After 15 Years. "For 15 years my mother has been troubled with milk leg. She went to different parts of California, as persons said the climate might help her, but it was of no avail, and I, being a druggist, thought I would get her to try Hood's Sarsaparilla. Before she had taker half a bottle she said she was improving, se she continued until she took half a dozen bottles, and now she is perfectly well. For nearly fifteen years she was unable to walk around, but now she can walk as well as ever. T. F. BLAKE, San Francisco, with C. F. Rich
