JACKSONVILLE ITEMS.

Miss Eva Parker and Mrs. Isaac Miller are visiting friends in Salem and Albany.

A good fish and steamer is wanted in Lunenburg.

Boomer, Martin & Co. are on deck again, with the general L. C. Johnson making the three-foot voyage.

San Francisco lacks a whole lot of getting the trade of Klamath county, this is getting badly left. She can't outlast Portland, and that settles it.

Last Sunday Ben Peterson and his hired man sailed for Bend to look to get some oak timber, and returned from the boat landing about, five o'clock and went into the barn, where he had three hours in the cold lake, clinging to the gunwale. Ben, who is the headliner kicker, had his boots and some in his pockets, but still in the ring.

Saturday Col. Dowley, the railroad man, bought of J. W. Hamaker 100 acres of the high, rocky land on the northwest side of Lunenburg. Surveyors now in Portland will be here in two or three weeks to survey a railroad line through what they described as "the burned Oregon town—Linkville." It looks as though the Linkville speculators were going to drive the iron horse into our beautiful valley.

Capt. Burton says two troops of cavalry will be in the Fort this week. Notwithstanding, the telegraph line of 99 miles will be sold at Ashland at 10 o'clock, Saturday, Nov. 24. The troops expected are the soldiers who did not want the old telegraph line between Fort Bidwell and Lakeview. Lakeview crew have had that line in for 670. Now she is sorry, but will soon build one to Lunenburg. An extreme speculator who the business men of Lunenburg will keep before their eyes when the telegraph line comes to Ashland.

Catarrh is in the blood. No cure for this disease until the blood is thoroughly purified. For this purpose, Ayer's Cherry Pectoral is the best and most economical medicine. Price \$1. Six bottles, \$5. Worth \$5 a bottle.

A Pleasant Surprise. O health and strength renewed and life prolonged. It is the family medicine in thousands of households.

I have suffered for years from a bronchial trouble that, whenever I take a cold, is speedily converted into asthma. I have tried every remedy, but have not found relief. I have tried a great many remedies, but have not found relief. I have tried a great many remedies, but have not found relief.

I have tested its curative power, in my family, many times during the past year, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, and is better in children than any other medicine.

Six years ago I contracted a severe cold which settled on my lungs, and developed all the alarming symptoms of consumption. I had a cough night and day, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be unable to get out of bed most of the time. After trying various remedies without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and in a few days I began to rally from the first dose of this medicine, and after a few more bottles, an as well and sound as ever.

Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1, six bottles, \$5.
