TOLEDO, LINCOLN COUNTY, OREGON, THURSDAY, JUNE 29th, 1922.

NUMBER 19

NEWPORT HAS MODERN "NAT" OPEN FOR 4TH

Beach Resort Has Added Attraction in Large Plunge, Dance Pavilion and Beautiful Grill, Combined.

Newport Natatorium Corporation Constructs Building at Cost of \$30,000; Hot Sea Baths Provided.

The city of Newport now has an added asset to its many attractions for the pleasure seeker in the completion of the new natatorium that is now receiving the finishing touches for its opening on Monday, July 3. The structure was erected at a cost of \$30,000 and is one of the most modern "nats" in the entire northwest. The Newport Natatorium Corporation, composed of Newport and Toledo citizens, is responsible for the construction of this pleasure seekers' paradise.

The building proper is 65 feet wide and 132 feet long and is equipped with a beautiful plunge being 32 feet by 75 feet which will contain water at a depth of 3 feet at one end, sloping to a depth of 15 feet at the other. On either side of the plunge is 50 dressing rooms, equipped with shower baths, the ladies' dressing rooms on one side and the men's on the other—there is also hot sea baths provided.

Beautiful Grill Room. A beautiful grill room is now open for business in the rear of the main building, situated in such a manner that it overlooks Nye beach. This room is furnished entirely in white with beautiful potted plants and ferns as decorations. Mr. W. H. Evans, the proprietor has installed a thoroughly modern equipment for the preparing of the delicacies he will serve to the public. He will make a specialty of sea foods but will also conduct a regular restaurant business. Mr. Evans has had a great deal of experience in his business, having handled club and dining car service for years. He has

Chamber Donates \$50 to Construct Park for Tourists

P. Frederick Donates Use of Property in Run Bottom; Organization Postpones Meetings Until September.

The members of the Chamber of Commerce voted to donate up to \$50 if necessary to help finance the building of a tourist park for Toledo at its meeting Tuesday night. Peter Frederick volunteered to donate the use of his property in Run Bottom for use during the summer, and it is expected that the committee will immediately get busy and make a reality of the project. It is the intention of the committee to clear the grounds, erect a large cooking quarters and out-buildings. Water will be piped from a nearby spring for the use of the campers. It is expected that axes and fuel can be had through donations.

Rate Hearing at Newport. Secretary Frederick read a communication from the Interstate Commerce Commission in answer to a protest filed with that body against the proposed rate in rates by the Yaquina Electric Co. The protest asked the State commission to not allow the proposed rate until a public hearing could be had for protests from the consumers and the commission in its answer complied with the request, setting Friday, June 30, as the date of hearing. The hearing will be held at Newport, starting at 9:30 tomorrow, (Friday) morning and all who can possibly make arrangements to be present should be there. A delegation will leave here at 8:30 Friday morning.

Will Clean-Up Rubbish. The Chamber of Commerce also voted to donate \$10 to finance the cleaning up of the cans and rubbish about town that should have been

(Continued on Page Six.)

CANARY GRASS AND LADINO CLOVER GOOD CROPS FOR COUNTY

The Lincoln County farmers who attended the recent field days at O. A. C. Experiment station returned with the decision that Canary grass and Ladino Clover will be profitable crops for Lincoln County.

Canary grass is a perennial that grows abundantly in low wet land where most tame grasses grow out. It should be pastured late in the spring then a hay crop matured and considered a fall and winter pasture secured. Ladino Clover is similar to white clover but about twice as large. V. D. Graves, Toledo; Elmer Miller, Lower Siletz; and J. R. Payne of Ona, are making trials with the new clover this year.

JERSEY PICNIC BIG AFFAIR AT HULBERT FARM

Exhibit of Jerseys Shows Wonderful Animals Owned by Dairymen of This Section; Big Dinner Served.

Boys and Girls of Calf Club Show Wonderful Results in Caring for Own Stock; Prominent Men Present.

