OFFICIAL PAPER OF LINCOLN COUNTY

LINCOLN COUNTY LEADER

LARGEST CIRCULATION IN LINCOLN COUNTY

VOLUME 30

LINCOLN COUNTY LEADER, TOLEDO, OREGON, THURSDAY, NOVEMBER 16, 1922.

NO. 39

S. P. TRYING TO AVERT SERIOUS CAR SHORTAGE

Shippers Urged to Make Haste in Releasing Cars; Co-operation Will Make Effects Less Serious.

Agents in every office on the Southern Pacific lines are receiving orders from the Portland headquarters of the company urging them to impress upon the minds of shippers and those receiving large freight orders to co-operate in releasing cars as quickly as possible due to the threatened serious shortage of cars.

The Southern Pacific company is doubling its efforts to avert the threatened shortage and will make the best possible use of the cars that are now on hand. It will hardly be possible to avert a crisis but if those who have occasion to make shipments will do their part the shortage will not have the serious effects that have been anticipated.

BUDGETS! BUDGETS! GREAT GOBS OF 'EM

We have set so many figures this week in attempting to get all the budgets in this week's issue of the Leader that it is likely the "manipulator of the Leadend Messengers" will have figures in his dreams. In this week's issue the budgets for county expenditures, Port of Toledo, City of Toledo, and Toledo school district all appear. They are estimates of what will be necessary to spend for the separate institutions for the coming year. Read them.

BILLIARD PARLOR TO INSTALL SNOOKER TABLE

The managers of the Cozy Billiard Parlor here have purchased from a Portland house a \$600 "Snooker" table. This table is much larger than the ordinary billiard table and will be a splendid addition to the parlor's equipment for the amusement of patrons. It will be the only table of its kind in the county.

The table will be installed next week.

Clarence Gibson, who at Corvallis Wednesday to attend the big "homecoming" football game. He graduated from the O. A. C. last year.

NEWPORT WALLOPS TOLEDO HIGH BOYS IN GRIDIRON FIGHT

Record Breaking Crowd Attends Armistice Day Game at Newport and Witnesses Excellent Exhibition; Score 25 to 12.

One of the most attractive features of the Armistice celebration held at Newport last Saturday, November 11, was the football game between the high school boys of that city and the high school boys of Toledo. The game ended with a score of 25 to 12 with the county seat boys on the short end.

However, those who attended the game from Toledo, were more than pleased with the fighting spirit demonstrated by the local lads. Though outnumbered by their husky opponents, the county seaters battled every play to a standstill. Clare Altree, Buster Graham, Clarence Graham and Geo. Herron were the outstanding star players on the local team. Altree, full back, played an excellent defensive game and broke up many a dangerous attack of the opponents. Houser and G. Wade are also deserving of special mention for their work in receiving forward passes. Arthur Wade has a head on him "like a brick" and he uses it when managing his team on the field. In the first quarter Altree made an excellent play when the ball was in a dangerous position and it seemed that Newport was to score a touchdown but Altree, quick to take advantage of the situation, secured the ball and converted the threatened touchdown for Newport into a touch-back for his team.

Toledo managed to put the ball over for two touchdowns which was accomplished mainly by the use of the forward pass and swift end running, while Newport was able to put over four touchdowns, the result of continuous line-backing, the Newporters taking advantage of their superior weight.

"We have no alibi to offer for the defeat," stated Coach Herbert Shawe. "Our boys are coming to the front nobly. We were simply outplayed at Newport Saturday."

The next game will be played at Toledo on Thursday, November 30, Thanksgiving day.

Toledo's line-up was as follows: Dickinson, center; Anderson, right guard; John Her, left guard; K. McCaulou, right tackle; Baldwin, left tackle; Houser, right end; G. Wade, left end; A. Nye, quarter; Geo. Herron, right half; C. Graham, left half; Altree, fullback.

