None of Blaine's enemies—not even a mugwamp, will be worried by the apprehension that the present adminapprehension that istration of the department of state want to find just such a place as we is understood that May 1st is named will be as sluggish as that it has succeeded. One of the evidences of ging behind other places unless we ter land. Blaine's watchfulness and decisive- waken to the fact that the towns that Philadelphia, March 25.—A special Blaine's watchfulness and decisiveness is given in the following news item: "Herman Kempinski, a naturalized American citizen, in prison at Rowen, Russia, awaiting transportation, has been released upon a demand from Secretary of State, James of the Mark at St. Wheire Minister What at St. G. Blaine. Minister Wurtz, at St. resources and advantages throughout who for months have been on very short unforseen difficulty."

amaker is a worker, and has few if any equals in the country as the adstant yet.

Suggestion, but sail suggestion, ministrative head of a great business. He will see that the work is done, too upon business and economical princi-

dinates who have been competent and faithful—and perhaps there are such in the postal service, though the people are skeptical upon that point—sheuld be undisturbed. It may be sheuld be undisturbed. It may be that all that even the negligent and incompetent ones need to make them efficient, is competent superiors, and a knowledge that their tenure of office depends upon their promptnsss and capacity. At all events, it seems probal 'e that the subordinates in the postal service will get a chance to draw a few months' salary and redeem themselves under a republican deem themselves under a republican administration.-[Oregonian.

Chicago, March 22.—The News' Washington special says: The President has given members of Congress plainly to understand that he does not into the general funds during this year and next.

If the state were even at the beginning of this year and received nothing into the general fund from any other mission an ex-member of Congress who is one of the most entertaining and forcible stump speakers in the country. His reputation as a humorist is nation-ficiency the law contemplates and re-ficiency the law contemplates and re-ficienc controlle stump speakers in the country.

His reputation as a humoristis national, but he is not a man of culture of the manners. General Harrison knows him well, and when his name was mentioned and the indorsements, which are remarkably strong, were presented. General Harrison said: "Why do you recommend such a man for this place? You know he is not fit for it. While he is a worthy and a useful man, and while I have the highest respect for him, he is no more fit for a diplomate position than he is to occupy the pulpit. He has not the slightest taste or talent for diplomacy, and he is not the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that proper man to send on a Gresian mission. If you will find something that proper man to send on a Gresian mission. If you will find something that the proper man to send on a Gresian mission. If you will find something that proper man to send on a Gresian mission. If you will find something that proper man to send the proper man to send on a Gresian mission. If you will
