SILETZ (By Dr. Carter)

The camp meeting that is going on at Siletz is progressing nicely. The attendance is good and the Sunday audience was exceptionally large and attentive. The meeting is conducted by Rev. J. G. Grant, evangelist; Prof. C. B. White conducts the singing for the evangelist. Mr. Leon Holmes and wife and Miss Anna Holmes are special singers. The Hoffman sisters also assist in the singing.

The evangelist is an eloquent speaker, an able expounder of the bible.

A basket dinner was served on Sunday and all seemed to enjoy the day immensely. In these days of moral degeneracy a portrayal of a better life ought to do good.

The bridge work is steadily going on notwithstanding some interruption has been caused for the lack of material and the false work of the two lower bridges will soon be up. Mr. Munson, the contractor, is anxious to get the bridges up before rainy season sets in.

The logan berry crop is about harvested. Lew Williams had about ten tons. He sold his berries in the local market as did Dr. Carter. He sold about 300 gallons. Mr. Marvin has four acres in berries. He is making—?—, according to his own

statement. This may not be so. If the berry industry on the Siletz is to be a success we MUST either have a cannery or a dryer to dispose of them. Berries grow to perfection on the Siletz. The hay crop is good and is being put up in fine condition. The Hall Brothers have two trucks busy at work bringing cement and other material from Toledo to be used in the construction of the bridge. Arthur Bensef and Mr. Huey are handling the trucks. Mr. and Mrs. W. S. Hall have just returned from a business trip to Portland. James Franks was first on the U. S. grand jury at Portland and now he is on the jury at Toledo. From 15 to 20 autos are coming to Siletz almost every day. They fish along the river, picnic in the shady groves and enjoy our pure sparkling water and healthy climate.