CANDIDATES ON TICKET WITHOUT OPPOSITION

The following candidates were elected to their respective offices without opposition on the ticket: COUNTY JUDGE—C. W. James, 1619. COUNTY COMMISSIONER—J. W. Dunn, 1283. JUSTICE OF THE SUPREME COURT—Geo. H. Burnett, 1389; John McCourt, 1230; John L. Rand, 1225. JUDGES CIRCUIT COURT—John S. Coke, 1261; J. W. Hamilton, 1261; G. F. Skipworth, 1221. PORT COMMISSIONERS, Port of Alicea—C. B. Hallmark, 244; E. K. Starr, 234; L. L. Walker, 246. COMMISSIONERS PORT OF TOLEDO, 2-year term—Wm. Andrews, 569; Peter Frederiek, 561; 4-year term—R. B. Burgess, 583; J. W. Plarrish, 576. PORT OF NEWPORT COMMISSIONERS—B. F. Jacobson, 517; *Geo. Ashcraft, 121. *Mr. Ashcraft's name was written in by the voters.

SILETZ UPSETS DOPE ON COUNTY POLITICS; UNIT PLAN DEFEATED

District Turns Strong Against Unit Plan Due to Efficient School System There; Strong for Horsfall.

The election "dope" is all upset. Siletz has defeated the county unit school plan and has elected a sheriff for Lincoln county. The voters of that section voted 116 to 18 against the unit plan and gave G. H. Horsfall, the democratic candidate for sheriff the large majority of 110 votes over Mrs. Simpson. While Mr. Horsfall carried 17 out of the 25 precincts in the county, however these majorities were small and the Siletz landslide was the deciding factor. The county unit plan was in the lead until the Siletz vote blasted all hopes of its recovery from the remaining precincts to be counted. When the final vote was checked up it was found that the unit plan had lost by 105 votes.

A. T. Peterson seems to be a popular man in Siletz. He was not a candidate for office but his name was written in on 60 ballots for Toledo Port commissioner.

Bachelors, widowers, busy housewives—Buy your Sunday dinner at the cooked food sale of the M. E. Ladies Aid society, Saturday, November 18, beginning at 10 a. m. at Bateman's Furniture store.

Farm Woman and Mule in Hall Case.

The natural curiosity of a mule was an important factor in solution of the murders of Rev. Hall and his pretty choir singer, Eleanor Mills, at New Brunswick, N. J.

Mrs. Jane Gibson, farm woman, in the early evening was riding "Jenny" in search of corn thieves when the mule attracted her attention to the murder party just as the shooting started. Mrs. Gibson came forward as a witness when an innocent boy was accused.

LOTS OF PLACES WORSE THAN TOLEDO; READ THIS

Wm. Andrews is in receipt of a letter from his son, Wm. Jr., of Lead, S. D. in which the young man tells of a heavy snow storm that has been raging in that section. The letter is accompanied by a post card, showing snow higher than a man's head in the streets. The storm has stopped all traffic in and out of the town and communication is also shut off due to wires being down. Railroad however has managed to clear their tracks.

Toledo is a pretty good place to live after all.

JUDGE JAMES LEADS TICKET IN LINCOLN COUNTY ELECTION

The Only Candidate Whose Election Was Not Invaded by the Notorious "Andy Gump"; Judge Smiling.

C. W. James, judge of the county court of Lincoln county, is a wearing a smile of precipitation due to the results of the general election Nov. 7. And why shouldn't he? He polled the highest number of votes by far than any other candidate on the ticket. True, he had no opposition. But a great many other candidates had no opposition. Andy Gump had no effect on his candidacy, while, in most instances, "the man who wears no man's collar" appeared to be quite popular.

Judge James received a total of 1619 votes. His nearest competitor, in so far as votes are concerned, was Geo. H. Burnett, candidate for justice of the Supreme court. Mr. Burnett received 1380 votes in Lincoln county.

ROBERTS MILL INSTALLS NEW STEAM POWER ENGINE

The Roberts sawmill here is installing a new steam boiler engine. This new addition to the equipment of the plant will enable the management to put three times the power had in the past and will necessarily increase the production of the mill accordingly. The new engine weighs 38,000 pounds, is 72 inches in diameter and 18 feet long. It was built by the Walmette Iron Works at Portland according to the new specifications and will add greatly to the efficiency of the mill.

