GAMBETTA and HECTOR One mile north of Ashland, Or.

Come with your nickles, quarters and eagles and see the good values that we give in exchange. We shall aim to give you your money's worth, believing our interests to be mutual and knowing that a regular customer is much more profitable in a year than the single purchase customer, we shall, by fair dealing and representing all goods to be what they are and no more, endeavor to secure a share of your patronage. Our counters are filled with the LATEST NOVELTIES in all lines and we feel that our efforts in this direction will be appreciated, judging by the substantial testimony which is now keeping us busy. Our Dress Goods department deserves your careful consideration before you send your money away.

upon those who heard him. He is a was done," too. mpon those who heard him. He is a fine looking old gentleman, with hair as white as the driven snow, and if the contest between him and Supt. McEiroy were to be determined by the public benefit of Ashland. The project is to organize a joint stock company and make a fine half-mile track on the Helman place down by the ghost of a show for re-election. Mr. Leroy is a good speaker, and doesn't attempt to annihilate the Republicans in a single speech, but confines his facts prefity closely to the depart. efforts prefly closely to the department of public instruction, and a discussion of the merits and qualifications of the candidates for the office.
