

**DEER HUNTERS HAVE FISHERMEN'S LUCK**

Bert Howe and Mr. Richardson returned from Cummings Ridge Wednesday afternoon after a 10-day deer hunt in the wilds of that section. Although Bert claims to be the best little deer hunter in the country he had to come home without his "Buck." G. W. Hall accompanied them on the trip but returned home Friday.

The party left Buhl one week ago last Sunday.

The Yachats country is one of the most beautiful we have ever had the experience of seeing and it is no wonder that many tourists visit that section during the summer months.

We had the pleasure of meeting up with an oldtimer at the "Newspaper game" in the person of Mr. A. R. Carpenter, who has a comfortable little ranch near Yachats. His story of his many experiences in many of the big newspapers of the west is a very interesting one. He has all the earmarks of an old-timer and our conversation carried us long into the night after Bert and "Dad" were "sawing wood."

Mr. Carpenter now spends his time on his little farm and "pecks" sportsmen into the haunts of the big game that abounds in that section during the "Open Seasons." He is thoroughly contented with his lot but now and then has a longing to again get back into the game, hear the click of the typewriter and sniff the "old familiar" printer's ink.

The Carpenter family consists of Mr. and Mrs. Carpenter and four bouncing youngsters, two boys and two girls.

A. E. Marvin, "The Logan Berry Man," of Siletz was a visitor in the county seat Sunday.

Mr. and Mrs. F. N. Hayden motored to Albany Thursday of last week. They report the road in excellent condition, being rocked the entire distance with the exception of about 8 miles.

**STEAM SHOVEL AT WORK GRADING S. P. GROUND**

A large steam shovel started working on the unsightly banks in the rear of the business buildings near the depot Thursday morning, and it is understood, the S. P. company will keep the big shovel at work until the banks have been entirely graded.

Miss Vernie Ross left on the noon train Tuesday for Portland on a combined business and pleasure trip.

"TH' BIRD THAT GETS TH' BIG LAFF IS HIM WHAT UP AN' SQUANDERS TWO BINS ON A LIL' AD AN' THEN HOLLERS BEEUX 'IT DONT LOOM UP LIKE A FIVE DOLLAR ONE! REMEMBER, TH' MORE MONEY TH' MORE LOOM!"

Ralph Bilyeu and E. F. Hall made a trip to Yachats deer hunting this week returning home Wednesday evening with two deer. This was Mr. Bilyeu's first deer hunt and his first impression on seeing a deer is well worth repeating. He was stationed on a ridge waiting for Mr. Deer to make his appearance when, at of-a-sudden, something looked over the log at him at a short distance. "From the looks of the ears I thought it was somebody's stray mule," he explained. "But finally came to myself and realized that I was 'moon-gazing' at a deer. How I ever got him I do not know, but I managed to pull the trigger between shakes and somehow one of the bullets found its mark."

**FIRE**

DESOLUTION FOLLOWS THAT DREADFUL CRY OF "FIRE"

Last year, in the United States, fire destroyed \$325,000,000 worth of property.

This appalling loss means an average of \$900,000 for every day in the year.

Are you protected? Are you doing your part toward protecting your home?

How about your fire insurance? Have your policies been adjusted in accordance with enhanced property values? If fire destroyed your store, or your home, tonight, would you loss be fully covered?

Not what your property cost, but what it can be replaced for, should determine the amount of your insurance.
