STRANGE DEATH OF MICHAEL REESE. A later account of the death of Michael Reese states that after walking five miles to the cemetery to avoid carriage hire, he scaled the cemetery fence to avoid a sustomary fee to the sexton: that after he had spent some time at the graves of his parents, he scaled the fence again, when he was seized by the sexton. Reese denied that he had been in the cemetery, but as the sexton caught him in act of leaving, he concluded to take him before the Burgomaster, when an angry altercation followed, during which Mr. Reese fell dead.