M. E. CHURCH.

The work of improving the church and parsonage is progressing nicely. The new coat of paint adds greatly to the appearance of the property.

The business men have been generous in their donations for this cause, while our pastor has done much of the work himself, all of which is highly appreciated by the church membership.

The Ladies Aid will hold a cooked food sale Saturday, November 18. All ladies interested in the church are urged to contribute toward this sale, and to have their food at the music room of Bateman's Furniture store before 10 o'clock Saturday morning if possible.

Sunday services: Sunday school at 10 a. m.; public worship at 11 a. m.; Epworth league, at 6:30 p. m.; Oneatta Van Cleve, leader; Public Worship at 7:30 p. m.

Church Reporter.

LINCOLN COUNTY BOYS AND GIRLS ATTEND BIG STOCK SHOW PORTLAND

Sidney Pruner, Morris Johnson and Carl Rust, members of the Lincoln County Jersey Calf club, returned from Portland Saturday after attending the International Stock Show held at Portland last week. The boys acted in the capacity of a "judging team" representing the local club. They are highly enticed over their experiences at the big show.

One news item that was overlooked some weeks ago was the fact that this same club had a judging team at the state fair at Salem. This team consisted of Pauline Brigham, Donald Stokes and Janet Stokes.

LINCOLN COUNTY HAS NINETEEN STUDENTS CORVALLIS COLLEGE

Oregon Agricultural College Has Large Enrollment This Year 3,073 Attaining Higher Education at That Institution.

Oregon Agricultural College, Nov. 14.—Lincoln county has sent 19 students of the total number of 3,073 at the college this year. Of these 19 from county there are 6 from Toledo Engineering and home economics lead while commerce has only one student registered. Three men students are taking engineering, two of the girls are taking home economics and commerce has one girl.

Gordon Giebisch, son of Mr. and Mrs. Anton Giebisch of Toledo, is taking civil engineering with the expectation of continuing his father's work. Mr. A. Giebisch, formerly of Giebisch and Joplin contractors of Portland is now building the highway between Clifton and Toledo. Gordon put into practice his engineering training this summer while working on this new highway. Gordon has been active thru out his college career, during the first year he played on the freshman varsity football team. During the second and third years he won distinction by putting on a successful sophomore colition and Junior vaudeville and is at present the head of the senior hat committee. He is a member of the Phi Gamma Delta fraternity.

John Raymond Diezson is also taking civil engineering which course aims to fit the student to render service in different engineering fields such as location, construction, maintenance and operation of water supply, irrigation, water power, railroad, highway and similar transportation systems; the development and improvement of cities and rivers and harbors; the design and construction of foundations of steel, concrete and wooden structures.

Sheldon Z. Thayer is a sophomore in the school of electrical engineering. This is practically a new field of engineering and trains the young engineer in the theory of the electrical industry.

Home economics is the most popular course with the girls. Esther Elizabeth Denton, freshman and Ida Olson senior are both taking this course which is designed to help the girls adjust themselves readily to their environment. The purpose is to make the girls good citizens as well as good home-makers and a liberal as well as a technical education is given in this school.

The school of commerce trains the student in the practical business methods and its aim is to send young men and women into the business world

NEWPORT CELEBRATES IN HONOR OF DAY GREAT WAR CLOSED

Armistice Day, Saturday, Nov. 11, was fittingly celebrated in Newport. All business houses were closed during the afternoon and evening. A large street parade in which all patriotic orders, including the Civil War Veterans, the Spanish war veterans, the Third company, the Women's Relief corps, 300 school children, the Newport Chamber of Commerce, led by the Third company coast artillery band, participated. The line of march ended at the city park where a patriotic program in commemoration of the closing of the great world struggle four years ago was held. W. K. Patterson, member of the Toledo American Legion, delivered the main address of the afternoon.

The weather man was at his best making the day especially delightful. Many Toledo people attended the celebration.

Practically all business houses in Toledo were closed at least part of the day and a few were closed all day.

fit for service and efficiency. Thelma Fowler is registered in commerce and is a member of the Beta Alpha sorority.

