SENIOR PLAY TO BE GIVEN FRIDAY NIGHT

The Story From the Pen of Booth Tarkington, "Clarence," to Be Presented by Students at School Gym.

"Clarence," Booth Tarkington's latest comedy-drama has been chosen as the class play for the Seniors of the Toledo High School this year and will be presented to the public at the Grade school gym on Friday evening, June 2. Much time is being devoted to rehearsals and there is little doubt but that the efforts of both pupils and their instructors will be rewarded by a packed house on the evening of the play.

The plot deals with a returned soldier (returned from Texas). He has been wounded, and is in a sagging condition. He braves it upon the intimate family troubles of the aristocratic Wheelers and, in consequence is given a position as private secretary. He falls—but why tell any more—be there Friday, June 2, at 8 o'clock—and learn the rest.

The commencement address will be delivered at the gym on Thursday evening, June 8. The baccalaureate sermon will be preached by Rev. Pogue of Siletz at the local M. E. church on Sunday evening, June 4.

Commencement Address Given at Siletz School

Supt. S. S. Duncan Delivers Splendid Address, Subject "What Next?", to Students and Parents.

"What Next?" was the subject of the commencement address at the Siletz school house last Friday evening delivered by S. S. Duncan of McMinnville, Ore., county school superintendent of Yamhill county, before a large audience of students and parents.

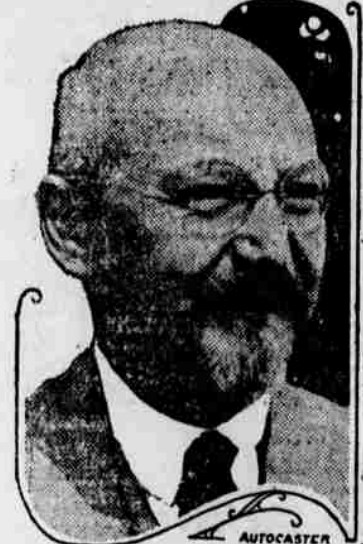

"No matter what a man's goal might be," stated Dr. Duncan, "when that goal is reached the question 'what next' enters his mind and he sets another goal to a still higher station and bends his energies to attain it—this is merely human nature for the person who is blessed with ambition.

"Graduation from high school is the goal set by all students upon entering that institution, but so soon as that is attained the 'what next' question is always present and the student either makes preparation for a college term or some other activity in life. This is also true of the parents. When they set a goal for their children and that goal is attained they are seeking another for their offspring.

"The 'what next?' spirit should also be in the minds of the school board in keeping our school system up to the minute in efficiency."

Dr. Duncan made an eloquent plea for the raising of teachers salaries in order that efficient instructors might be employed for the teaching of the children. He stated that a poor teacher might be the cause of wrecking the future of her pupils. The foundation of education is in the lower grades and unless that foundation is what it ought to be the student is likely doomed to failure.

GERMAN AMBASSADOR REACHES OUR SHORES

His Excellency Dr. Otto Weidfeldt, the new German Ambassador to the United States, said, "I am glad to be able to live in your most interesting country," when he landed in New York on his way to Washington.

Toledo Defeats Waldport Here In Game Sunday

Coleman, Pitching for Waldport, Strikes Out 16 Toledo Batters but Is Wild and Gets Poor Support.

Toledo Team Makes Many Errors but Hall Keeps Hits Well Scattered Preventing Large Score by Opponents.

The Toledo baseball team romped on the team representing Waldport at the local fair grounds diamond Sunday afternoon by the score of 9 to 4, before a crowd of approximately 150 fans.

Although the game was somewhat loosely played, nevertheless the fans got their money's worth and were well satisfied with the results. Coleman, the big tall boy, heaving the twisters for the Waldporters, seemed to have everything on the apple and caused 16 of the husky local lads to retire after taking three swings at the breeze. However, the big fellow, lost considerable of his "strike-out" glory due to his wildness. He walked six men and hit two.

Hall, though not having the strike-out record of Coleman, pitched a much steadier and more consistent game than his opponent, keeping the hits well scattered at all times and only in three innings were the Waldport players able to reach second base.

