INVITATIONS ACCEPTED .- Prof. L. L. Rogers has accepted the invitation to deliver the oration at this place on the Fourth of July, and J. D. Fountain has accepted the invitation to read the Declaration of Independence. Those who have heard Professor Rogers speak need no assurance that the oraon will be interesting. To those who have not heard bim we would say that the Professor is abundantly able to deliver an oration which will redect choice of orator.

is respectfully submitted."

CHEEKY .- Among namerous similar foot-racer in Jackson, Josephine and clean towel. We have just received a offers which we are constantly receiv-Lake counties to meet him at Jackson- bran new wash tub from the cooper ing from parties at a distance, was one ville on the Fourth, and run with him | shop of Edmond Sparling. As far as from a brazen-cheeked firm who want we are able to judge, it is a fine tub, us to advertise a one-dollar watch, and and we can recommend Sparling's work take our pay in one-dollar watches. This is worthy the side face of a gov. Prof. L. L. Rogers, will come over erument mule. Anyone with average common sense knows that a watch which can be sold for one dollar is an unmitigated fraud, and we consider it reflecting rather strongly upon the intelligence of Oregon journalism to

> send such offers to the newspapers. -We pass. LITTLE ONES - We took a short ride behind W.C. Myer's "four-horse" team has yet been wounded one gentleman's of Shetlands last week, in the little buggy which Mr. M. brought from the Persons connot be too careful in the east to match the team. The popies use of firearms anywhere, and in town are lively steppers for their size, and strong enough to pull a good load, but we could not belp thinking of Cindereils and her rat toam-our reflection under that head was suddenly brought to a halt, however, by catching sight of a healthy looking foot (the other fellow's, of course) sticking out in front of the buggy, which no glass slipper in the world would cover without breaking.

IMPROVED STOCK .- We have heard lives in Mr. Mayfield's house in the it rumored since the return of the eastern part of town fell in a well about Masons from Portland that Messrs. five feet deep last Tuesday evening and Baum and Atkinson were about to instood there some little time with the troduce improved stock in this portion of Jackson county. We traced this discovered it and rescued it from its rumor to its source, and discovered that its only foundation was the purchase by each of the gentlemen of a bydraulic ram. Mr. Atkinson will set the one he bought to pumping water to the top of the woolen mill, and Mr. log will be the Banm's will keep a tank filled on the ley, and learned from Johnnie Eu- brick store, to be used in case of fire. banks that they had experienced a also in case of hot weather, for sprink-

HOME AGAIN. - Mesers. Atkinson, The old house belonging to Jacob Baum, Hill and Andrews, the Masonic land, returned home last Sunday afternoon. They found the roads in a miserable condition when going down, and but little better on their return. Within seven miles of Roseburg the road has been almost impassable, and in places it is abandoned, the travel passing through the fields. It is no wonder that freighters dread a trip to Roseburg. Coming back Mr. Hill, who held the strings, overturned the back on the Cow creek hill, and spilled harbor of refuge for the Pacific coast, his Masonic brethren out in the mud,

NARROW ESCAPE FROM FIRE. - One morning this week about seven o'clock, the house of Geo. Smith, just north of by default Granite street, was discovered to be on fire. Mrs. Smith happened to step outside the kitchen and saw the upper end of the kitchen shed, where it meets the gable end of the house, in a blaze. She shouted fire, and Mr. Nutley and his boys were there in a ransferred to Lake county on change twinkling and succeeded in putting the Hawkette, E. C. Robinson and Jesse fire out before it had done any dam- R done to recover money. Conage, by a prompt application of water, tianed. The fire doubtless caught from a spark from a stove pipe which comes through the shed roof. As the dry season is costs. about commencing, it would be wellto look carefully to the condition of chimneys and stove pipes-a little caution may prevent a heavy loss by fire.

SHIPPING FLOUR TO SAN FRANCISCO. -Some idea of the increase of business in this valley which would follow the building of a railroad to the coast may be gained by considering the following, which we take from the last damages. Case still on trial. number of the Roseburg Star: "Several of our millers in the southern part of the county are shipping flour to against any named Oregon horse Joe San Francisco. Marks Sideman & Co., of Canyonville, will ship 400,000 pounds. Hans Weaver, of Myrtle Creek, has aiready sent forward 60,000 pounds and F. M. Gabbert & Co. of the same place will also ship largely. \$900. By forwarding flour instead of wheat, treight expenses are much reduced and the increased profit will inure to the benefit of our own citizens and will remain in the country. We hope the en-

Fourth of July Celebration.

MEETING OF TEMPERANCE COMMITTEE. -The Central Temperance Committee of Jackson county met at Propaga last a Monday afternoon, pursuant to call of chairman, J. B. Rigdon. There was a full attendance of the members, and considerable business was transacted, among which was the appointment of several lecturers to stir up the lodges and outsiders in the county upon the subject of temperance. A temperance convention will be held at Phoenix sometime in September, and the county committee urge those interested in the cause to see that it shall be well attend-Rev. Geo. Natley, Miss Belle Drake, ed. After the meeting of the committee adjourned the members of Phœnix lodge, together with visitors from other lodges, gave a social and literary ontertainment which was greatly enjoyed. Bro. Rigdon reports the Pagnix lodge in a flourishing condition, excelled by none in the state, and in behalf of the committee would return thanks for the generous entertainment and hospitality extended by the members. Programme

> NEARLY DROWNED .- The other day Mr. James Marshall came near drown ing himself and team at the crossing of the Umpqua at Thornton's place. Joe Clough was with him at the time, but took to a horse that was hitched behind the wagon, and escaped. Marshall thought he knew enough about the ford to cross without danger. He got half way and one horse dropped off the bank, then the other followed. Forunnately the current was strong enough to drive the animals back against the wagon and this unbitched the traces. The horses langed forward and unshipped the neck voke. The water by this time was running into the wagon; but fortunately the borse torned back to the shore from whence they came, and ever came west of the Alleghanies came as they passed the wagon Mr. M. jum- into Union county, Ohio in 1851.
