day afternoon, and its neighbors have been doing their part in the needed work. Everybody responsible for rubbies of any kind that will burn should be compelled to promptly clear it all been turned over, has succeeded in collecting every dollar; he has also reduced the country delinquent tax way and avoid all danger from such list of 1887 to 8500; and has collected.

LAKE COUNTY. manager of Mr. Cleveland's late cam- a source. Every rule adopted by the list of 1887 to \$500; and has collected paign, and now chairman of the Democratic national committee, as "a Wall street speculator and millionaire, a manipulator of corporate affairs, a railroad jobber, a typical representative of everything to which the Democratic party is opposed, a man whose every interest and sympathy ought to be with the plutocracy to which he belongs," and yet Brief is the leader of the Democratic party to day—its chosen head, selected from the many men—rich and poor—who would have been glad of the call.

The Eileusburg Fire.

The following dispatches told the story of the Eilensburg conflagration.

The Eilensburg Fire.

The following dispatches told the story of the Eilensburg conflagration.

We poed a good fire bell, and peed a good fire bell and peed a good fire bell and peed a good fire bell and peed a goo paign, and now chairman of the Dem-city against flues, pipes, ash boxes or sheriff's assessments for that year

The following dispatches told the zens. the grocery store of J. T. Anthony, on swung in a tower long ago. Then there Main street. A high wind prevailed should be adopted a regular system beyond the control of the limited Fire Department, sweeping the entire business portion of the city, embracing Main street Fifth to First, Fourth from Main to Pire Third for Main to P

day nothing remains but ashes and smoking embers. Scores of new brick the wisdom of keeping up a good orblocks in process of erection suffered ganization for fire protection; but the the same fate as other buildings.

Vigorous fight in all four of the new states. All factions of the party are united on that point. The election comes off in October. Colonel Brice believes that two of the states, Montana and Washington, can be landed in the Democratic camp. When the

For obvious reasons the Democrats to not propose to use any brass band in the contest. The battle will assume more the character of a still the people of Ashland a genuine treat the pe take a preliminary survey of the field. hoped a regular course of such lectures

He will also go to Washington and through the two Dakotas. About the would be a great thing for Ashland.

The Ellensburg sufferers first of September special representa-tives of the National Committee will

Twenty million dollars worth of JULY 12, 1889 property has been destroyed by fire upon the Pacific coast this year. Great losses in these new cities, built Judge Deady it his address at Vancouver, we are glad to note, cast the weight of his opi ion in favor of a ten years' term and it salary of \$5000 for the smaller towns and eities of Orseon and the salary of \$5000 for the smaller towns and eities of Orseon towns.

Mrs. D. A. Jones, of Salem, is visiting her parents, Mr. and Mrs. W. J. Plymale of Jacksonville.

Wm. G. Kenney has returned from a visit to Portland and his friends hope the may conclude to remain in this section; he is a wide awake business and of cattle event twenty five cows. largely of wood, have long been looked

It is amusing, in the light of the political history of our country to hear the Democratic politicians talk about the Democratic party being the "poor man's friend"—the hope of the down-trodden laborer in the struggle against the great corporations and the millionaires of the Republican party. Such talk comes out in its true colors when placed beside such

story of the Ellensburg conflagration We need a good fire bell, and need it right now-not next winter. A fire ELLENSBURG (W. T.), July 5 .- Fire bell which may be heard all over the broke out at II o'clock last night in city should have been purchased and and soon the flames spread to the ad- of alarms-a very simple matter-for oining frame buildings. It then got the designation of the locality of the land to attend the A. O. U. W. grand Main to Pine, Third from Water to by frequent practice, so that not a sec-Sprague, Pearl from Fifth to Twentieth ond shall be wasted when the critical visiting her mother of this place. She covering an erea of ten business blocks in the heart of the city.

The only brick buildings left are the Lynch block and Ellensburg National

H. E. Battin, the week. stroyed are the stone bank of Snipes & that the city hasn't treated them as mission merchant of Portland, is in Co., the Ashler Hotel, Oriental Hotel, the Masonic Temple, the Odd Fellows' Hall, Geddes' block, the Fish Block, They are mostly young men who are expected to volunteer in this work. The Postoffice, the Localizer printing for the "fun" they find in dragging that the city hash t treated them as the walley this week looking after the coming fruit crop.

Constantine Magnuder to John E. Harvey coming fruit crop.

A great deal of interest was shown by the control Poist. Con \$100. Hall, Geddes' block, the Fish Block, The Postoffice, the Localizer printing office, the Dexter stables, the Shondy block, the new brick Postoffice and the Davidson block.

The only stores left are Blumeauer & Son's, Connor & Hogan's, Gatzian's shoe store and Coffin's grocery. There is not a restaurant, hotel or boarding-house left, and there are about 150 people destitute.

Mayor Abrams has called a meeting of the citizens at 3 o'clock, and action

of the citizens at 3 o'clock, and action will be taken for their relief. While the loss is terrible for a city of 4000 inhabitants, the citizens maintain a cheerful disposition, and are determined to build more substantially that ever habitants, the citizens maintain a encerful disposition, and are determined to build more substantially that ever.

The city is under patrol and order prevails. The fire exhausted itself after burning five hours.

The city presents a sickening spectacle this morning. Where the long blocks of business houses stood yester-day nothing remains but ashes and the best interests of the city must see a mistaken one, of course, for men who are anxious for the best interests of the city must see that does it that locality both in grain and fruit crops. One section of the trestle near Talent washed out, causing a delay in the passenger train of six hours, awaiting repairs. The train backed down to the depot here and the passengers enjoyed themselves looking over town until the track was followed.

The city is under patrol and order patrol and order

boys shouldn't be given a chance even The water supply was inadequate, to imagine such a thing. The water supply was inadequate, and there was nothing but a hand engine with which to fight the flames.

Wise economy is always commendable, but there is such a thing as bedignity to the breezes of "Bon voyage"

The was nothing but a hand engine such a thing. Wise economens all the was nothing but a hand engine with which to fight the flames. There were no fatalities nor was any commensurable, but there is such a thing, as because we no flatalities nor was any the burnt district here shows a greater proportionate destruction of property in less space.

The Ellensburg Fire.

ELLESSBURG. W. T., July 6.—Insurance adjusters are arriving this morning. There is much activity displayed in the proportional proportion of the fire apparatus, should include a reel of hose in administration. They should be induced to take an interest in their duties and so condition. Sinjes & Co., pankers, opened their vaulist this morning and found everything in a good state of preservation. They will be a made valuable. But one idea is prevailed, and found the small conditions, and workmen are busiley engineering to the contents were found in body and the proportion of the morning and found everything in a good state of preservation. They will resume busy stances the contents were found in body and the proportion of the first paparatus, so direct the sea of faces and that gently the subject of the first paparatus, so direct the sea of faces and that gently the treating of the first paparatus, as fremen do in most cities. They might even be performed them to be epened, and in many instances the contents were found in busy condition. Sinjes & Co., pankers, opened their vaulist this morning and found everything in a good state of prescription. They will resume busy engaged in removing debris and tearing down the smoothering walls in order to give place to substantial practical. Business draws are company must perform. We, (the. citizens of Ababanda and the proportion of the most end that they are not appreciated, and land message per men included, have all the contents were found to the proportion of the most end t

theory that it was fired by Indians is very much doubted. The tramp theory is equally as doubtful. The losses are fully up to the first estimates, \$2,000,.000, with insurance estimated at from \$450,000 to \$500,000. The adjusters say shall occur, so far as they can help.
