THE LANGUAGE OF THE FUTURE THE 'STRANGITES." Decrees What It Must Be. AN OLD SAILOR TELLS A YARN

dent then that English is to be the li The Strang phase of Mecmonism had its | A Partingtonian character. The Celt cl which and came into prominence about the to his Gaelic, but it must go, and none ke time of the Nauvoo settlement in this and feels this more clearly than the Celt h to prove to a demonstration that it is Smith and other factions which were power most copious and expressive language wh ful when the church was in its infancy, and has come down from Babel, even Gr was jealous of the strength which these men itself, perhaps, not excepted. The Gern

sensible, never dreams of the dominance his dear old mother tongue in this ceive a "revelation" from above and set himself up as a leader under spiritual guidance. World of ours. He knows the scholarly will His revelation was consistent with Smith's in always use what in his heart will ever be that it allowed a man more than one wife. precious, but he is as certain as that he lives and not a few of the faithful enrolled themtongue, and that his great-grandchildren selves under the banner of the "Strangites." may never know what to him was best. When Nauvoo was destroyed Strang gather ed his people around him, refused to follow It is a pity, but it can't be helped, and perhis former companions westward, and started haps it would be a greater pity if it could. In the same way our French friends must The Beaver group of islands, consisting of face the inevitable. They may fancy in one Big and Little Beaver, North and South Fox of their dreamy moods that their beautiful language is to be that in which men will bar-

dians and half breeds, who gained a precarious living by hunting, fishing and wrecking.

The dians and half breeds, who gained a precarious living by hunting, fishing and wrecking. These quasi settlers woke up one morning to any hostile effort, every year recedes, even Fresh Bread and Pies Daily. These quasi settlers woke up one morning to find their kingdom invaded and the best part of Big Beaver pre-empted by Mormons. The forces of Sirang, about 200 strong, had come to its exclusive use men are left. of Big Beaver pre-empted by Mormons. The forces of Signag, about 200 strong, and come in the night and "squatted" Most of them settled on the northern side of the island, on the shore of the bay, at the place now known as St. James, and there they remained for the care of life, and they come the solid. So is it here. Some the bay, at the place now known as St. James, and there they remained for the care of life, and they won't consent to be so left. So is it here. Some the bay, at the place now known as St. James, and there they remained for the care of life, and they won't consent to be so left. So is it here. Some the bay, at the place now known in Canada French will supplant English, and that the French-Canadians will become the lows of the day. Orders for parties promptly executed and special prices given.

All kinds of ornamental work nearly done.

Wedding Cakes a specialty.

Bread Delivered Daily at rith which the islands abound, and trades dominant race. The fear is foolish, and that game and fish ey needed. Fishermen and farmers began to come in their numbers | making that dreaded progress which some steadily grow, and the settlement was in a affect to deplore? We are convinced it is 62 Bread bills must be settled every month. R KOEHLER.

Steady grow, and the settlement was in a fair way to rival the one then springing up in Utah.

Not. The active and enterprising of Lower Canada are all learning English. They cannot help themselves unless willing to be lag-Here Strang was supreme—the great I am. He ruled his subjects with a rod of iron, and always to further his own ends. He was a dissolute and unserupulous man, who at bottom had no respect for morality or religion, and who increased his harem as fast as fancy dictated, although somewhat successful in managing to cloak his real character under religion and professed divine sanction for his acts. But not withstanding all his care discontent took root after a few years and a faction rose against him

"They were thieves and rascals of the worst kind," says Capit, Williams, "as I know from my own experience. If we went into port there they would swarm over the vessel and we had to watch them like cats. One sum-

we had to watch them like cats. One summer in the 'Sis my iron cable broke and dropped out of sight in St. James' bay As I had no time to fish it up then I marked the project of the inevitable. Not project on the case is the project of the inevitable. Not project on the case is the Cregon.

Coregon.

