# ASHLAND TIDINGS.

FRIDAY ..... OCTOBER 8, 1886. EDITORIAL NOTES AND NEWS.

China intends to i ssue a loan for \$50,-000,000 for the construction of railways in the Empire.

tion impractictable.

the county finances.

The natural gas well on the farm David Fisher, near Savoy, Ill., suddenly ceased flowing during the cyclone on the 17th inst. Since then experts have exhausted every known means to renew the gas supply, but so far have been unsuccessful. How the storm could have thus affected the discharge of gas from a vein 100 feet below the surface is a mystery which no one is yet able to solve.

A dispatch of the 4th from Winnipeg fire engine. says: The Canadian Pacific's passenger caused by the upsetting of a stove. Sev- in the city charter. If there be no eleceral persons were injured, some fatally. tion, then the present officers will hold Six bags of mail matter were destroyed over, and the blockaders will be beaten and five saved.

The secretary of the interior has under consideration a proposition to allow attend six consecutive regular meetings. privilege of utilizing grass upon surplus March next to reach that point, but then cattlemen to pasture, the Indians to herd and care for the cattle and to receive fair and just compensation therefor: but no white men will be allowed upon the reservations. It is probable that an order authorizing certain tribes to enter into contracts with cattlemen as outlined above will soon be issued.

The Walla Walla Statesman intimates in very plain terms that money must

have been used to influence the action of Richmond, Va.: "The tapping of Master
