A LAST WORD

With this issue the Leader comes out under the management of Messrs. W. H. E. F. and G. W. Hall, they having purchased the plant, good-will, business, etc., and I bespeak for them the same liberal and friendly support that has been accorded myself during the past fifteen years that I have been connected with the Leader.

The Messrs. Hall come here from Buhl, Idaho, where they published the Buhl Republican. They are experienced newspapermen and will give to Toledo a bigger and better newspaper.

My tenure as editor of the Leader has been both pleasant and profitable and I take this means of thanking the people of Toledo and Lincoln County for their liberal support. I also wish to thank those who have acted as correspondents, in the different parts of the county, they having served the Leader faithfully thru thick and thin.

Yours very truly, F. N. HAYDEN.

LEADER UNDER NEW MANAGEMENT

We wish to announce that we have taken over the management of the Lincoln County Leader and will hope

to merit the esteem and patronage of the people of this community. From our observations the outgoing publisher, Mr. F. N. Hayden, has the good will of all and we hope to continue in this spirit.

We have not come to Toledo to teach the people new ideas, but will endeavor to learn from their knowledge and experiences and, if possible, profit thereby. Our politics is Republican, but our main object will be to give to Lincoln county and Toledo a real publicity medium that will be a credit to the community. Politics should not enter into the development of any municipality that is fit to prosper and develop. Let's thresh out our factional differences in a friendly manner and let the will of the majority have the united support of all.

A newspaper to be a newspaper must be the mouthpiece of the community in which it is published. In order to accomplish this feat it should have the cooperation and support of the people. We will welcome at any time any criticism you may have to offer and will also appreciate a word of praise now and then if you see fit to give it.

It will be some little time before we will be able to put out the class of newspaper that Toledo is entitled to due to lack of equipment and not being acquainted with conditions as they exist.

Please accept this as an invitation to call at the office and get acquainted.

W. H. HALL, E. F. HALL, G. W. HALL.

Mr. Rickman, of Newport has ten acres of logan berries and he is busy putting the field in good shape. Mr. Rickman says, Sletiz is the home of the loganberry as well as other small fruits. Mr. Rickman is an expert in berry culture and it is fortunate for Sletiz that he has engaged in the business here as he has in Marion county.

STATEMENT BY R. R. GWYNN

Toledo, Oregon. To the voters of Lincoln county: I have concluded to become a candidate for the office of sheriff at the Primary election on the 19th day of May, 1922. As I will not be able personally to see every one in the short time permitted, I wish to make this public statement relative to my claims for your support.

I believe that from the conditions in this county, as well as elsewhere the chief issue in the campaign will be law enforcement, especially of the prohibition laws of the state. I believe that my record as a resident of the county, as road supervisor for 3 years, and as a constable for a like period, justifies me in saying that if I am elected, the criminal laws will be strictly enforced, and that all power at my command will be used for that purpose, and particularly the liquor laws. I consider that there is no other issue before the people which as deeply concerns the moral welfare of the people.

I have had considerable experience as an officer, and such experience will be a guarantee that no violator of the law will escape because of my neglect or indifference. I owe no obligation to the liquor interests, or to the secret violators of the liquor laws, and pledge my best efforts during my term of office, if elected, to the people who believe in a good moral community and a quiet law-abiding people. If I do not succeed in that end, I will be willing to lay down the office in favor of some one more interested in law observance.

I believe the time has come for a change and a clean up in Lincoln county, and pledge my best efforts in bringing it about. Your support will be appreciated for that purpose.

R. R. GWYNN. 11-21

NOTICE FOR SEALED BIDS

Bids will be received by School District No. 2 up to and including the 12th day of May, 1922, for the following labor to be performed and materials to be furnished:

(a) To complete the upper floor of the high school building in accordance with plans and specifications on file in the office of clerk, which may be seen at the office of G. B. McCluskey.

(b) To furnish paint for the painting of the school buildings, together with stain for roofs, price to be submitted per gallon for paint and stain, specifying name and grade of paint.

Bids on carpenter work to be accompanied by certified check covering ten per cent of the amount of proposal.

L. M. STARR, Clerk.

It Costs You More to rot buildings than it does to let paint save them

CHECK the costs. Compare the prices of lumber and paint. They will show you how extravagant it is to allow buildings to depreciate for lack of paint.

And buildings do depreciate rapidly unless they are painted when they need to be. Paint saves the lumber. It protects your investment.

To enjoy the biggest saving in painting, use the best paint. It spreads more easily—saves labor cost. It covers more surface per gallon than "cheap" paint.

It serves five or more years longer than "cheap" paint. The best paint is most economical because it is scientific in formula and preparation. We have been making best paints for 75 years.

They contain the finest materials. Our white lead, for instance, is PIONEER WHITE LEAD. It is super-purified and ground so fine that it will pass through a silk screen with 30,000 meshes to the square inch.

So with the other materials—pure linseed oil, pure zinc and pure colors—all of the finest quality, combined in Fuller's Paint in scientifically exact proportions with long-time skill.
