# NO. 49.

The New Jersey man who bit upon Reader's Benefit.

A correspondent writes from Pensacola, Fla., asking what is perfection or the pearest perfection in a scrap book.

Senator Stewart made a very strong tip to the end of a lead pencil is worth \$200,000. The miner who invented a metal rivet or eyelet at each end of the pearest perfection in a scrap book. the nearest perfection in a scrap book, also desiring to know my own experience in scrap books, if I ever had any. A scrap book generally is like a diary; you begin to keep it with extreme exuberance, and you gradually flag and flicker out and flummix, as one might say.

the government of arid lands, in reply to a question asked him by Senator Stanford. The question was in reference to the relative cost of clearing and irrigating lands, and Senator Steward statement of a rid lands, in reply to a question asked him by Senator Stanford. The question was in reference in scrap books, if I ever had any. A scrap book generally is like a diarry; you begin to keep it with extreme exuberance, and you gradually flag and flicker out and flummix, as one might say. One thought the cannon salvos spoke:
The resonant bell tower's vibrant stroke,
The voiceful streets, the plaudit-echoing halls,
And prayers and hymns born heavenward from St. Paul's:

How felt the lend in every part

and like out and mannix, as one might say.

I began simply by ordering from my congressman an edition de luxe of the cost of reclaiming desert lands the metal plates that are used to produce addition, he said that an acre of irrigated land is worth double what an the idea has made \$250,000. As large Taking a volume of this kind to my arry suit of hall bedroom and woodbox with the keen blade of a butcher knife.

Let us take these figures and see to who invented the inverted glass bell who invented the inverted glass bell who invented the inverted glass bell.

the storm that sweeps above thy sacred grave.

For ever in the awful strife And dark hours of the nation's life, Through the ferce tumult plerce his warning words.

Their father's voice his erring children heard!

The change for which he prayed and sought in that sharp agony was wrought: No partial interest draws its alien line Twixt North and South, the cypress and the pine!

Twixt North and South, the cypress and The pine!

One people now, all doubt beyond, His name shall be our Union bond;

The share shall be our Union bond;

The other book I used to keep on the center table for the use of visitors who had the habit of putting in a day or two at a time conversing with me about myself I generally asked him to glance over this scrap book, and while he was doing so I would slip out and take a train for some other point. It is a good plan.

Just keep an egotistical scrap book, using the sourest paste you can procure, and when a man insists on given them humility and really do them more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished and more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be applied to carrying on the unfinished more too, and the surplus could be an unfinished at the leaves turn this autumn, for there deemed

How many sins make one scruple?

REDEEMING ARID LANDS.

ON SCRAP BOOKS. Following is the poem by John G. Bill Mye Relates His Experience for a Whittier, read at the Washington centennial celebration in New York:

A correspondent writes from Pensa-

The sword was sheathed; in April's sun Lay green the fields by Freedom won; And severed sections, weary of deb ates, Joined hands at last and were United State O City sitting by the Sea!

How proud the day that dawned on thee,.

When the new era, long desired, began,

And, in its need, the hour had found the

TIDINGS.

How felt the land in every part
The strong throb of a nation's heart,
As the great leader gave, with reverent awe
His pledge to Union, Liberty and Law!

THE VOW OF WASHINGTON.
