Big Match Fair Bldg. Sat. Night

Jimmie Anderson of Omaha, "The Man With a Thousand Holds," Coming Here to Take on "Terrible Swede."

A mat match that will likely be the greatest ever held here is scheduled for Saturday night when Chas. Olson (The Terrible Swede) who wrestling fans of this section have seen in action against Chas. Miller, will meet Jimmie Anderson (Tom Ray) "The Man With a Thousand Holds," at the Fair Grounds building.

Anderson is given up to be one of the fastest men in the game today, and it is claimed by many that know him that he has no equal in his weight. He has met and defeated many heavier men. He wrestled Ralph Han to a draw in two hours. Han has beaten the Swede once. Anderson also wrestled Walter Miller, champion middle weight of the World and Ted Thye of Portland, getting one fall. Thye says that Anderson is fastest man in world, and there is no limit to the holds he fastens on to his opponents.

Swede Hard Man.

Chas. Olson, the Terrible Swede, has met the best of them, and never has been badly beaten. It must be admitted that he never exerted himself to the full amount of his power in his last match with Miller. He simply allowed Miller to work himself down and at the end of the match the Swede could have wrestled another hour at an even faster pace.

White rules will govern the match the contestants to wrestle twelve rounds. This form will force the wrestlers to put forth their best efforts at all times as a decision will be rendered at the end of the match even though a fall should not be taken.

Will Wrestle Fourth.

The winner of this match will be matched with Ted Thye or Al Barnes at Newport on July 4th, Anderson has been sent in here to beat the Swede, and it is very likely he will unless Olson can show much more speed than he did with Miller.

Thye, Portland wrestler, has promised to meet the winner of the match on the fourth and this fact will stir to wrestlers their utmost efforts to win. Several preliminaries have been arranged and, taking the card as a whole it should be a real evening of sport, one that is well worth the prices charged for admission.

JIMMIE ANDERSON (Tom Ray) of Omaha—Protege of Farmer Burns. The man with a Thousand Holds

there were two down, and a weak batter up. He failed in two attempts to steal home.

Umpire Bill Scott forgot his specks, but his judgments were plainly impartial, and were accepted in good spirit. It is rumored, tho, that both teams are taking up collections to alleviate the sufferings of his family in case Bill should expire the next game, which is scheduled for July 4th at Payne's place.

The Siletz and Waldport baseball teams met Sunday in the afternoon on the public school grounds and played one of the most interesting games of the season. The Redmen of Siletz literally scalped the Palefaces of Waldport. The score stood 5 to nothing in favor of the Siletz team. The lineup is as follows: Siletz, Evans, c.; Altstrum and Goodell, p.; Bensell, 1b.; Goodell and Altstrum, 2b.; Umatarat, ss.; Lane, 3b.; Strong, rf.; Logan, cf.; Goodell, lf.; Waldport—Ernest 1b.; Rieley, p.; Walker, 2b.; Durbin, 1b.; Gilnes, ss.; Hunter, c.; Spahr, cf.; Hendricks, lf.; Parson, rf. The Waldport boys spoke of the fine treatment they received at Siletz and of the splendid chicken dinner prepared for them at the hotel King. They spoke also of the generous hospitality received from everyone they met at Siletz and especially from the good-looking dining room girls that waited on them at the table.

FALL SOWN CROPS BEST

We are just now passing through a season where the superiority of the fall sown crops as compared to spring seeding is especially marked. Down on the tidal farm of W. R. Stokes at Yaquina fall sown oats and vetch is now shoulder high and still growing. The same crop spring sown hardly has the ground green. Out on the Jim Loomis farm, typical "hill land" where fall sown is maturing an excellent crop of winter oats. Similar land where spring sown will hardly pay for the seed. Lincoln County should do more fall seeding.