I had no time to fish it up then I marked the place and proceeded on my way About three months afterward I returned and made an effort to recover the cable, but it was gone. One of those Mormons came on board and asked what I would give for the cable. I can see through a millstone, and knew at once they had pulled up the chain and anchor and had then concealed somewhere. I had gone and threatened and system and the resons shall be hewers of wood and drawers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of wood and drawers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be hewers of water amid the mighty ferment and their sons shall be heard and their sons shall be heard and their sons shall be heard and the mighty ferment and their sons shall be heard and the mighty ferment and their sons shall be heard and the mighty ferment and their sons shall be heard and the mighty ferment and their sons shall be heard and the mighty ferment and the mighty ferme blustered and swore and threatened, and varied opportunities that are in full operathey laughed. Finally I produced and so tion on every side. -Toronto Globe,

One of these nomads, of whom I bought Among navigators, by 1850, the Beavers began to get a devidedly bad name. Three vessels during 1842, 1850 and 1851, that had the other day, explained to me the uses of these utensils, acting out the situation as he ation of the Mormons as unmitigated thieves | falling back, crouchings, feints, springs side had become established. Then came the case | wise and into the air, and blood chilling of the Willis. As before stated, the Willis | whoops that a large crowd gathered and there was momentary expectation of the police to one of the settlers, the captain gave it out | Sticking into the waistband of his very dithat he would sail the next morning When lapidated trousers a half dozen boomerangs, he sun came up the bay was empty, but as he took another in his right hand, and holdeither vessel nor crew ever turned up again | ing a shield and a taurang in his left, adt is supposed that she was boarded in the vanced upon his imaginary foe across the night, her crew murdered, and the boat street. plundered and scuttled. The supposition was rendered plausible from the fact that many black fellow behind a bush yonder. He got articles and stores belonging to the Willis taurang an boomerang, mebbe got spear, were afterwards found in the possession of too, you look out sharp. Praps he throw the Mormon settlement. This and similar epredations rendered mariners exceedingly this shield, so making a slight turn of his on Rogue river; all fenced; 100 acres already

wary of touching at the islands, and a captain wrist). Then you throw, then he thrownever took his boat in there unless absolutely compelled to do so by stress of weather.

In 1833, when affairs had arrived at such a head, tumble down. Then you run quick state as to be no longer endured, the legiti | going across the street and back again in two mate settlers combined with vessel owners in leaps), hit black fellow here with taurang (ina petition to the government to investigate and remedy the constantly growing evil. No mebbe cut him head half off"—which, indeed, nswer was given until the spring of 1854 seemed probable with the terrific swing when the revenue cutter Michigan put in an | which he gave to the keen edged, hard wood appearance at St. James, carrying with her weapon. So fought the Australian blacks ructions to look into the matter, and the when they had not known the white manofficials did it with a vengeance. They were received by Strang and his followers with open arms, and, to use a current expression, figures than the war path.-Springfield Re-"nothing was too good for them." Officers publican. and crew were given the run of everything.

When they were not eating, dancing or flirt-ing with the Mormon damsels they were The contract made by Forepaugh, the cirlilling up with the liquor with which they cus man, under which fifty Sioux Indian ere mest liberally supplied by their bests | chief are to be exhibited this summer, re-The Michigan force passed two works pleas | minds me of an amusing experience my son antiv with the residents of Big Benver, and then departed. That their report found nothing to companie of its their report found nothing the residents of Big Benver, and the Big Benver and the Big Benver and Big B ing to complain of is shown from the fact that the government did nothing more in the for permission to take a band of fifty Ute Austria, Russia, Italy and France. He sur But the strong dynasty was drawing to a close. Secondary convinced that no relief was to be expected from the higher official power, the settlers took the conduct of affairs for the return of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the return of the red men, and other conduct of the red men, and other condu into their own hands. They secretly organ ditions were not satisfactory to the departized and armed themselves, and the night of | ment.

Beaver town. The Mormons were totally unprepared for such an attack. They awoke in the middle of the night to find their dry cedar houses burning like tinder over their of which time the Indian commissioner inheads, and the settlers driving everything before them through the smoke and flying cinders. A slight attempt at resistance was made, but it was fruitless. Half the men in the Strangite party were killed and the town | well," said O'Neill, "but what are you going island, and in a day or two was taken off by atkins, who, after reflecting for a few moa vessel and carried to the Wisconsin shore. ments, said "Well, under the circumstances Soon afterwards he died near Milwankee i suppose I had best reconsider my decision from the effect of wounds he had received in and grant the request." This was done, and the melec. - The captured Mormons were the records of the department kept square. given choice of two things. They could take A. S. Partridge in Globe-Democrat.

out." It is needless to say that they "got The Pride of Women. out," but whether they were absorbed by the *farming communities of Wisconsin or Michi-A clear pearly transparent skin is always a sign of pure blood, and all persons troubled with dark greasy, yellow or blotched skin can rest assured that their blood is ant of order.
