

TURKS AND ALLIES SIGN AGREEMENTS FOR MAKING PEACE

MUDANI, Oct. 10.—The armistice convention was signed here tonight at 11 o'clock. The representatives of all the powers concerned affixed their signatures to the revised protocol, which General Harrington had presented for acceptance to Ismet Pasha and which the national delegates forwarded to the Angora government for its decision.

General Harrington had informed Ismet Pasha that the convention embodied Great Britain's last word and that the other powers gave their unqualified support to the terms.

On his part, Ismet had replied that he hoped his government would accept the conditions set forth, and promised a reply by 5 o'clock tonight. In the meantime, the British commander returned to Constantinople, where he remained until early this afternoon, proceeding back to Mudania on the Iron Duke to hear the Turks' decision.

The Turkish delegates were some what dismayed and disappointed over the turn of events in the past two days. The new attitude taken by France after the Paris conference puzzled them and they were amazed that French friendship, on which they counted as a main prop in the negotiations, did not yield the results they expected.

At the session of the conference Monday night, Ismet Pasha expressed dissatisfaction at the terms the allies offered.

He said to General Harrington:

"But your new armistice convention is in contradiction to the assurances given to me by General Charpy."

"The convention instead of paving the way for peace only makes matters worse."

General Harrington replied merely: "General Charpy has assented to the terms."

After the close of the formal proceedings, Ismet in the course of a conversation on the recurring subject of France's promises, said: "It was upon France's suggestion that our army ceased operations against the Greeks, France promising us favorable armistice terms. France's responsibility, therefore, is considerable."

"If no agreement is reached, our army will insist on marching into Thrace, but every day's delay—caused by our reliance on favorable armistice promises—diminishes our military advantage."

TOLEDO SCHOOL NOTES.

The Toledo high school will play the first football game of the season with Newport, on Saturday, Oct. 15. A large crowd of Toledo fans is expected to attend.

In last week's "Leader" the Toledo high school was accused of spending seventy-three minutes in emptying the building during a fire drill. The actual time spent was seventy-three seconds. At this week's fire drill the time was reduced to twenty-eight seconds.

The attendance in the schools is increasing daily, with the result that the enrollment has passed the 300 mark. New apparatus for the gymnasium has been ordered and will be here within a few days. The high school girls began the regular gym training Tuesday.

BACKACHE IS DISCOURAGING But not so bad if you know how to reach the cause. Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys and calls for prompt treatment.

Doan's Kidney Pills for some time and give them the highest praise. My kidneys were weak and the least cold settled on my kidneys. I had backaches so I could hardly get about. In bad weather I had rheumatic pains in my limbs and joints and the action of my kidneys was irregular. I used Doan's Kidney Pills and they relieved the complaint. I seldom have any trouble now but use Doan's for occasional attacks and they always help me. Price 60c, at all dealers.
