## ASHLAND TIDINGS. JACKSON COUNTY VOTE. AN UNEQUALED OFFER. OFFICIAL RETURNS 1890. Webster's Unabridged Dictionary at an Astoundingly Low Price-

The TIDINGS has made arrangements whereby the genuine reprint Web-ster's Unabridged Dictionary and one year's subscription to this paper can be furnished for \$5.

This dictionary is a reprint of the original Unabridged. It has 1281 pages, is bound well and contains upwards of 120,000 words and a table of 12,000 synonyms, as well as an addi-tion of 10,000 of the latest words. This book has heretofore never been offered for less than \$11 or \$12, but the copyright on the work having expired, enterprising publishers have gotten out a reprint and are now offering the people at very low prices one of the luxuries they have not been able to afford heretofore. For nine-tenths of the people this book is just as good as the latest edition with its \$14 or \$15 price attached to it. Samples of the work can be seen at

the TIDINGS office. Remember our price for this book and the TIDINGS one year is only \$5

#### Real Estate Sales.

W. N. Luckey reports the following

G. W. Gallant to W. E. Price-house and two lots in Central Point, and 27 acres of land adjoining Central Point; consideration, \$3,000.

W. E. Price to G. W. Gallanthouse and lots on Main street, north of north school house; consideration, \$2300.

#### Concert To Night.

Miss Adele Wynne, of Los Angeles, Cal., will give a concert and elocationary entertainment at the Presbyterian church this evening, Friday, June 13th. Miss Wynne comes well recommended as a vocalist and elocationist, and will take the leading part in the entertainment, but will be assisted by local talent. The price of admission will be but 25 cts., and a pleasant evening is promised those who attend.

#### Arm Broken-

Ralph Mark, son of John M. Mark, was thrown from a horse about two weeks ago and had his arm badly hurt. He did not return home for several hours after the accident, and then, the wrist being much swollen and very paiuful, was supposed to be sprained only, and it was ten days afterward before a visit to Dr. Songer revealed the fact that the inner bone of the arm was fractured near the wrist joint. The doctor gave the needed surgical attention, and time care will make the arm all right Political Potpie.
