral community and a quite law-abiding people. If I do not succeed in that end, I will be willing to lay down the office in favor of some one more interested in law observance. I believe the time has come for a change and a clean up in Lincoln county, and pledge my best efforts in bringing it about. Your support will be appreciated for that purpose.
