LINKVILLE, Sept. 19, '79. still lingering upon our eyelids we started a sect called the Tabertrace a few lines to-night for the nacle of the Coming Lord. They TIDINGS. The trip from Ashland preach that Grant, re-elected in to Linkville is perhaps a familiar 1880, will invade and subdue one to most of our home readers, Europe, overthrow Romanism, but to many who will see this it and finally meet a downfall-after will be, as it was to us, a novelty. which the millenium. With Walter Philips as driver, four passengers of us left the drowsy town of Ashland this morning nia holds office for three years at 5 o'clock, and behind a strong from the 5th day of January, livery team, were whirled up Bear 1880, as also the Lieutenant Gov- standing are cordially invited to attend. fast. Here, where a decided im- eral and Surveyor-General. The mountain road. From Tyler's ceives only the same pay that may his generally, that be is soill so be sound heavily timbered country, with Assembly. but one or two swales or prairies along the whole route, until the Klamath river is reached, about the character of the country comintroduces itself to the eye and nostril, the sage brush is seen, and plains where cattle and horses are roaming about in scattered and sweebs in majestic curves down the green valley bordered by low hills of soft grey, which are in many respects like some portions of the Scotch highlands, as described by native writers.

We reached Linkville about half-past five, and after washing off the outer coating of the mingled soils of Jackson and Lake counties which had gathered in ornamental profusion upon our faces, we paid our respects to a square meal at the Pioneer Hotel, reservation are dissatisfied with their and then sallied forth in a good humor to see the town and greet up farms in the vicinity of Tule lake. friends and acquaintances.

but it was as comfortably accom- pendent. plished as a good, stout back, good horses and a good driver could make it over the rocky road we treversed. Mr. Phillips has good, well-fed, well-gromed stock on the entire line, and his stages make good time.

Being passionately fond of the buildings. water, we took a boat ride by starlight on the river after supper, and named "Scotty," stabbed to death with enjoyed it hugely. We start early a knife a fellow prisoner named Smith. to-morrow morning for Klamath Agency, some 40 miles, but will Ida Dunn and Cora Hezlep were stopreturn in a few days and send in ping at the time the horrible assault was some of the interesting Linkville news that is just spoiling for want of the horrible deed. W. H. L. of a reporter.

THE MODERN NEWSPAPER.

Among the new things is the newspaper. The invention of DO printing made it possible, and the enterprise of our age has in no other direction acheived such stupendous results.

The telegraph and the press! Who can comprehend the extent of their influence? From the mammoth daily of the metropolis to the humble village weekly, ev- If so ery editor is a leader. Pride should not swell his heart at the thought, but a sense of high responsibslity should be felt.

There must be vivacity, boldness, originality and enterprise; but recent events in California emphasize the demand for more conscientious and high principal. Shameful, verily, disgraceful, was the cowardly deed of Charles De

There is, too, a readiness to publish graphic accounts of accidents and crimes; while temperance societies, schools, and especially churches. get only passing notices. Tramps get more attention than teachers, murderers more than ministers. The confessions of criminals are reported verbatim, while the warnings of judges go unpublished. Vile libertines are interviewed; while learned geologists and botanists are asked for no information concerning the local flora and formations.

Gentlemen of the press, as his- price list. torians give us less war and more of social science; as chroniclers of public events tell us the best things said and done by lawyers, judges, ministers, teachers and scientists. Let thieves, robbers. suicides and muiders have less prominence. There are less vultures than you think among your readers .- [College Ceroma.

2. -SCIENTIFIC, requiring three years. Degree conferred, B. S. 3.-NORMAL, COMMERCIAL and MUSICAL, occupying three years each. Diplemar given

EXPENSES.

TUITION in fent Collegiate Branches, \$6 a month. Music \$5 a month;

(use of instrument \$1 additionar). Vecal music in class, \$3 a quarter. Board in Boarding Hail or in private ramilles \$3.50 to \$4 50 a week. Rooms or cottages for self-boarding, \$2 to \$5 per month.

PROMINENT FEATURES AND ITEMS OF INTEREST

1. The College will be chartered; and the Normal or Training school for teachers will be made, it is hoped by special enactment, an adjunct of the Public School system, and diplomas made equivalent to first grade certificates. 2. Ashland has no saloons. The sale of intoxicating liquors is prohibited by the city authorities, who are sustained by a strong public sentiment. 3. The school will be under the supervision of an Evangelical Christian Church.

The Bible will be reverently read and studied; the worship of God encouraged;

but the institution will be secterian in no objectionable sense. 4. Book-keeping, business arithmetic, English composition and other branches specially preparatory for business life, will receive unusual attention. 5. The preceptress will give her chief attention to the care and oversight of the

An endowment of \$20,000 will be, there is reason to hope, promptly subscribed, enabling the Trustees to reduce the present rates of tuition, specially to teachers, after the present year.