Fulfilling their promise in assuring all comers that they would have a good time at Annual Lincoln County Jersey picnic, the Jerseymen did themselves credit in making a big success of the affair. Animals from the purebred herds of L. A. Hulbert, H. R. Hartley, C. C. Christiansen, Charlie Miller, and B. W. Sperling, and from the Calf Club members make an exhibit which would be a credit to any livestock show. The value of the proper foundation animals and the use of good purebred sires in improving the quality of the offspring, were features shown. One very interesting four generation exhibit, beginning with the wonderful old cow Rosaline Eugenia, owned by Christiansen, this cow's daughter, Fox, owned by B. W. Sperling, a daughter of this cow Fox the Second, owned by Mr. Hulbert, and Fox the Second's calf, sired by Mr. J. W. Roger's bull, were shown and made a most interesting study.

Professor Flitt of O. A. C., gave a very interesting illustrated talk on breeding, illustrating the points by using the animals on display. Following his talk the Calf Club members were given a lesson in judging and then required to select a class of four calves. The alertness of the youngsters and their interest in the subject was wonderfully illustrated in the result of this judging contest. Better than three fourths of the youngsters placed the best calf first and a large proportion of them got first and second choices correctly placed. One youngster, Gerald Andersen, made a perfect score, placing the four calves in the same order as named later by Professor Flitt.

Miller Heifer Outstanding Individual. The young heifer owned by Charlie Miller and sired by Mr. Hulbert's herd bull, whom it will be remembered is the son of Golden Glow's Chief, a Gold Medal bull, was the object of much

GOATS PAYING AGAIN SAY CLINE BROTHERS

Cline Brothers of Eddyville who are two of Lincoln County's largest goat growers, sold their 1922 clip from 600 goats for approximately \$1100. When it is considered that this money was made principally out of brush and browse from the highest hill tops, it has a deep significance to Lincoln County—Just suppose we were annually converting all of each year's crop of hill land goat pasture into mohair. But there are some problems to be met before this can be realized—there is the predatory animal problem. There is a need for a winter feeding system to be developed in order that a given range will carry thru the winter the number of goats necessary to keep the feed down during the spring and summer. Nevertheless \$1100 from 600 goats is not so bad.

Newport Welcomes Grand Army 'Vets'

Old-Time Warriors, Gray and Stooped, Enjoy Seeing Old Pacific; Open-Air Speaking Brings Convention to End.

Newport, Or., June 28.—(Special)—About 600 Grand Army veterans arrived in Newport to attend their forty-first annual encampment. More than 100 arrived on the late train tonight. Many citizens with their autos met the veterans and took them to their hotels and homes where they had been assigned.

The business houses have decorated their places of business more elaborately than in many years.

The veterans, gray and stooped with age, were made to feel at home. Many of them expressed delight in being here where the air is fresh from the ocean breakers. The thermometer stood at 65 under a clear sky and warm sunshine. Some of the younger veterans were as happy as in their boyhood days and expressed themselves as not being at all wearied by the trip. Many of them had never seen the ocean and seemed eager for the first view of the Pacific.

An elaborate program prepared for the benefit of the "Boys of '61" was carried to completion without a hitch and came to an end Wednesday evening in the city park where an open-air program was rendered. Many speakers were on the program for the evening.

Lieutenant Patterson of Toledo was one of the speakers while Judge James of Toledo presided as chairman.

Little Girl Shot Accidentally By Brother Tuesday

Bullet Passes Clear Through Lung; Brought to Toledo for Medical Treatment. May Recover.

Ellie Brown, 8-year-old daughter of Mr. and Mrs. Joshey Brown of Siletz, was accidentally shot by her 6-year-old brother Tuesday afternoon while the children were playing with a 22-calibre rifle at the family home. The bullet entered the little girl's left side, passing through the lung and came out on the right side. Dr. Carter, who was attending the G. A. R. convention at Newport was immediately summoned. After making an examination the doctor advised that the little girl be taken to a hospital where expert care could be given. She was brought to Toledo by automobile Wednesday. Finding accommodations here at the home of Mrs. Alice Waugh, the little girl will remain here under the care of Doctors Carter and Burgess.

The wound is a serious one and may prove fatal but the doctors believe there is hope for her recovery. The Brown family are Indians.

