land, among others.

OREGON AND HER FUTURE.

[From the Sin Francisco Examiner.] The fatal epidemic in the Russian Oregon does not rapidly increase in population. The want of railroad connection is the cause. Her great future has yet to come. Fifty years hence she unable to cross the Russian border into States of the Union. But, notwiththese countries unless provided with standing all the difficulties against which she has to contend, Oregon is State of the whole Union is. In that healthful climate, unfailing harvests of the best staples of the world, the wealth than in spread of ostentation. Statistics, recently published, show how the State is improving. Her product of wheat, oats and hardy fruits; her great herds of cattle and of sheep; assumed serious dimensions, energetic and her unequaled facilities for mantmeans were taken for preventing its factories, cause riches at home and atare favored. San Francisco will, it

SAM SING ON THE SITUATION.

The Adin, Cal., Hawkeye man has ?nitervewed Sam Sing. He says: Last Tuesday, Sam Sing, who lately came to Aiden and set up a "washe house," came into our office to ask to how long we thought the cold weather would last. After giving an indefinite answerwe interrogated him thus:

Sam, how do you like Adin?" "Ugh! No likee; heep to d-d cold. Me washee dis week; washee
