who might be permanently cured by using Oregon Kidney Tea.

Plaques, panels, pallets, tube colors and all artists materials. Full line paints, oils, glass and wall paper. Contracts taken for painting and papering. Cor. Granite and Main Sts., Ashland,

TORNADO IN PENNSYLVANIA

New York, January 12.—The World this morning prints a remarkable editorial, a column long, double leaded, under the heading. "The Party Not Responsible." It is in substance as follows: "It was not a fair trial, because the Democratic party neither controlled the Administration of President Cleveland. Therefore it cannot be held responsible for the result of that Administration, neither for the injury his vaciliating course has done to the cause of civil service reform, nor for doing the right thing at the wrong time in precipitating the tariff issue on the perilicating the tariff issue on the perilication for the other multiplied mistakes of the President, nor for his obnoxious acts nor for his characteristics.

"This is a constitutional Government by a party. The President is chosen to represent the principles and the occupant of the storm was traveling at the rate of the st New York, January 12 .- The World Dispatch of January 10th gave a ter-

AFFECTING SCENES.

the work of rescue. The list of fatal cases will reach fully 100 and may be more. The hospitals and undertakers' establishments are filled with victims. Was a little out of his limit when the document was executed.

After willing a large amount to his family he bequeaths to O. S. Hubbell, George M. Dannals and Aaron Pauly

correspondent of Lord Sackvide, ba on American soil, besides the profit of been cleared away and the announ nearly \$2000 on the opium. All of the ment made, on authority of those who have been in the secret from the first, certificates entitling them to return to Victoria. The smugglers, when they observed the revenue cutter Oliver letter. Osgoodby is a native of New tieths shall be used to establish and below more nor less than painted boxes, pice looking but nothing more nor less than painted boxes, pice looking but nothing in Work, and 34 years of age. He has a large quantity of opium overboard, attached to floating life-preservers, a few of which the officers picked up. They were heavily armed, but effered no resistance. Special Treasury Agent taned that he has a strong antipathy no resistance. Special Treasury Agent James McHale made the seizure. The defendants were bound over to appear for trial in March in \$3000.

In order trees along the walks, streets and roads throughout the county of San Diego, and in putting and in keep-ling in repair and order guide-boards of stone, iron or wood at the corners of "Yes, that is true, my friend, and the conceived the design of writing to stone, iron or wood at the corners of Lord Sackville and other statesmen for the purpose of electing their opinions on American politics, for the benings on American politics, for the benings of the Popullican party.

Here s an Upportunity!

Talent, Or.

Talent,

the 4th of March. The letters were placed in the hands of Judge W. F.

The scenes in northern Reading to- in-law of Lieutenant A. W. Greely of gratulatious on the result of the elec darkness, which was relieved subsequently by electric lights and huge bonfires, which shed a lurid glare on all probability result in a contest to

Physicians are all busy, and many private houses have been opened for the accommodation of the injured. This morning everything is directly in are to be added together, the whole contrast with the fury of lear pight. This morning everything is directly in sum to be kept at interest forever, the sum to be kept at interest forever, the and all again is bright and glorious in the heavens, as though mocking the work of last night. The Polish Church disaster of several months ago was one. The largest opium and Chinese seizer of the most horrible accidents that the sum to be kept at interest to be applied and used as follows: "Eight-ninths of it to establish and maintain in San Diego a lyceum which shall be a first-class college called the Nesmith Lyceum. One ure made on Puget sound in several has startled this community, but the months was made last night, when loss of life of that fatal cave-in sinks establish and maintain dwelling-houses

classes, at as low rates as may be found The will also provides that a sum of plied that they were not all books 2000 be put at interest for 150 years, with good security, the principal and interest to be added at the expiration of that time and the whole to be kept forever at interest. Of the interest, ten-twentieths shall be used to establish and maintain in San Disco experience of hunge and huntless that it was only a fashion like the wearing of hunge and huntless. lish and maintain in San Diego an art wearing of bangs and bustles, and that

the 4th of March. The letters were placed in the hands of Judge W. F. Fitzgerald, member of the Republican state central executive committee, Henry T. Gage, late delegate to the Republican and every man fairly elected shall take his seat. If there were more the chain of the Southern States there would be less three decided to publish the letter would be less three decided to publish the letter would be less to be admitted by the division superintendents from the lists of eligible candidates.

Why will you go about with that listless air and pale face? Have you no life, no ambition? You seem to complaint about the suppressed vote. these three decided to publish the letters, without referring them to any committees, state or national, or to any other persons, as the campaign was then far advanced, and further the state of the st

A Flattened Sensation

The San Francisco Examiner's at-

tempted sensation, says the Record-Union, has flattened out, and that jour-The only effect its folly can have will be to create a false impression at the East. As we said on Saturday, the labor conditions to-day are precisely sition from the condition of Chinese cheap labor to substitution for it of white labor at good wages to be made "industrial crisis" is upon us, is absurd.

The two things of all others for which
the people have been laboring is the
institution of a system of small land The form the form of the isobation and the form of the isobation a holdings and the substitution for servile cheap labor, of well-paid labor by men and women who contribute to State building and development. The

time a very pleasant correspondence has been carried on between the two distinguished men. Some of Mr. Harof the office, together with many other things which General Harrison would

the scene of death. All night long break the will on the ground that he brave and willing hands assisted in the work of rescue. The list of fatal document was executed.

After willing a large amount to his with reference to many household after which a woman of Mrs. Harrison has also been in weak the work of rescue. After willing a large amount to his fairs which a woman of Mrs. Harrison has also been in weak the work of rescue. would deem important to know. It is said by those who seem to speak from knowledge of past changes of White House occupants that more friendly relationship with the outgoing and in-coming families never existed.—[Louis-

An honest farmer with great temerity stepped into a lawyer's office in this course of conversation asked the legal light what use he made of all those books, pointing to the well-filled shelves. The modest disciple of Blackstone rethat it was nowadays considered the

Bell.

It was only by the forcing hand of a party in the secret of Murchison's identity that his name was disclosed. It was intended by Judge Fitzgerald and his fellow-sharers of the secret to keep the Murchison spectre under until inauguration day. On New Year's day an authoritative letter from Henry Gage and Judge Fitzgerald was sent to President-elect Harrison, giving Murchison's true name with a request that the name be withheld till the 4th of March. The letters were placed in the hands of Index W E placed in the hands of Index W E placed in the hands of Index W E placed in the railway mail systems in the state or territory where the applicant resides. Examining boards will be placed in each railway mail systems in the state or territory where the applicant resides. Examining boards will be placed in each railway mail division, and vacancies will be filled from eligible candidaies in the states where the vacancy occurs. The applicant was the feature of the evening. He said in substance: "Chattanooga is the examination by at least 70 per cent to be eligible. All applicants the feature of the evening. He said in substance: "Chattanooga is the center, the pioneer of the new South, and being one of the first cities to elect a Republican Congressman, pledged to the protection of American industries, she has laid out a path to industrial supremacy
