would let us do as we can. Try every means at hand; teach temperance from the pulpit and the rostrum, in the sabbath school and in our daily life, and do not forget that to advocate the cause

of temperance is part of a Christian's duty. The lodge and the church are not antagonistic. Their aim-to smeliorate the condition of all humanity-is the same. You can't be a consistent Christian unless you advance the canse of temperance by every means in your power. Don't be selfish; don't be dictatorial. Think only of the good to be done by a united effort and if fly. At about 10:50 P. M. last night. ou can't do as much as you would they made a dash through the doors like, do what you can. Come to Phon- and windows of their prison room, fir nix on the 20th. R DHU.

PURCHASING JUSTICE .- The Reading

eral Hat Creek Indians came to Reading to see what inducements they could hold out for the arrest and conviction of the Fall River Indians who murdered four of their doctors. One In and 25 squaws.

A mail carrier lost for nine days in a WHREF or NOTE. Please attend to it at once. Montana snow storm, with nothing as we MUST close our old books. passing his lips but tobacco and snow, has been found and brought in alive.

The reply of Secretary Schurz to Gen. Sheridan on the Indian question has been published, and it is general. of \$1 per load. Avail you selives of this ly conceded that Sheridan is badly worsted.

Grant has been visiting Ireland. He was cordially received at Belfast, but him the "freedem of the city" presumably on account of his position on the public school question as affecting the Catholics in America.

A dispatch from Fort Robinson Neb. of Jan. 10th, says: The hostile Chev enns who were here in prison since their capture by Carleton last October were to be sent sonth in & few dive. Since they were informed of the Government's intention in sending them south they have repeatedly stated op. enly and defiantly that they would and from which hunger forced them to sale by CHITWOOD & ATKINSON.