The locals jumped into the lead in the first inning putting two runners across the rubber, Service getting on when Starr mused up his grounder, Van Decovering duplicated Service's stunt, Hammond got hit by a pitched ball and Service and Van Decovering scored when Tromletz swatted for a long single, the first hit of the day.

In the first and second innings Toledo by striking out six men. Three hits, an error and a walk enabled Toledo to put four more across in the third. Toledo did not score again until the sixth when they put three more over by three safe hits and two walks. It looked like another score in the eighth when Weeks slammed out the only two-bagger of the day. He went to third on a wild throw, but was caught leading off too far from that sack when the batter failed to bunt on a signal.

Waldport started good when Reilly, the first man up, hit a clean single. Hall, however, caught him napping.

LOCAL MAN AUTHOR OF SATURDAY POST STORY

This week's issue of the Saturday Evening Post contains a story "When Finn Meets Finigan," written by Victor Shawe of Toledo. The story is a romance of a logging camp on the Yaquina Bay and is illustrated by Tony Sarg.

Mr. Shawe is a resident of Toledo and is principal of the grade schools here.

HARRY SWAYZE RETURNS TO MAKE HOME HERE

Harry Swayze, who has been making his home with his family in Albany for the past few years, returned "bag and baggage" on the Wednesday evening train and stated that he was going to make his permanent home in Toledo. "Toledo is the best little town in the west," he stated, "and we are here for good this time." Mr. and Mrs. Swayze will make their home on a farm near here.

DEMOCRATIC POLITICIANS WITH GOMPERS AS LEADER ATTACKS G. O. P. CONGRESS

Attempt Being Made to Tie American Federation of Labor to Cart Wheels of Democratic Party Is Claimed; Denounce Republican Party but Fail to Furnish Bill of Particulars.

(Special Correspondence)
WASHINGTON, May 29. The American Federation of Labor's executive headquarters have issued an attack upon the Republican party and the present Republican Congress. The attack is addressed to all labor organizations and the so-called "Non-Partisan Political Campaign Committees" of the American Federation of Labor.

The attack makes many accusations and charges. It states that the primaries and elections this year will determine whether "the miracle which has characterized the present Congress will be permitted to continue." It asserts that "all hope of remedial legislation of a real constructive nature by the present Congress was lost months ago." It makes the assertion that "profiteers" and "reactionaries" hostile to labor unions have control of the present Congress.

In all fairness it should be stated that the so-called "Non-Partisan Political Campaign Committees" of the American Federation of Labor are a fake. With few exceptions those who are trying to make the American Federation of Labor a political organization rather than a labor organization are Democrats and have always been Democrats. The exceptions are those few who are socialists. Samuel Gompers, who heads the movement in a fight upon the Republican party, has been a Democrat ever since he came to this country and foreswore allegiance to the British crown. Mr. Gompers' associates are Democrats or socialists. His right hand man, confidential adviser and publicity agent was for a long time editor of the New York Call, the leading socialist paper in the United States.

Mr. Gompers has started a so-called non-partisan campaign every campaign year for years for the purpose of deceiving Republican labor union members. His efforts in this direction were more successful several years ago when it was new than they are now. Labor union members, as well as laboring men outside of unions, have come to realize that when Mr. Gompers and his so-called non-partisan committees speak, they speak not as leaders of the labor movement but as Democratic politicians whose chief interest is in electing a Democratic administration in order that they may fill public offices with their relatives and friends.

It is significant that in bringing indictments against this Congress the Democratic politicians who control the executive councils of the American Federation of Labor draw no bill of particulars indicating why the Congress should be characterized as an enemy of the labor movement.

The accusation that it is controlled by enemies of organized labor sounds rather strange in view of the fact that

Siletz People Celebrate at Field-Day Meet

Wednesday Was Red Letter Day for People of That Section; Basket Dinner, Sports; H. S. Play, Baccalaureate Sermon; Bridge Started.