CARL DAVIS WANTS SPIRIT OF HARMONY IN LINCOLN COUNTY

In a letter to the Leader, answering our request for the Fourth of July program to be given at Newport, we received the following letter from Mr. Carl S. Davis of that city. Mr. Davis' letter, though written in a very few words, is a gem in its entirety. We think it carries a splendid message that should be put into practice. The letter, in full, is as follows: Lincoln County Leader, Toledo, Ore.

I enclose herewith copy of our Fourth of July celebration program as per your request.

We sincerely appreciate your interest in our behalf and hope that it will be our pleasure to be able to reciprocate, especially in the matter of the county fair, which I anticipate you will hold this coming fall. I enclose County and make it one big family for the good of all.

Again thanking you for your courtesy, I am

Very sincerely yours,
CARL S. DAVIS,
Chairman celebration Committee,
Newport, Oregon.

PUBLIC DEBT \$700,000,000 LESS THAN IT WAS YEAR AGO

Washington, June 22. The public bonded indebtedness was reduced \$51,000,000 in the month of May, according to figures just issued by the Treasury department. The total public bonded indebtedness at present is \$23,138,836,607. This is a reduction of a little over \$700,000,000 compared with what the indebtedness was at the beginning of the present administration.

Agricultural News To Be Made Feature

We Will Donate Entire Page in Second Issue of Each Month to Farmer News Feature; County Agent Cooter Will Co-Operate in This Enterprise; First Issue to Appear in July 13th Issue.

In keeping with our announced policy to publish all the news for all our readers, we have persuaded County Agent Cooter to add to the second issue of each month a special "Agricultural News Section." In this paper we hope to have presented the progress our farmers are making, a discussion of new projects, new methods and practices—in short the kind of news that will be enjoyed by the farmers and by the business and professional man as well. We want to help build up our dairy industry, our berry business, increase and encourage our small stock industry, get more farmers on the land, get more land cleared and reclaimed; and to do this we need to know what is going on in these lines. Anything that helps the farmer to make more money helps the business man, for his business is proportionately increased.

We believe this new department will be a good proposition all the way around. It should be a good thing for our subscribers, for the average subscriber takes the paper for the news it contains. We believe that if we can increase the news in our paper we can increase our circulation and if we can get more results for our advertisers. We are not running the Leader for charity and we don't want our advertisers to advertise for charity. We want it to be a paying proposition all the way around. Thus we offer this space for whatever subject matter your County Agent thinks will interest and benefit you. We hope it will please and profit you.

Foreword by the County Agent.
"Mr. Hall has suggested that I supply the Leader with news of agricul-

Lower Siletz Cheese Factory Going Full Blast

People of County Should Patronize Home Industry by Buying This Home Made 100 Per Cent Quality Product.

In spite of the fact that last November's flood drowned half the cattle on the Lower Siletz and washed away many barns and houses, it is impossible to stop the grass and white clover so firmly rooted in thirty feet of rich river silt; and the sturdy farmers of that territory could not resist the temptation, when the warm spring weather brought on this feed, of going out in search of more cows and better cows. Next they organized a cheese factory and are converting this fresh whole milk into a most excellent quality of full cream cheese. We can't resist the temptation to again advertise a little bit for this cooperative factory and thus we urge each of you good readers to demand of your merchant Lincoln County cheese. Let our slogan be, "Eat more Lincoln County cheese," for by so doing we will encourage this industry which has already made our sister county, Tillamook, famous. Cheese may be secured from Lower Siletz Cheese Factory, Rover Route, Siletz.

R. A. HULBERT OF ALBANY ATTENDS JERSEY PICNIC

R. A. Hulbert, of Albany, brother of L. A. Hulbert, local pure bred Jersey breeder, was a visitor here Saturday and Sunday. Mr. Hulbert came here for the purpose of attending the Jersey picnic held at the L. A. Hulbert ranch Saturday.

