Who is Your Best Friend? Your stomach of course. Why? Because if it is out of order you are one of the most miserable creatures living. Give it a fair, honorable chance and see if it is not the best friend you have in the end. Don't smoke in the morning. If you must smoke and drink wait until your stomach is through with breakfast. You can drink more and smoke more in the candrink more and smoke more in the cludes both vocal and instrumental music, consisting of waltzes, schottisches, marches, polkas, etc. Call early and make your choice, for there will be no reserve.

(Seattle dispatch, Feb. 3.) The most destructive and costly conflagration known to the oldest residents of Puget Sound, occurred this morning at Port Blakely, resulting in the total demolition of the gigantic lumber mill which was owned by Renton, Holmes & Co., involving an estimated loss to these parties, of the enormous sum of \$250,000, on which there is not ven one bit's worth of insurance. What deprivation and losses the 250 men employed in the mill, many of whom have families, will suffer before the mill is rebuilt and work resumed,
