WANTS TO KILL
OUR COYOTES

The Lincoln County Predatory Ani-
mal Club received the following letter
in response to a news item in the
Oregonian. It is self-explanatory.

Lincoln County Predatory Animal
Club

Toledo, Ore.

Gentlemen—in this morning
Oregonian I notice you are contem-
plating on getting some one to hunt
coyotes and bear in Lincoln County
and as I have had experience with
good results trapping coyotes. I have
become interested in your situation.

Do you pay a bounty on the ani-
mals and would a clean hustling man
be welcome in the county?

Any information will be appreciat-
ed.

Yours sincerely,

Geo. T. Ames.

FIVE BLACKBERRIES

this office by Mr. J. B. Hays last
Friday. Mr. Hays presented the Lead-
er office with a box of his best pro-
duct. The enormous size of the ber-
ries can be imagined from the fact
that five of them layed end to end
measured exactly 12 inches. The ber-
ries are of the "mammoth" variety
and have an excellent flavor.

But the prize hoodoo of all is ar-
ranging the Premium List or Cata-

satisfy each superintendent is easy
compared to convincing the business
men that an advertisement in this
book is of any value, and then you
have the printers to quarrel with
from "Mickey", the devil, to the gen-

own ideas of how these books should
be made up, and the final, you will
agree, is pretty good.

Each and every member of the

else will carry this load next year.
So, be careful not to offend the Coun-

from service.

And, oh, I forgot—after you have
made all the arrangements you can,
you just pray that some miracle will
happen to cause the dairymen, farmer
and ordinary citizen of this county
to realize that all this work has been
done for the educational good of Lin-