(By Dr. F. M. Carter)
It was a red letter day at Siletz Wednesday when it was field day for the school. The day was fine and balmy, the fragrance of the flowers, the aroma of the forest, and the breathing of the elixir of life that comes from the air and the sparkling waters made it a day long to be remembered. A big crowd was present, including about 125 school children and the community at large. Siletz don't

INDIANS WILL COME WITH BLOOD IN EYES

The Siletz Indians will be here next Sunday to cross bats with the local nine at the fair grounds, and if possible get revenge for the beating the locals gave them in the first game of the season held there some time ago. The Indians, according to reports, have strengthened their line-up considerably and will be a much harder team to beat than at the first game.

Bunny Service has resigned as captain of the locals and the players will name a man in his place on the grounds tonight. Service is employed on work that will keep him out of town the greater part of the time and this is the reason for his resignation. He will continue to play on the team, however. The game next Sunday will be called at 2 p. m.

FARM BUREAU URGES COOPERATION TO KEEP ROADS IN CONDITION

C. S. Ohmart Urges People to Take Hand in Helping to Solve Problems of Keeping Roads Open.

You probably read in the last issue of the Leader, that the Farm Bureau is trying to work out a good road program for the next few years. You probably wonder what our program is.

Work of this kind cannot be laid out definitely for any great length of time but must be worked out as the different problems arise.

The Farm Bureau stands for cooperation so naturally our work on roads means cooperation on road work.

The County Court handles all road money and road work. It seems to me the first place to start is cooperation with the County Court. Now this year instead of staying at home and finding fault with the Court—why not ever taxpayer in the county try to meet with the County Court as often as possible and find out for himself some of the difficulties they are up against. We would all be wiser and less anxious to find fault at the end of the year. Why not use as our slogan "Fix one mud hole a year."

I believe I am safe in saying that every community has one especially bad piece of road. Let's fix that piece in 1922. I do not mean to send a delegation to the County Court and ask them to fix it, but set a day and try to get the whole community on the job. If one day will not fix it, set one day a month until it is fixed. It will surprise you how good you will feel when it is done.

Now you people that are interested in better roads do not wait to get a personal request about the matter, but write us a letter and let us know what particular road problem you have and how best we can cooperate with you. We want to hear from every one in the county.

Don't wait for your neighbor to do this—but do it yourself.

Address your letters to the secretary of the Farm Bureau, Toledo, Oregon, or to C. S. Ohmart, Toledo, Star Route, C. S. OHMART.

Jersey Club Will Build New Barn At Fair Grounds

Committee Appointed to Manage Affair at Meeting Held Saturday; June 24 Is Set as Day to Hold Annual Picnic.

The Lincoln County Jersey Cattle Club met at Toledo last Saturday and after taking a census of the cattle they would have on display this fall decided that it would be necessary to build an additional barn on the Fair Grounds if all the livestock exhibits were to be properly housed. A committee consisting of L. A. Hulbert, Ray Jenkins and H. R. Hartley were appointed to manage the affair.

June 24th the date selected for the first annual Lincoln Co. Picnic the same to be held on the farm of L. A. Hulbert, special invitations are being sent to O. M. Plummer of the Pacific International, Dr. Lytle State Veterinarian and Prof. E. B. Fitts of O. A. C. to be present as special speakers for the occasion. It is expected to make the picnic educational as well as a day full of fun.

Arrangements were also made to celebrate Jersey week which is set out as June 5 to 10.

The members of the club expects much satisfaction in the accomplishment of the organization of the Lincoln County Jersey Cattle Club. Under this project 20 boys and girls have been provided with registered Jersey calves. The Lincoln County Club is one of the first 33 in the United States to qualify with 20 regularly enrolled members and thus be entitled to \$75 prize money which is given by the American Jersey Cattle Club and to be awarded to the club members under the direction of the Lincoln Co. Cattle Club at the regular county fair.

MIKE RODDY DIES OF HEART FAILURE

Mike Roddy, janitor of the grade school building was found dead last Monday afternoon near the school building by pupils while playing. Mr. Roddy had evidently been about his work and was stricken suddenly. Mr. Roddy's wife passed away about two years ago, and his nearest relative is a brother-in-law, Mr. Dally, of Philomath, who was present at the funeral Wednesday afternoon. Interment was made in the local cemetery.