In commenting upon the picnic and this country as a dairy section Mr. Hulbert had the following to say:

"The picnic was a great success and the Jersey dairymen of this section are to be complemented on the fine specimens of stock they have in their possession. The exhibit at the picnic Saturday was better, in my estimation, than the entire exhibit shown at the Linn county fair last fall, which is saying a great deal. The boys and girls Jersey club which was recently formed is bound to show wonderful results in establishing foundations for new dairy herds in this county which will, without doubt, providing the same spirit prevails in the future that you have at the present time in making Lincoln county famous as the home of the Jersey."

CHEESE PAYS BEST

A. C. Crawford of Siletz is a loyal advocate of the cheese business and logically so, for he states that he is losing \$100 per month now in shipping cream as compared to the returns he would be getting were he selling his whole milk to the factory.

Business Houses Will Be Closed All Day July 4

Although No Celebration Will Be Held in This City Merchants Will Honor Day by Closing Doors.

Housewives of Toledo and others who are planning on doing any purchasing for the Fourth of July must make preparations to get their orders in previous to that time as business houses in Toledo will be closed all day Tuesday, July 4, according to the results of a petition passed among the business men by Mr. E. L. Scott, manager of the local Lincoln County Progressive Stores.

No celebration whatever is planned here for the Fourth and it is expected that the bulk of the people here will journey to Newport where a 2-day celebration is to be held.

The following stores signed the petition to close:

R. L. Hart; W. S. Colvin; H. H. Swayze, Home Restaurant; D. S. Conrad; E. E. Mocit; G. B. McCuskey; W. H. Waterbury; Lincoln County Bank; First Natl. Bank; Sheriff's Office; C. K. Croson; Liberty Theatre; Toledo Electric Co.; Dr. Hall, Dentist; Lincoln County Leader; Lincoln Co.'s Progressive Stores; The Bootery; R. S. Van Cleave; Sherwood & Hayden; Bateman Furniture Store; R. A. Arnold; Toledo Drug Store; Joseph M. Mahler; Barber P. O. Shop; A. M. Gildersleeve; B. M. Howe, Barber shop; S. R. Anderson, Peoples Market; Waugh & Meaker; Nifty Tailor; W. T. Ball, Barber Shop; H. E. Peterson; Geo. L. Lickie; G. L. Perkins; W. C. Burroff.

OPENING DANCE AT LEGION HALL NEXT SATURDAY EVENING

The members of Alden Abbey Post No. 54, American Legion, of Toledo announces that they will give the opening dance at their club house which is now in its new location, having been moved from across the bay to the fair grounds, on Saturday evening, July 1st.

The Legion hall as it now stands is much better than it ever was before and affords one of the best dancing pavilions in this section of the state. The floor is entirely new.

The music will start at 8:30 and you are invited to be present.

BUSINESS MEN ARE PAINTING BUILDINGS

Practically all of the business men of Toledo who have buildings opposite the depot are complying to the request that the buildings be painted in order to make a better showing to strangers coming into town. The buildings heretofore have had an unsightly appearance and the owners of the buildings were requested to paint up. All but the Wade, Andrews and Schenck properties have received their first coat and it is to be hoped that the owners mentioned will follow suit.

W. K. Stoddard has taken the contract for the painting and is rushing the work to completion.

The Southern Pacific has agreed to bring in a steam shovel and grade the high bank between the depot and the business houses.

Berry Industry a Profitable One Says Peterson

Local Man Highly Enthusiastic Over Possibilities of Lincoln County as to a Producer of Berries and Dairy Products.

Mr. D. L. Peterson who is one of Lincoln County's best boosters, especially when it comes to shorthorn cattle and berries, recently gave us a few figures which indicate the possibilities of the berry business in Lincoln County. Last spring Mr. Peterson set out 1400 strawberry plants of the Progressive Everbearing variety, and to date has sold \$100 worth of berries from this patch. He has just completed a log dam which will store sufficient water for irrigating these berries and you who are familiar with what the Everbearing strawberry will do in Lincoln County know that you can pick berries from these plants up until Christmas.

Berry Publicity Worth While. "The publicity we have been giving the berry business," says Mr. Peterson, "is proving worth while. A lot of growers have been asking recently when we are going to call another berry grower's meeting. There appears to be the keenest interest in this subject and very shortly we expect to call a big berry growers meeting, and work out a plan to extend the planting and to make arrangements for caring for the future crop with respect to preserving and marketing."

