Don't Forget It .- If you are troub ed with nervousies, are disheartered, tired f life, fear death or feel out of sorts, as the sying is, you may safely conclude that you ave the Dyspepsia or Liver Complaint. The liver is very apt to become torpid this, e son of the year, as poisons arising from stignant water or decaying vegetation, are more numerous and are, through inhalations aken into the blood. Unless the liver is trong and active and furnishes asupply of resh and pure b'ood to drive out the impuriies, the above-mentioned symptoms are s ire to follow, and if not hee'ed, may end i more terrible diseases and death.
