DECEMBER 3, 1886.

Stockmen's Meeting.

The stock owners interested in forming the proposed stock association of Ashland Precinct are invited to meet at Neil school house again to-morrow evening, Dec. 4. A full attendance desired.

The Red House.

We lead, others follow. We originate, through Yreka. others un ti to. Others complain because business is dull. We are happy, and our up its busy hum. store is always crowded because we sell good goods cheap. This month we are a dking an absolute gift to our customers, at Geo. H. Currey's. of fine him Isome presents, of \$200 value. Read our advertisement and remember, event of the season. we do just as we say, and that this is no sham not attempt at deception. RED HOUSE.

"Corn is King."

This is what a placard in the real est te office of Billings says to the reader. just received at Blounts. and the purpose of the placard is to call attention to a lot of fine samples of the royal family of King Corn grown in Jackson county. Tall sto ks reach up some twelve or fourteen feet in the high win- glitter with holiday goods. dow, and well-filled ears or different varieties and colors are displayed. One stock of pretty red popcorn had thirteen ears on it, counting a four-pronged or branching one as four. People who do hardware business at Tacoma. not know that corn grows well in Southern Oregon should see this display.

The Public Schools.

Editor Ashland Tidings: In a recent issue of your paper, you say in substance, that it is high time for the directors of the Ashl ad School District to provide additional room and teachers for the pupils of the district. We have tried to tent a portion of the College builling, also to rent a room or rooms from indivi luals, and have failed in every instance. If you, Mr. Editor, or any of your kind completed, and plastering is well under readers will solve the problem you will way. comman I the gr. titude of the much perplexed directors, crowded pupils and over-worked primary teachers. Speak! G. F. BILLINGS, Chairman.