S. W. Scoville of Elk City reports he has sold over \$100 worth of strawberries in Elk City this spring.

LEGION POSTS ASK BUDDIES TO "LINE UP"

War Veterans Organizations to Make National Effort to Bring All Ex-Service Men Within Folds of Organization.

The preamble of the American Legion's constitution states that it is dedicated to God and Country. The Legion, during its career of only three years has demonstrated that it is the best insurance policy the Nation has.

Our post appeals to all eligible ex-service men in this community to join the Legion and to aid our fight for Americanism. The blue and gold button of the American Legion marks its wearer as one who has not thrown away his patriotism with the uniform. It means that he has not "passed the buck" to someone else to see that the sick and disabled buddies get justice and to fulfill all those things that he desired to result from the war.

Every man in the service hoped for better things after the war. More than two million doughboys, gobs and gynes realized that it was going to be a fight to bring to pass all the things that they dreamed of. The result of this prevailing sentiment was the formation of the American Legion.

Legion members are from every branch in the service, from those who were forced to remain at home to men who won the congressional medal at Chateau-Thierry and in the Argonne. It includes all ranks from private to general.

Our Legion post can be the most beneficial organization in this community. Its purposes are high; its ideals are unimpaired. It deserves your support and the membership of every veteran. Join Alden Abbey post of the American Legion and make it the best post in your State.

ED. STOCKER,
Commander Alden Abbey Post No. 54, American Legion.

Fourth of July Celebration to Be Held at Newport

Beach Resort to Entertain Home People and Visitors in Honor of American Independence; Two Days of Festivities.

Newport, Oregon's Playground, will be decked in gala attire for the scheduled two-day celebration of American Independence day, according to word received from Carl S. Davis, of that city, chairman of the program committee, in a letter received at the Leader office Wednesday. The celebration will last for two days, commencing Monday morning at 10 a. m., with a trap shoot at Abbey Dock and lasting until Tuesday night. The final climax will be a grand ball at the beautiful dancing pavilion in the newly constructed Natatorium at that place.

The program, according to Mr. Davis, in full, is as follows:

Monday, July 3.
Trap Shoot, Abbey Dock, 10 a. m., Management Mr. J. E. Cooter.
Coast Guard Drill, Yaquina Bay, 2 p. m.
Swimming Races, Natatorium, 4 p. m.
Indian Feather Dance, Nye Beach, 7:30 p. m.
Worlds Championship Wrestling match, Ted Thye of Portland, vs. Geo. Barnes, the Nebraska Whirlwind, at Rod and Gunn Club, at 8 p. m.
Dancing, New Natatorium Pavilion, Bi-Ho-De-Mar Orchestra.
Tuesday, July 4.
Parade 9 a. m., Third Coast Artillery—Captain Harry Price, Siletz in command, etc.
At Nye Beach 10:30 a. m.: 100 yard men's race; 100 yards Women's race; 100 yards Boys' race; 100 yards Girls' race; 3 legged race; Potato race; etc.—prizes.
Baseball 2 p. m.; Toledo vs. Siletz.
Indian Feather Dance, Abbey Dock, 5:30 p. m.
Indian Feather Dance, Natatorium, 7:30 p. m.
Fireworks, Yaquina Bay 9 p. m.
Dance New Natatorium Pavilion the remainder of the night.

ROSE CITY HAS NOTHING ON TOLEDO FOR ROSES

When it comes to growing roses there is a doubt in the minds of many good folks of Toledo whether Portland, the Rose City, has anything on us or not. Mrs. Peter Frederick displayed some of the productions of her flower garden in the windows of the First National and the Lincoln County banks here Tuesday and, according to those who had the pleasure of seeing the recent rose festival in the Oregon metropolis, there was nothing there to excite the beautiful specimens displayed by Mrs. Frederick.

The Chamber of Commerce rooms presented a beautiful appearance at the meeting Tuesday evening as a result of being decorated with the roses.
