In Its Worst Form-"White Swelling" Cured. The remarkable effect of Hood's Sarsapa lla in the following case illustrates the power of this medicine over all blood diseases: "My son, 7 years old, had a white swelling come on his right leg below the knee.

which contracted the muscles so that his leg

was drawn up at right angles. Physicians lanced the swelling, which discharged freely but did not help him materially. I consid A Confirmed Cripple was about to take him to Cincinnati for an operation, expecting his leg would have to be parilla in order to get up his strength. The medicine woke up his appetite, and soon pieces of bone were discharged from the sore We continued with Hood's Sarsaparilla, as it seemed to be doing him so much good, and