Comes 20,000 Miles to Study Cattle.

J. P. Cortes, son of a wealthy Brazilian ranch owner, is working as a common farm hand on the Cedar Croft Herford farm near Kansas City to study U. S. pure bred breeding and raising methods. He likes it and thinks his long trip here worth all he is learning.

J. R. BECK WILL SUCCEED COOTER AS CO. AGENT

Newly Appointed Man is Well Fitted to Carry on Work So Nobly Started By Mr. Cooter During His Term of Office.

Beginning about November 15th Lincoln county is to have a new agricultural agent in the person of J. R. Beck, who has been appointed to succeed J. E. Cooter. For the past two years Mr. Beck has been county agent in Pacific county, Washington, where he had unqualifiedly made good.

Mr. Beck was born and raised on a farm and was graduated from the Oregon Agricultural College in 1920. He entered O. A. C. in 1915 and his college work was interrupted for two years during which time he did cow testing association work.

In the opinion of W. L. Kaderly, of the O. A. C. Extension service, Mr Beck is exceptionally well qualified by training and experience to carry on the work performed in Lincoln county during the past four years by Mr. Cooter. The greater part of Mr. Beck's farm experience was obtained in Linn and Benton counties, Oregon, and inasmuch as Pacific county is very similar to Lincoln in every respect it is believed that Mr. Beck will be able to adapt himself very rapidly to Lincoln county conditions.

Mr. Beck will report for official duty just as soon as he can be relieved in Pacific county.

Mr. Beck is a cousin of W. Beck, cashier of the First National Bank here.

GRANGERS WILL DANCE BENEFIT 1923 MEETING

Lincoln Grange No. 395 met at the Ona Grange Hall Nov. 5 with S. T. Loudon acting master.

An interesting talk was given by Mr. Loudon on the importance of raising funds with which to entertain the State Grange Convention to be held at Newport in May, 1923.

The local grange decided to give a big dance and basket social at the Ona Grange Hall, Thanksgiving night, Thursday, November 30, with Mr. Loudon as auctioneer.

A good time is assured. Everybody come.

SILETZ OBSERVES ARMISTICE DAY AT CHURCH SERVICE

(By Dr. Carter)

Siletz observed Armistice day at the M. E. church. A short program was rendered as follows:
Song—"The Star Spangled Banner"
with Mrs. Linda Kimball at the piano.
Invocation—Rev. C. W. Pogue.
Address—Dr. Carter.
Song—"America" by the audience.
Address—Superintendent Chalcraft.
Song—"Battle Hymn of the Republic."

Sermon—By Rev. Pogue.

At the close of the meeting it was suggested that a committee be appointed to arrange for the observance of the next Armistice day. This year the celebration was not very well advertised but was a success in all instances.

The committee consisted of thirteen members with Superintendent Chalcraft as chairman.

Four years ago, Nov. 11, 1918, was the greatest day in the history of the world since that of the birth of Christ, the matchless teacher. On this day hostilities ceased just as our boys had the beaches on a disappearing. This, of course, was a disappointment to the allied armies. It was their desire to have the German general surrender his sword to Field Marshall Foch, but this was not to be and maybe it was for the best. It no doubt, saved the lives of thousands of brave men.

Hope filled the heart of man. He believed that peace was here for all time to come. The dove hovered over the nations with her olive branch of peace. The people rejoiced, but the hope and dreams of that day has not yet been realized. The world still struggles beneath the burdens of war. The unspeakable Turk continues to murder innocent people.

On this day, four years ago, the soldier boy caught a glimpse of a beautiful land and the home coming, but he has not realized this yet. The world is still very much agitated and unsettled and it will take time to get back to normal conditions. It is a time when every one should be true to his country and loyal to its flag.

James Franks has sold his home in Siletz to Jay Chandler and has removed to his new home on his five acre tract west of town.

Siletz is gaining in population right along. If it keeps up and we have no doubt but what it will, in less than five years Siletz will have 1000 citizens within its borders.

The election is over and as the

(Continued on Page Eight)
