NEW THIS WEEK. COMPARATIVE WORTH OF BAKING POWDERS. ROYAL (Absolutely Pure) .. GRANT'S (Alum Powder) # HANFORD'S, when fre REDHEAD'S CHARM (Alum Powder) # AMAZON (Alum Powder)#. CLEVELAND'S short wt. to PIONEER (San Francisco SNOW FLAKE (Groff's) EWIS?. PEARL (Andrews & Co.) GILLET'S. ANDREWS&CO. "Regal"* BULK (Powder sold loose). ..

RUMFORD'S, when not fresh

As to Purity and Wholesomeness of the Royal Baking Powder.

"I have tested a package of Royal Baking Powder, which I purchased in the open market, and find it composed of pure and wholesome ingredients. It is a cream of tartar powder of a high degree of merit, and does not contain either alum or abosphates, or other injurious substances. E. G. Lovz, Ph.D."

"It is a scientific fact that the Royal Baking Powder is absolutely pure. "H. A. Morr, Ph.D."

"I have examined a package of Royal Baking Powder, purchased by myself in market. I find it entirely free from alum, terra alba, or any other injurious sub-nee. HENRY MORTON, Ph.D., President of Stevens Institute of Technology."

"I have analyzed a package of Royal Baking Powder. The materials of which t is composed are pure and wholesome. S. DANA HAYES, State Assayer, Mass.

The Royal Baking Powder received the highest award over all competitors at the Vienna, World's Exposition, 1873; at the C intennial. Philadelphia, 1876; at the American Institute, New York, and at State Fairs throughout the country. No other anticle of human food has ever received such high, emphatic, and uni-

ersal endorsement from eminent chemists, Thysicians, scientists, and Boards of lealth all over the world.

NOTE-The above DIAGRAM illustrates the comparative worth of various Baking Powders, as shown by Chemical Analysis and experiments made by Prof. Schedler. A pound can of each powder was taken, the total leavening power or volume in each can calculated, the result being as indicated. This practical test for worth by grades are received in this school, but Prof. Schedler only proves what every observant consumer of the Royal Baking no one is admitted unless cleanly Powder knows by practical experience, that, while it costs a few cents per pound more than ordinary kinds, it is far more economical, and, besides, affords the advantnormal schools this department is far age of better work. A single trial of the Royal Baking Powder will convince any

lows: "Hereafter a porter will accom-pany cars on train 1 from Oakland and train 4 from Ogden, who will be under in Forest Grove, Sunday, January 22. As he was probably the first white control, while en route, of the train conductors. Porters must wear the American to settle in Oregon, a brief designated uniform while on duty. biography would doubtless be of pub-They must keep all cars (occupied by second-class passengers on the same ber 11, 1802, at East Haven, Conn.

Some time during the '30s he removed to Mender, Ills. In 1840, with his newly married wife, he crossed the Rocky mountains in the same party with Rev. Harvey Clark and Mr. Littrain) in order, sweeping and dusting out and filling water tanks when nec-

Heavy R. R. Mortgage.

Says the Portland News: On the 1st of last July papers were executed transfering by deed of trust the Ore-gon & California Bailroad, with the lite transfering by deed of trust the Ore-gon & California Railroad, with all its branches and proposed extensions, rolling stock, buildings and other property, to the Union Trust Company, of New York. The documents were filed in the County Clerk's office yes-terday. This proceeding is necessary for the lease of the Oregon & Califor-nia Railroad to the Southern Pacific, and under it the Union Trust Com-pany acts as trustee and the Oregon & California is enabled to issue bonds to the extent of \$30,000 per mile.

to the extent of \$30,000 per mile. These bonds, of \$1000 each, the aggre-States gold coin forty years from date of issuance and bear interest at the rate of 5 per cent per cen of 5 per cent per annum. The above described deed of trust is simply one of the formal steps necessary under the arrangement by which the Oregon & California Railroad was transferred

Sleepless nights, made miserable by that terrible cough. Shiloh's Cure is the remedy for you. For sale at T. K. Bolton's drug store.

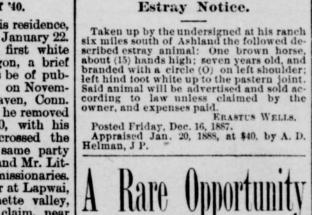

and very irregular pulsations of the heart. A terrible pain soon came into my chest and shoulders, and I became so helpless that I could attend to no business at all. The pains were movable, and would sometimes pass from one part of my body to another. Finally the erysipelas broke out on my left hand and arm, and produced much swelling. I was for eighteen months afflicted in this way, and of course used a great many kinds of medicines, but nothing gave me relief. Friends finally persuaded me to try Swift's Specific. I noticed a decided in provement while taking the first bottle continued its use until I had taken about one dozen bottles, when I found myself sound and well again, with no sign

of disease left except a stiffness in my hand, a result of the erysipelas. While taking the medicine I gained on an average two pounds of flesh per week. I think S. S. a valuable medicine, and I frequently recommend it to my friends." Write to the SWIFT SPECIFIC Co., Atlanta, Ga., for a Treatise on Blood and Skin Diseases, mailed free to any one.
