free trade candidates were snowed under at the recent election in the eastern states shows that the issue of protection vs. free trade is not entirely dead, as some politicians would have us believe.

President Cleveland declined the proffered degree of L. L. D. from Harvard involved in these contests was 15,440 acres. In three hundred and six of the need it. Some twenty-five prominent men, including, of course, the Governor men, including, of course, the Governor allowed swamps, absorbed as swamp. The amount of land involved in these contests was 15,440 acres, the lands with John O'Brien, C. E. White, Chas. Nickell, James Hamlin and G. T. Hershall colvin.

B. W. Dean, sheriff, presents his bond as tax collector in the sum of \$10,000, with John O'Brien, C. E. White, Chas. Nickell, James Hamlin and G. T. Hershall colvin. of Massachusetts, were put through the only as to eighty tracts, embracing 3,200 approved by the court.

Bids for the purchase of the Rock cured of this disease in its most severe

elected by a strong majority over John Hailey, formerly of this county. Hailey courted the large Mormon vote, but the anti-Mormon sentiment was roused and gave him a scorching defeat.

In Pennsylvania the prohibition vote shows losses. St. John received 15,283 votes in the state in 1884; in 1885 the prohibition candidate for secretary of state received 15,047; and now it is announced that Wolfe, the prohibition candidate for governor, has received about

vote in New York, Chicago, Milwaukee to be swamp and overflowed." and other cities, confess that this vote promises to withdraw more strength from the republicans.

day. James Redpath and John Swinton occupied seats on the platform. Resolutions were adopted, calling on district organizations to continue their work, throw open their doors to new members, and prepare, by organization and education, for future contests.

'The strike of laborers in the great meat packing establishments at Chicago has settled into a genuine, stern contest Labor. The packers have all signed an to have it become a law is for some demo- fies; and if there is an incumbent the agreement that hereafter they will employ no man who is a member of any la- its passage. Democrats argue that the vision of the statute declaring a vacancy in an office from a failure to qualify as bor organization. They are importing territory, having twice in succession prescribed by law, is in conflict with the laborers from elsewhere and have their establishments protected by militia and time by a good majority can be counted being no valid statute declaring a vacanestablishments protected by militia and municipal police. Some acts of violence upon in future to be carried by their when Mr. Colvig qualified he had a right on the part of the strikers are already party. Under present circumstances it is to the office in question and its emolu-

ern vessels that sail by Bedloe's island obtain the ascendency. The uncertain ner provided by law, he is therefore entitled to exercise the office of district atcould not have passed between the quantity is Riddleberger. mighty legs of that great Apollo, so far overtopped by our Franco-American The La Grande (Or.) Gazette shows up

There is much dissatisfaction among the to its action in the recent election. Many claim it was the cause of the Republican defeat, as it threw most of the Republican nominees overboard. Rumor says there is a project afoot to start a new Republican paper in opposition to the Chronicle, one to which the Republicans can tie. One hundred and fifty thousand dollars has already been raised, and 300,-000 more is assured, or, in fact, the amount at disposal is almost unlimited. Prominent citizens are interested and intend to push the matter.

Says the Eugene Guard: The assessment of the county of Multnomah foots up only \$18,000,000 yet it contains the city of Portland which boasts of being the most wealthy city of its size in the United States, and of more than twenty millionaires. Lane Co. with sparse population and no large city pays taxes on nearly one-fourth as much. It is unfair. Multnomah either has not the wealth that she claims to everybody except the assessor, else she contains the greatest army of perjured scoundrels of any county in the state. Something ought to be done to equalize the assessment returns. For enterprise, push and a desire to get such goods as will give the trade satisfac-It would make no difference to us except on account of the state tax. The "Cow sanko's Gough and Lung Syrap, because its Counties" are in for too great a share of that in proportion to their real worth.

some of the inconsistencies of the common system of railway tariffs as follows: A recent San Francisco dispatch says: "A prominent merchant of this place has Baptist Church, held Nov. been corresponding with a Cleveland (O.) following preamble and resolutions were Republicans with the Chronicle, owing firm in regard to getting barbed wire from unanimously adopted: them in carload lots. The rate from them in carload lots. The rate from Cleveland to Portland per hundred lbs. is 74 cts., while to La Grande, 305 miles shorter distance, the rate is \$2.24, or \$1.50 more than to Portland. This is replaced to the church of the course than to Portland. This is replaced to the church of the course that the church of the church of the course that the course that the course that the course that the church of the course that the c more than to Portland. This is explained by the fact that La Grande is a way station on the O. R. & N. Co.'s road. The rate from Portland to La Grande by carload lots is \$1.08 per hundred lbs. Consequently in order to get goods from Claveland it is much character to ship from Cleveland it is much cheaper to ship from loved pastor-who has been to us pastor, friend Cleveland it is much cheaper to ship from Cleveland to Portland and from Portland to La Grande than to La Grande direct. The goods pass through La Grande on their way to Portland, and how the O. R. & N. Co. makes money by hauling freight 610 miles for 46 cts. per hundred less than nothing is more than the writer the control of the con is able to inform the public. This \$2.24 rate is probably used to show Portland's wholesale merchants how the O. R. & N.

aration and a trust that through the mercies of our Heavenly Father restored health may bring to paster and people a reunion in the near-future, and now may mercy, peace and prosperity abide with them evermore.

Resolved. That these resolutions be incorporated in full in the public so of this meeting. Co. is favoring them, by thus compelling interior merchants to patronize Portland Truth" and that the "North Pacific Baptist" be rehouses, or else pay exorbitant freight
