son, A. Van Dusen and Join Hobson;

the election of Supreme and Circuit Judges in separate classes." The bill provides for "two terms of

the Supreme court annually," and fixed the yearly salary of each Judge, of both supreme and circuit courts, at \$2 000 payable quarterly; an i prohibits any other allowance for their services directly or indirectly.

Business.-We seldom meet or see any person in or about Ashland who does not seem fuil of business. Tradesmen and mechanics are driven to the utmost, to supply the demands made upon their labor. Farmers are not unfrequently obliged to do their own carpentering while blacksmiths have learned how to hold upon their hands at one time a half dezeu unfinished jobs. Fortunately we are in a who are compelled to wait do much swearing it is deep, not loud.