MEMORIAL DAY PASSES QUIETLY IN TOLEDO

The decoration of graves in the local cemetery was the only activity towards celebration of Memorial Day in Toledo. Flowers were much in evidence as the people made their way to the grave yard to place remembrances on the graves of their departed loved ones.

NATIONAL GUARD HONORS HEROES DECORATION DAY

Local Company and Newport Company Visit Siletz and Hold Services Over Graves of Washington Brothers.

The 486th coast artillery corps, consisting of the Toledo company and also the company from Newport under the command of Captain Price and Lieut. Johnston, celebrated Decoration day by holding military services over the graves of the Washington brothers, two world war heroes who lost their lives in action in France, sons of Mr. and Mrs. Ike Washington of Siletz.

Following the services at the graves the national guard men were treated to an excellent dinner at the Grant King hotel by the citizens of Siletz.

Chamber Commerce Meeting Postponed Account H. S. Play

Notices Sent Out That Meeting Would Be Held on Friday Night; Will Be Held on Tuesday, June 6.

Notices have sent out by mail announcing a meeting of the Chamber of Commerce for Friday night, June 2. The meeting, however, has been postponed, according to Secretary P. Frederick, due to the fact that the High School Senior Play comes on Friday night and the Chamber of Commerce officials do not wish to hamper the success of the play by holding a meeting on the same evening.

The meeting has been postponed to Tuesday Evening, June 6. According to Mr. Frederick this meeting will be of special interest to all people of the community and a special invitation is extended to all to be present. The program will be of a forum nature, many speakers being on the program. The meeting will be called at 8 p. m.

GOV. OLCOTT OUSTS GATES AS MEMBER OF STATE FAIR BOARD

Salem, May 30—Governor Olcott yesterday ousted from membership on the state board of fair directors C. E. Gates of Medford. The reason is given by the governor in a brief note is "for the good of the service."

It is presumed that the governor's action in removing Gates from membership on the state fair board, to which he was appointed by Olcott less than a year ago, is because of Gates' apparent activity with the Ku Klux Klan, an organization which was acrimoniously attacked by the governor a week before the primary election of May 19 and which worked against him and in behalf of Charles Hall or Marshfield.

Gates was appointed on the board to succeed E. V. Carter of Grants Pass. There have also been intimations that he might become an independent candidate for governor for the general election of next November.

"This is to advise you that you are removed as a member of the state board of fair directors, such removal to become effective June 1, 1922," says the governor's note to Gates. "This action is taken under the provisions of section 4043, Oregon Laws, for the good of the service."—Albany Herald.

Wrestling Match Here Saturday at Fair Building

Curtis Chambers, the fast welter-weight champion of Lincoln county, is to meet a real man at the Fair building next Saturday night, if the dope is right, when he is to meet Chubby Patchin, undefeated, of the Oregon Agricultural College. Patchin is also claimed to be the greatest tumbler on the Pacific Coast.

Wrestling fans here are well acquainted with the abilities of Chambers, and know him to be a clean, sportsmanlike wrestler and if what is claimed for Patchin is true, the match should be a hummer.

The match will be best man win—two out of three falls. Many good preliminaries have been arranged for including two wrestling matches and a boxing bout. The show will be held in the fair building and will start at 8 bells, according to Promoter R. L. Hart.

CARD OF THANKS TO VOTERS OF COUNTY

To the Supporters of the Siletz Bridge Bond Issue:

We, as a body of co-operative thinking citizens of the Siletz Valley, wish to extend our heartfelt thanks for your most liberal support at the polls May 19 when you voted the necessary bonds to rebuild the bridges that washed out in this section last fall.

By the ballot you have shown the true spirit of life and let live, and returned us once more to a standard of prosperity which once blessed our homes, and healed that deep wound of our spirit. We thank you. CITIZENS OF SILETZ VALLEY. Loggers boots at Colvin's 15-1*
