The LANG "Alaska"

The Economical Kitchen Range

GUARANTEED to Keep Fire Twice as long as any other range on the market with one-half the wood.

The Lang "ALASKA" Kitchen Range is the most economical cook stove on the market. Occupying small space, it fits in exactly with the smaller kitchen. Constructed of Armaco polished Iron, with nickled plated trimmings, large oven and fire-box, the "ALASKA" meets every kitchen requirement. Although the "ALASKA" is a wood burning stove with an extra large fire box, coal can be burned by raising the grate. Hot water coils can easily and cheaply be installed.

A visit to our store will prove to you that the Lang will be your next stove. Write or call today.
